Honolulu, HI 96813-2416
doh.testimony@doh.hawaii.gov

**Testimony in SUPPORT of HCR118
REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF
HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO
WAHIAWA GENERAL HOSPITAL.**

REPRESENTATIVE DELLA BELATTI, CHAIR
HOUSE COMMITTEE ON HEALTH

Hearing Date: March 23, 2016 Room Number: 329

1 **Fiscal Implications:** None to DOH.

2

3 **Department Testimony:** The Department of Health (DOH) strongly supports this
4 proposal to assure that critical community infrastructure remains accessible to
5 Wahiawa.

6

7 The community's resilience and commitment to thrive has been demonstrated in
8 recent years through neighborhood transformation, to include work with the
9 Department of Health to secure state and federal designations that support
10 planning, development, and operations of health resources:

- 11 • In 2012, the U.S. Health Resources and Services Administration designated
12 Wahiawa as a Medically Underserved Population.
- 13 • In 2013, the application was approved and the Wahiawa community was
14 granted a Medically Underserved Population Governor's Exceptional
15 designation.

- 1 • Currently, the department is working with the community to secure Health
2 Provider Shortage Area designation (HPSA).
- 3 • Research shows that the Wahiawa census tract has a population-to-
4 provider FTE ratio of 5900:1. The bottom range, adjusted, for HPSA may be
5 as low 3000:1.

6

7 Medically Underserved Areas/Populations are federal designations in which
8 residents of a whole county or a group of contiguous counties, a group of county
9 or civil divisions, or a group of urban census tracts have a shortage of personal
10 health services. Medically Underserved Populations may include groups of
11 persons who face economic, cultural, or linguistic barriers to health care.

12 Both patient safety and community well-being are at stake, as they are statewide
13 with rural hospitals, and while there are various plans and discussions taking place
14 on the facility's long-term viability, a focused conversation and assurances of
15 resources is essential.

16 **Offered Amendments:** N/A

UNIVERSITY OF HAWAII SYSTEM

Legislative Testimony

Testimony Presented Before the
House Committee on Health
Wednesday, March 23, 2016 at 8:45 a.m.

By

HCR 118/HR 73 – REQUESTING THE GOVERNOR AND THE LEGISLATURE OF
THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT
FINANCIAL ASSISTANCE TO WAHIAWĀ GENERAL HOSPITAL.

Chair Belatti, Vice Chair Creagan, and members of the Committee, thank you for this opportunity to testify in support of HCR 118/HR 73, which requests the governor and legislature to provide financial assistance to Wahiawā General Hospital.

Wahiawā General Hospital has served the people of Central O'ahu and the North Shore for over 70 years. For more than 20 years, the hospital has been an important partner of the John A. Burns School of Medicine (JABSOM) Family Medicine Residency Program. Wahiawā General Hospital is also the largest private employer in Wahiawā, providing jobs for hundreds of individuals.

Over the last several years, the hospital has suffered financially due in part to decreased reimbursement from the federal government and the opening of The Queen's Medical Center West. Wahiawā General Hospital needs critical support from the state at this time to keep its doors open. The closure of yet another hospital would result in serious consequences for the state.

We urge this committee to pass HCR 118/HR 73.

House of Representative
Twenty-Eighth Legislature
Regular Session of 2016

Re: HCR 118 WGH Assistance Resolution

Dear Chair Belatti, Vice-Chair Creagan and Members:

I am writing in support for House Concurrent Resolution 118. The closure of Wahiawa General Hospital is not an option. There are three ambulances in the area that primarily provides service to Wahiawa General Hospital. Wahiawa EMS, Waialua EMS, and Waipio EMS ambulances transport the majority of their responses to the Wahiawa General Hospital. Kahuku EMS, Ewa Beach EMS, Waipahu EMS and even Makakilo at times, will transport patients to Wahiawa General Hospital, especially during the time when there was no hospital on the Westside due to Hawaii Medical Center West closing down for a period of time.

The call volume to Wahiawa General Hospital dramatically increased until Queen's West opened up. Queen's West allowed for the call volume to be dispersed more evenly in 2015. There are approximately 8,500 patients that were transported to Wahiawa General Hospital that year. Two years prior to that, approximately 13,000 patients were transported each year to Wahiawa General Hospital. It was a closer transport for the ambulance units rather than hospitals farther away, such as Pali Momi Medical Center or Queen's Medical Center Punchbowl.

If Wahiawa General Hospital were to close down, the three area ambulances would have to travel farther to transport their patients to the hospitals. In an emergency, each minute counts. There would be a delay in definitive care that the hospital can provide, that we can't provide in an ambulance. It compromises the safety of the patients who would normally go to Wahiawa General Hospital. It would also take longer for the units to travel back into their areas, thus increasing the response times it takes to respond to calls back in their areas.

