Darrell Tanaka	Individual	Oppose	No

Comments: do the right thing and build more jails, twice as large as the ones you have now with room for expansion.....if you release any inmate early, then the State should be held liable for any crimes they commit, if they do any crime between the time they were released early to the time they were supposed to be locked up until.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
