Comments: I am not clear about how this work. I would like to provide a mo'olelo. When I worked in Florida, the FTE monies, per child allocation also went to kids in non-public charter schools. I worked in a public school around the corner from one. The day after FTE was given, the charter closed, we got all of the children and none of the monies for them. Just a reminder to be judicious in your thoughts on paying money to people. Be also aware of charters that claim to be non-profit but have a huge business behind them,.