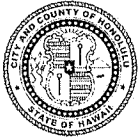

The Honorable Della Au Belatti, Chair
The Honorable Richard Creagan, Vice Chair
March 22, 2016
Page 2

I support the opportunity to keep this hospital open to serve the residents and visitors in this area.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirk Caldwell". The signature is fluid and cursive, with a prominent initial "K" and a long, sweeping underline.

Kirk Caldwell

**Testimony to the House Committee on Health
Wednesday, March 23, 2016
State Capitol, Conference Room 329**

**RE: STRONG SUPPORT
HOUSE CONCURRENT RESOLUTION NO. 118 AND HOUSE RESOLUTION NO. 73, REQUESTING THE
GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII, TO PROVIDE IMMEDIATE AND
EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.**

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Jeanne Ishikawa, and I am the Chair of the Wahiawa-Whitmore Village Neighborhood Board No. 26. I am also a third and fourth generation resident of Wahiawa.

The Wahiawa-Whitmore Village Neighborhood Board No. 26 held its Regular Meeting on Monday, March 21, 2016, at the Wahiawa District Park's Hale Koa building. There were about 50 people in attendance, and the Board heard passionate and heartfelt testimony from the community and from employees of Wahiawa General Hospital (WGH). There is no doubt that we understand that Wahiawa, and our neighboring communities, are at a critical juncture regarding the future of our hospital.

The Board voted unanimously in STRONG SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73; both Resolutions requests the Governor and the State Legislature to provide immediate and emergent financial assistance to WGH. The vote was 7 ayes, 0 nays, and no abstentions. Our nine (9) member Board requires five (5) members to establish quorum and to take official Board action.

It is vital that Wahiawa General Hospital remain operational, and the Wahiawa-Whitmore Village Neighborhood Board No. 26 respectfully urges your SUPPORT for the two Resolutions for the following reasons:

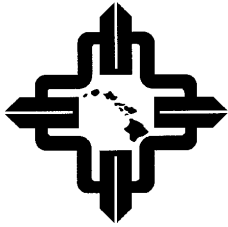

- WGH is the largest employer in Wahiawa, with nearly 600 employees working in various skilled, technical union jobs and certified professional jobs;
- WGH provides emergency medical services from Mililani to Wahiawa, Waialua, Sunset, and Kahuku, including our military neighbors at Schofield-Wheeler AAFB and NCTAMS in Whitmore, covering nearly 1/3 of Oahu. Closing WGH will have enormous ramifications to the health, safety, and welfare of these communities;
- WGH was built by the community, and has supported this community with qualified health care, wellness fairs, educational and health classes, support groups, etc.;
- As a community hospital, WGH supported the University of Hawaii's John A. Burns School of Medicine's Family Residency program for more than 20 years.

Thank you for the opportunity to provide this testimony.

Sincerely,

Jeanne Ishikawa
Chair, Wahiawa-Whitmore Village Neighborhood Board No. 26

Linda Rosen, M.D., M.P.H.
Chief Executive Officer
Hawaii Health Systems Corporation

The Hawaii Health Systems Corporation (HHSC) **supports the intent** of HCR 118/HR 73 to support Wahiawa General Hospital's continued operations. We recognize the vital role that Wahiawa General plays for the central Oahu community and North Shore and also its importance to the overall healthcare system for Oahu.

Healthcare today is a difficult business with constant pressure to deliver high quality care at lower costs. Small community hospitals struggle to stay solvent in this environment. We understand the challenges that Wahiawa General faces and look forward to working with all stakeholders on solutions that support continuing their vital service to the community.

Thank you for the opportunity to testify.

HCR118/HR78

Testimony in Support

We, the Board of Directors of the Hawaii Academy of Family Physicians representing 316 active family practice physicians in our state, strongly support HCR118/HR78, a bill to provide emergency funding for Wahiawa General Hospital. Wahiawa General Hospital provides essential care to a rural population with a physician shortage worse than 2 neighbor islands. Changes in medical practice and federal requirements for electronic medical records have caused unavoidable deficits despite cost cutting measures. Wahiawa General is the only independent nonprofit acute care hospital remaining in the state; it must not be allowed to immediately fail for the following reasons:

1. It provides 20,000+ Emergency visits per year which will need to be diverted to Pali Momi and Queens Medical Center West, 13 to 14 miles distant respectively—including 2,500+ ambulance trips. Closure will cause “threats to life” for area residents needing emergency medical services. o
2. WGH has 95 to 100 Skilled Nursing patients that would need to be relocated to an over saturated SNF market on Oahu—there is already a major shortage of SNF beds on Oahu
3. Closure will negatively impact the community—including public health, small business survival and significantly set back the overall local economy
4. Largest private employer in Central Oahu—600+ jobs (380 FTEs)
5. Over 100 family medicine physicians trained at Wahiawa General Hospital and although the family medicine residency is now affiliated with HPH, emergency medicine and long term care training will remain at Wahiawa for family medicine residents. This is an invaluable rural medicine experience for future physicians who spend the rest of their training time in urban Honolulu hospitals.

