Comments: Senator, in my view current laws are adequate and I oppose this bill. Additionally the constitution states clearly that the right of the people to keep and bear arms shall not be infringed. As an elected official you swore an oath and have to uphold the Constitution and I expect you to do so. thank you for your kind attention.

Comments: I do not want to be listed on any FBI data base unless I committed a crime. This is not right. We should not be charged this fee just to purchase a firearm. The state or HPD should pay for this tool.

Comments: I am against this bill, why should law abiding citizens be on a list and why should be have to pay for the right to purchase a firearm. HPD should pay for this if they want it.

Comments: I am opposed to HB2629, which burdens legal gun owners. It is yet another iteration of the foolhardy campaign to disarm criminals, as if this will prevent crime. The states with the most stringent restrictions on gun ownership have high crime rates. Gun-free zones are an invitation to disaster. Why? Those who will commit crimes do not need to legally purchase their weapons. Criminals are evil but they are not stupid. They must relish the power advantage when their victims are not armed. When law-abiding citizens get disarmed or discouraged from gun possession, they are more vulnerable. Go after criminal behavior, not gun ownership.

Comments: 1. If I'm not mistaken, this is Unconstitutional. 2. A criminal offense might be traffic violation and further, an ARREST IS NOT A CONVICTION. 3. THIS AGAIN IS ANOTHER MEANS OF CRIMINALIZING THE INNOCENT. Please Table or KILL this Bill. We have got to start thinking of peoples rights here in Hawaii. Aloha, Tom Lodge
