Comments: HB1733 will facilitate annual permit renewals by requiring DOBOR to give a response within 30 days of receiving a permit application, providing that the permittee submits the application at least 60 days before permit expiration. This will allow both parties involved in the permit application to have ample time to respond to potential issues. This bill also codifies existing rule to provide a reasonable and sensible extension of 30 days past the permit renewal deadline to respond to any concerns raised by DOBOR.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