One important role of government is providing for the health and safety of its citizens. The Governor and legislature of Hawaii fulfilled this role in the past by providing financial relief for Kahuku Hospital and emergency funding for HHSC hospitals.

Chair, House Committee on Health

HCR118: Requesting Emergency Financial Assistance to Wahiawa General Hospital

Testimony in SUPPORT

Dear Representative Belatti and Committee Members:

Thank you for the opportunity to testify in SUPPORT of HCR118. We respectfully ask that your committee pass this resolution supporting emergency financial assistance to Wahiawa General Hospital.

The Wahiawa General Hospital Emergency Department provides incredibly valuable service to the people of the north shore of Oahu. The hospital serves a catchment area of almost a third of the geography of the island. The Queens Medical Center West Oahu is almost 20 minutes away by private auto, and other emergency departments in west Oahu are already working at or above capacity. To put the problem in context, we ask that the committee consider that the American College of Emergency Physicians in 2014 gave an F grade for *Access to Emergency Care*, “primarily due to a lack of adequate hospital capacity.” Further, our national organization gave Hawaii an F grade for *Disaster Preparedness* because of the state’s poor health care infrastructure, including the second lowest bed surge capacity in the nation.

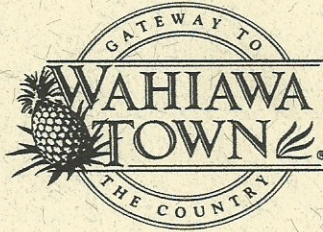

I, myself, have worked at Wahiawa General for almost ten years. Without exaggeration, I can tell numerous stories of people that would quite possibly have not survived if they were transported another 20 minutes before receiving care. I have placed breathing tubes for patients within minutes of their arrival because they were unable to breath and on the verge of dying because of asthma, heart failure, and foreign bodies obstruction the airway. Our teams of nurses and physicians have delivered shocks to patients without a heartbeat in order to restore circulation when they otherwise would have passed. I have delivered three newborn children in the first 20 minutes of their mother arriving to our department, when they otherwise would have been born in ambulances or on the side of the road if Wahiawa General had not been open.

Our organization is primarily concerned with access to emergency care for Hawaii’s residents and visitors. It was not long ago that we as a community felt the pain of losing one of our emergency departments. The domino effect of reduced emergency department and inpatient beds on Oahu affected us all. Patients waited longer to see physicians to have their emergencies treated and their pain improved. Families throughout the state waited with their loved ones as emergency physicians and nurses tried to arrange transport to other, already full facilities so they could receive appropriate care. We ask that you vote for HCR118, support the continued

mission of Wahiawa General Hospital, and take further action to improve the emergency health care safety net of Hawaii.

Sincerely,

William Scruggs, MD, FACEP
President, Hawaii College of Emergency Physicians

March 21, 2016

Before the House Committee on Health and the Committee on Finance

Re: Supporting Testimony to HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO.73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL

Dear Chair Belatti, Vice Chair Creagan, and Committee Members:

This testimony is to provide the strong support of the Wahiawa Community and Business Association (WCBA) to this House Concurrent resolution No. 118 and House Resolution No. 73.

The WCBA is Wahiawa's oldest community association. Since the Wahiawa General Hospital opened its doors almost 70 years ago it has strongly supported Wahiawa General Hospital's (WGH) efforts to provide health care services to Wahiawa and the surrounding areas.

It is critically vital that the Wahiawa General Hospital remain operational to perform emergency room treatment to Wahiawa and the surrounding areas. WGH currently provides 7 days a week 24 hour a day emergency room services. If WGH closed, the nearest emergency room would be Pali Momi or Queen's West. That's 13 miles away! For Waiialua or Sunset Beach residents facing life threatening conditions it means they have to travel over 20 miles for emergency treatment. The WCBA considers this a life or death issue.

Additionally, 600 employees would face layoff.

We are at a critical point to save Wahiawa general Hospital. The loss of WGH will mean over 100 families will lose long-term care for their relatives.

Thank you for this opportunity to testify. The WCBA urges your support for these resolutions to provide financial assistance to Wahiawa General Hospital.

