Comments: Aloha Representatives, I am opposed to free higher education if supported by tax payer dollars. At this time we are closing floors at long term care facilities, displacing our fragile kupuna, because we don't have enough money to support them and yet talking about giving free college tuition. We do not have the funds to do this. Also, anything gotten for free is rarely cherished or worked hard for. Look at much of the attitude of students in our free high schools. We will be encouraging the same in our colleges. Please vote no on this resolution. Mahalo
