House Committee on Transportation

---

The Department of Transportation (DOT) **supports** the intent of this resolution.

However, we feel HCR 105 is unnecessary because we are currently in the process of updating our Shoreline program and plan. The update of our statewide program and plan will include the North shore of Oahu.

The DOT will be submitting a request for \$11 million appropriation from our Capital Improvement Budget to fund the update and additional repairs in the North shore of Oahu.

Thank you for the opportunity to provide testimony.