Sincerely,

R. Doug Aton
President

Walter R. Benavitz, Jr.
Chair Government Action Committee

IBEW1260

BRIDGING THE PACIFIC

Chair Belatti, Vice Chair Creagan and Members of the Committee,

The International Brotherhood of Electrical Workers Local Union 1260 (IBEW) respectfully offers testimony in **strong support** of HCR 118 and HR 73 both of which request the Governor and the Legislature of the State of Hawaii to provide immediate emergency financial assistance to Wahiawa General Hospital.

As the only medical facility providing emergency medical services in Mililani, Wahiawa, Waialua, Sunset and Kahuku, communities which encompass nearly a third of the entire island; closure of Wahiawa General Hospital would be detrimental to the health, welfare and safety of anyone living, working or traveling through these communities. Those bearing the brunt of this impact will be our kupuna, keiki and the chronically ill.

Additionally, closure of Wahiawa General Hospital, one of the largest employers in Central Oahu, would serve a serious financial blow to the Central Oahu community as Wahiawa General Hospital provides well-paying, middle-class jobs to over 600 employees most of whom live within the surrounding communities.

For these reasons, the IBEW respectfully asks the Committee to **support** these resolutions.

Respectfully.

Michael M. Brittain
Director of Legislative Affairs
IBEW Local 1260

March 21, 2016

Hon. Committee Chair Representative Della Au Belatti
Hon. Committee Members on Health
State Capitol
415 South Beretania
Honolulu, HI, 96813

Dear Hon. Committee Chair Belatti and Hon. Committee Members,

On behalf of the registered nurses represented by the Hawaii Nurses' Association, including the 57 RNs employed at Wahiawa General Hospital, I write in support of H.C.R. 118. H.C.R. 118 will provide critically needed funding for Wahiawa General Hospital to continue to operate. Wahiawa General Hospital provides vital healthcare services to Wahiawa and surrounding communities. The Hospital serves a largely low-income and elderly population, with a large amount of its revenues coming from treating Medicare and Medicaid patients. The revenue provided by these services does not support the actual cost of providing treatment, which necessitates additional funding for continued operation of the Hospital.

As we understand, Wahiawa General Hospital will close within six months if it does not receive immediate financial assistance from the State. The closure of the Hospital would be a tragic loss for the entire Wahiawa area and North Shore community. The loss of emergency medical services could impact the safety of residents of a geographical area that encompasses a large portion of the island of Oahu. If Wahiawa were to close, the nearest emergency room would be some 13 miles away. For someone living in Waiialua, Haleiwa, or Kahuku, the distance would be approximately 20 miles instead of approximately 8 miles to Wahiawa General. Further, the closing would not only severely limit these communities access to healthcare, but also eliminates the jobs of those who work at the Hospital. Wahiawa General Hospital is the largest employer in Central Oahu, providing more than 600 jobs, including those of some of Hawaii's finest nursing professionals. Many of these nurses have been in the service of Wahiawa for many years. We are very proud of the quality service these nurses provide Wahiawa patients on a daily basis. Most live in the Wahiawa area and therefore contribute to the local economy. The loss of access to local healthcare and the economic effect thereof would be a two pronged catastrophic blow to all the Central and North Shore affected communities. The last thing Hawaii needs is unemployment for numerous skilled professionals and less access to healthcare for its rural and shoreline residents. We strongly urge your support for this imperative measure. Thank you.

Sincerely,

Maureen Meehan-Golonka
President, Hawai'i Nurses' Association

REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO
PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL
HOSPITAL.

IN SUPPORT

Good Morning Chair Belatti and members of the committee:

I am Joy Mahiko and I am a member of the Board of Directors of The Wahiawa Center for Community Health (WCCH). I am here in support of this measure. The WCCH was created at the initiation of the late Senator Daniel Inouye. He had a deep knowledge and understanding of the lack of access to health care in Wahiawa. Accessing health care has been a crisis for our people for the last decade. The hospital has withstood the loss of over 200 private providers and has cared for our community.

Our health center is scheduled to open within the next 2 months. We will be absorbing the practices of two retiring physicians in Wahiawa. The WCCH is dedicated to improving the health status of all its patients by providing accessible, affordable, quality primary health care services medical, dental, mental health, women's health, pediatrics, behavior health to everyone, regardless of ability to pay. The WCCH will fill the void of basic primary care, **but the Wahiawa General Hospital is needed as a collaborative partner of the WCCH.** The WCCH will refer its patients to the hospital for services such as diagnostic imaging, mammograms, cardiopulmonary, laboratory diagnosis, rehab and occupational therapy and behavior health. These are services that are in place and the hospital is needed to continue to provide a continuity of care to the community.

The hospital has been our only resort for the people of Wahiawa to gain access to care. WGH has struggled for decades, but Wahiawa and the surrounding areas need the hospital to remain as not only a provider of health services, a collaborative partner of WCCH...but also as an economic engine for our community.

Please support our community hospital!

