Comments: Aloha Chair Gabbard, Vice Chair Nishihara and Committee Members. My name is Edmund "Fred" Hyun and I am in strong support of Mr Thomas Oi. I have known Tommy since the 1980s when we served on various committees with the HGEA as well as Negotiations Team. I know him to be of strong moral fiber, honest and fair. He questions and responds with good insight in the name of fairness and what's right for the greater good. His career further exemplifies his experience and understanding of land use from a line perspective to administrative. I believe Tommy is and will be a valuable asset to the Commission and the State of Hawaii.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