Chamber of Commerce HAWAII

The Voice of Business

**Testimony to the House Committee on Health
Wednesday, March 23, 2016 at 8:45 A.M.
Conference Room 329, State Capitol**

**RE: HOUSE CONCURRENT RESOLUTION 118/HOUSE RESOLUTION 73,
REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF
HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO
WAHIAWA GENERAL HOSPITAL.**

Chair Bellati, Vice Chair Creagan, and Members of the Committee:

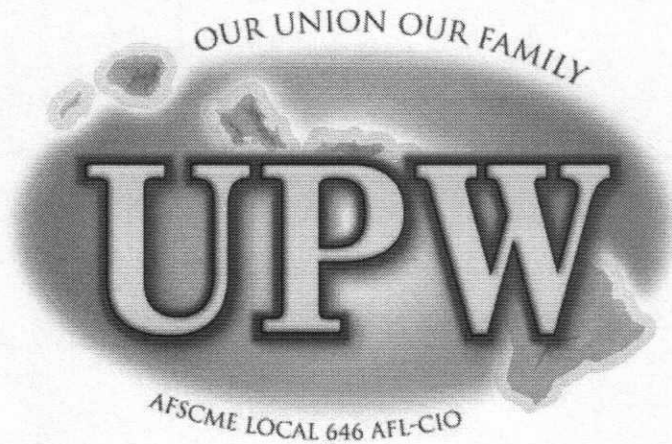

My name is Kamakana Kaimulua, and I am the Vice President of Military Affairs at The Chamber of Commerce of Hawaii (The Chamber). I am here to state that The Chamber **supports** HCR118 and HR73. Both request the Governor and the Legislature to provide immediate and emergent financial assistance to Wahiawa General Hospital.

In recognizing how critical the U.S. military presence is to Hawaii's economy, the Chamber officially established a military affairs department in 1985. For 31 years the Chamber, through its Military Affairs Council (MAC), has served as the State's liaison in matters relating to the military and has been steadfast in working to protect and preserve the military's presence in Hawaii, promote public awareness and understanding of issues challenging the military locally and nationally, and serve as the advocate for military and their families.

Wahiawa General Hospital is an essential medical facility in the communities of Central and North Shore Oahu. It is the only medical facility that provides emergency medical services in the vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset, and Kahuku.

Due to the large population of military families that live in the communities surrounding Schofield Barracks and Wheeler Army Airfield, Wahiawa General Hospital is the nearest facility capable of addressing critical medical emergencies for military families. As such, the closure of Wahiawa General Hospital would have enormous ramifications to the health, welfare, and safety of these communities that house active duty military and their dependents. Ultimately, the closure of this facility could impact the quality of life for military members, as well as military readiness in Hawaii.

Thank you for the opportunity to testify.

The Hawaii State House of Representatives
The Twenty-Eighth Legislature
Regular Session of 2016

COMMITTEE ON HEALTH

The Honorable Della Au Belatti, Chair
The Honorable Richard P. Creagan, Vice Chair

DATE OF HEARING: March 23, 2016
TIME OF HEARING: 8:45 a.m.
PLACE OF HEARING: Conference Room 329

**TESTIMONY IN SUPPORT OF HCR 118 AND HR73 REQUESTING THE GOVERNOR
AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE
AND EMERGENCY FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL**

By Dayton M. Nakanelua,
State Director of the United Public Workers,
AFSCME, Local 646, AFL-CIO

My name is Dayton M. Nakanelua, state director of the United Public Workers, AFSCME, Local 646, and AFL-CIO (UPW). The UPW is the exclusive representative for approximately 11,000 public employees, which include blue collar, non-supervisory employees in Bargaining Unit 01 and institutional, health and correctional employees in Bargaining Unit 10, in the State of Hawaii and various counties.

HCR118/HR73 are resolutions calling for emergency bridge funding for Wahiawa General Hospital to forestall its closure in the immediate future.

On January 30, 2015 one year ago, Wahiawa General Hospital submitted a Grant-In-Aid request for \$2,500,000 for emergency support for FY2016. This financial support will "...enable Wahiawa General Hospital to continue to provide uninterrupted medical services while the hospital's Board and interested parties seek potential affiliation with a larger business partner to create a more

effective integration of clinical and non-clinical services and to create a more effective business model...”

It would be extremely difficult to quantify and qualitatively describe the enormous damage to the entire community in and around Wahiawa with the closure of WGH. The negative effects caused by the closure of WGH on the lives, safety, medical services, social and economic well being of the entire community cannot be over stated. People will suffer the consequences.

The UPW strongly supports HCR118/HR73 and humbly asks the Committee to pass these resolutions. We appreciate the opportunity to submit this testimony.

Testimony by
Hawaii State AFL-CIO
March 23, 2016

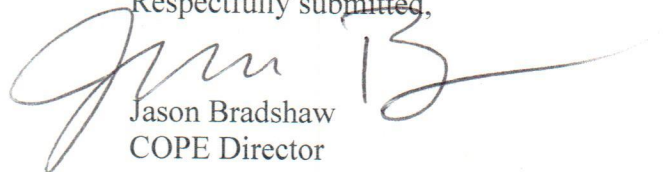

H.C.R. 118

The Hawaii State AFL-CIO supports H.C.R. 118 which requests the Governor and the Legislature of the State of Hawaii to provide immediate and emergency financial assistance to Wahiawa General Hospital.

Wahiawa General Hospital employs over 600 workers – many of whom are union members. Most of these jobs provide good wages and benefits that many of these workers rely on to pay their mortgages, rent, and many other bills. Furthermore, Wahiawa General Hospital provides essential emergency medical services to the thousands of residents that live in the area including the North Shore and other rural areas. Ensuring the hospital remains open is important to the health and well-being of the community and to the hundreds of workers employed at Wahiawa General.

Thank you for the opportunity to testify.

Respectfully submitted,

Jason Bradshaw

March 23, 2016 at 8:45 AM
Conference Room 329

House Committee on Health

To: Chair Della Au Belatti
Vice Chair Richard P. Creagan

From: George Greene
President and CEO
Healthcare Association of Hawaii

Re: **Testimony in Support**
HCR 118, Requesting the Governor and the Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital

The Healthcare Association of Hawaii (HAH), established in 1939, serves as the leading voice of healthcare on behalf of 180 member organizations who represent almost every aspect of the health care continuum in Hawaii. Members include acute care hospitals, skilled nursing facilities, home health agencies, hospices, assisted living facilities and durable medical equipment suppliers. In addition to providing access to appropriate, affordable, high quality care to all of Hawaii's residents, our members contribute significantly to Hawaii's economy by employing over 20,000 people statewide.

The Healthcare Association of Hawaii would like to thank the committee for the opportunity to **support** HCR 118. This legislation would request that the governor and the state legislature provide assistance to Wahiawa General Hospital (WGH) so that the facility may continue its operations while developing a new, more financially sustainable business model.

Since the passage of the *Affordable Care Act (ACA)* six years ago, the health care system has undergone a dramatic transformation. Hospitals in Hawaii have had to invest and expend incredible resources to come into and remain in compliance with the immense new requirements included in the landmark legislation. For example, hospitals and physicians across the state have had to install electronic health records, a largely unfunded mandate passed as part of the ACA.

Further, hospitals have had to adjust to reduced payments from public payers such as Medicare and Medicaid. According to a report from the Hawaii Health Information Corporation, the ACA mandated Medicare cuts totaling more than \$400 million. On top of that, the U.S. Congress enacted across-the-board budget cuts known as sequestration, reducing payments to Hawaii hospitals by almost \$120 million. Medicaid continues to reimburse at even lower levels than Medicare, creating payment shortfalls for all Hawaii providers.

Considering the difficult policy and payment landscape that is affecting all providers, we are appreciative of efforts by the state to help ensure the integrity of our health care system. We support this resolution, which seeks to assist WGH as it explores new partnerships and ideas to sustain its operations and serve the people of Wahiawa and adjacent communities. We would respectfully request your committee's approval of this legislation. Thank you for your consideration of this important matter.

Representative Richard Creagan, Vice Chair

HCR 118/HR 73 – Requesting the Governor and the Legislature of the State of Hawaii to Provide
Immediate and Emergent Financial Assistance to Wahiawa General Hospital

Wednesday, March 23, 2016
8:45 A.M.
State Capitol – Conference Room 329

Aloha Chair Au Belatti, Vice Chair Creagan and members of the Committee:

We support HCR 118/HR 73 which requests the Governor and the Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital.

Wahiawa General Hospital is in danger of financial failure and face possible closure by the end of the year if immediate financial assistance is not provided. If this non-profit community hospital closes, the effects could be catastrophic for a large portion of Oahu.

The next closest emergency services facility and hospital is approximately 13-14 miles away from Wahiawa General Hospital and thus could affect over 60,000 residents and visitors to the area. The inability to access a nearby hospital could be an issue of life and death for emergency patients.

Furthermore, Wahiawa General Hospital is the largest private employer in Wahiawa employing approximately 600 employees with approximately 90% of its employees living within Wahiawa, Kahuku, Haleiwa, Waialua, Wahiawa, Mililani, and West Oahu. The survival of the hospital is crucial not only to the town itself and its residents economically, but absolutely necessary in terms of the public health, safety and welfare to the residents and visitors.

Thank you for allowing us to share our views with you and we respectfully ask for your support of HCR 118/HR 73.

(Continued From Page 1)

About PRP

Pacific Resource Partnership (PRP) is a not-for-profit organization that represents the Hawaii Regional Council of Carpenters, the largest construction union in the state, and more than 240 of Hawaii's top contractors. Through this unique partnership, PRP has become an influential voice for responsible construction and an advocate for creating a stronger, more sustainable Hawaii in a way that promotes a vibrant economy, creates jobs and enhances the quality of life for all residents.

**Re: HCR 118 / SCR 150
Testimony in Support**

Members of the Senate and House:

I am writing in support of **HCR 118/SCR 150**, requesting emergency funding for Wahiawa General Hospital, to prevent closure of an institution vital to our Central Oahu community. I know that you are aware of the circumstances that the hospital finds itself in, but as a representative of the Wahiawa Community Based Development Organization (WCBDO), I want to express some of the concerns of residents and businesses in Wahiawa who would be deeply impacted by a closure.

Our CBDO was created because Wahiawa is a Neighborhood Revitalization Strategy Area (NRSA), meaning a majority of our population is made up of low to moderate income families. Wahiawa General hospital is essential, both as an employer in the community, but also as a critical health care access point for residents in our rural area.

The CBDO is working dilligently with legislative and community partners to build economic opportunity in Wahiawa, and some of our most promising opportunities are happening with the return of a diversified agriculture to the area. But the closing of Wahiawa General Hospital would have a tremendous, negative impact on our efforts to create jobs and opportunities to revitalize our community. Unfortunately this crisis comes at an important (but fragile) juncture when we are just building support and setting plans for new economic foundations. Please help us avert this crisis for our community. I urge the 2016 legislature to pass HCR 118/SCR 150 and support Wahiawa as we continue to build a better future for our residents.

Thank you for your consideration,

Darin Uesugi
Wahiawa Community Based
Development Organization

WAHIAWA GENERAL HOSPITAL
March 23, 2016
08:30 AM
Conference Room 329**

Good Morning Chair Belatti, Vice Chair Creagan and Members of the Committee

I am Don Olden, the CEO of Wahiawa General Hospital. I have been the CEO since December 2006 and have lead the Hospital through many major challenges over the 9 year period. The current financial challenge is the most difficult we have faced and it threatens the very survival of the hospital and medical services in Central Oahu. In my career, I have been a senior executive leader in major hospital systems involving over 20 hospitals, plus most recently 4 in Hawaii.

Unfortunately most rural and a few other hospitals in Hawaii have been failing financially for over a decade. The 14 HHSC hospitals are largely rural and require extraordinarily large support subsidies to survive. On Oahu, the old St. Francis Hospitals went through three failures—one under St. Francis and two bankruptcies under new physician owners. State wide, 20+ hospitals have been on the fringe of financial failure and approximately 8 have changed ownership. Wahiawa surviving without changing ownership or affiliating with one of the larger systems has been difficult. Strategically, a merger was needed at least a decade ago. Hospital mergers in Hawaii have generally occurred when a business failure was imminent, rather than for strategic affiliation purposes.

Details of Wahiawa's Problems Include:

As a stand-a-lone, Wahiawa is facing financial and operational problems that creates an extreme danger of closure within six to nine months without financial assistance from the Legislature and Governor's Office.

Operating losses of over \$3 million per year over the past three years due to:

- Declining inpatient admissions,
- Reductions in government and commercial insurance program payments,
- Mandates of the ACA requiring additional personnel and information systems costs.
- Services and support systems that need integration with a larger healthcare system to improve cost efficiencies related to caring for patients. Clinical services are believed to be sustainable

but other support services need to be integrated with a larger health system to decrease cost of such services.

Despite reductions in staff and operating costs, Wahiawa General Hospital has unsustainable cash flow deficits:

- Over 85 percent of WGH patients are Medicare and Medicaid. These programs simply do not cover the cost of caring for their Members services.
 - ✓ Private insurance programs have always subsidized Medicare and Medicaid shortfalls.
 - ✓ Only 14 percent of WGH's admissions are private insurance patients, far too low to offset the hospital's losses due to Medicare/Medicaid patients.
 - ✓ Medicare/Medicaid reimbursement payments have recently been cut further.
- New HMSA policies have increased WGH costs and cut payments.
 - ✓ Under the ACA, HMSA increased WGH's employee health insurance cost by over \$1 million per year.
 - ✓ Recently HMSA began aggressively denying reimbursement for inpatient and outpatient services, further reducing patient revenues.
- Queen's Medical Center West opening May 2014 resulted in a revenue decline of \$7.5 million in 2015.
 - ✓ WGH cut operating costs by over \$9 million but it was not enough to offset losses.
 - ✓ WGH's cost reductions would have been larger but ACA mandates added costs
 - ✓ WGH is in danger of having to cut costs and services that impacts quality and ACA mandate compliance

The shortage of private care physicians on Oahu forced the hospital to spend \$1.7 million per year to acquire specialized Inpatient Hospitalists and On-Call Surgeons to treat patients.

- No incremental revenues were available to offset the cost increase.
- 95% of inpatient admissions are through Emergency Services, which results in higher costs to the hospital.
- Due to the Residency Program closure, the Hospitalists are asking for a large increase in support funding.

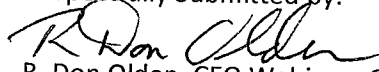

Closure will severely impact the economics, public health, safety, and welfare of the local community.

- WGH is the major medical facility that provides emergency services for the area extending from Mililani to Wahiawa, Waialua, Sunset, and Kahuku – one third of the entire island of Oahu.
- From Wahiawa, the nearest medical facility will be more than 13 miles away (Pali Momi or Queens Medical Center West).
- North Shore and Haleiwa residents will have to travel 20 to 37 miles for emergency care.
- Nearly 12,000 acute inpatient days will need to be relocated to other hospitals.
- WGH has 95 to 100 Skilled Nursing patients who would need to be relocated to another facility at a time when there is a shortage of SNF beds on Oahu.

- WGH is the largest private employer in Central Oahu, providing over 600 jobs, or 380 FTE's
- Most full time employees are members of ILWU, UPW and HNA unions; 90 percent of the employees live in the community.

Wahiawa needs financial help from the legislature and the Governor as have other neighbor island rural hospitals in the state. Bridge funding for 2 years will permit the hospital to develop an alternative business model. Under the ACA alternative business models are being developed in other parts of the United States and they will be needed in Hawaii. Wahiawa needs a window of time to restructure so Central Oahu, North Shore and nearby communities will continue to receive healthcare services in the future without having to drive 20+ miles. There is no doubt a restructuring must occur but it needs to include analysis and design by other major systems in the state, and that takes time.

Respectfully Submitted by:

R. Don Olden, CEO Wahiawa General Hospital

TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO
WAHIAWA GENERAL HOSPITAL
March 23, 2016
08:30 AM
Conference Room 325 329**

Good Morning Chair Belatti, Vice Chair Creagan and Members of the Committee

I am Randall Suzuka, M.D.. I have been a Family Physician at the Haleiwa Family Health Center and a resident of Mililani for 30 years. I have been on the Medical Staff at Wahiawa General Hospital for 30 years, on the Board of Directors off and on since 1988 and Chairman of the Board of Wahiawa General Hospital since 2005.

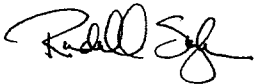

Over the last 30 years, I've delivered 2 patients in my office. One was my patient who didn't think that she would make it to Wahiawa. The other was a Kaiser patient scheduled for a repeat Caesarean section who didn't think that she would make it to Kaiser. Both of them made the correct decision and delivered before the paramedics got to my office. During Hurricane Iniki, I delivered one baby and admitted 2 patients that were evacuated from their homes by the American Red Cross. Although not a common situation, there have been times when all of the hospitals on Oahu have been full and all Emergency Rooms are on "divert". During those times the Emergency Medical System just sends ambulances to Emergency Rooms on a rotational and locational basis. On my all-time worse day on call for Wahiawa, I admitted 11 patients to the hospital (in addition to seeing patients full-time in my office). On other occasions, I've had to admit patients to the Classroom on the first floor which was partitioned by portable drapes to accommodate four patients until the situation improved.

These are anecdotes and individually mean very little. Perhaps, a healthcare system without Wahiawa General Hospital would just adjust itself and spread the burden to the remaining providers. I would like to mention, however, that many years ago, a member of the Department of Health called for a meeting with Dr. Edmund Whang who was Chairman of the Board of Wahiawa at that time and myself. They were concerned about Wahiawa because Tripler had just downsized and he told us that in the event of a natural or other disaster, they would have to send people to the mainland. I'm not sure what is the current assessment of Hawaii's hospital bed situation, but since that meeting, Hawaii Medical Center East has closed and Kahuku's services have reduced. Our healthcare system is frail and cannot afford rapid changes such as an unplanned closure of Wahiawa General Hospital.

Finally, the Physician Workforce Assessment for Hawaii shows that the areas with the most severe physician shortages in Hawaii are West Oahu, Central Oahu and the North Shore of Oahu. Shortages in these areas exceed the Island of Hawaii, Molokai and most of Maui. Shortages of doctors in these areas served by Wahiawa General Hospital means that hospital has served as a safety net for many people. Wahiawa also has had additional uncompensated expenses as it seeks to repair holes that exist in that safety net.

Wahiawa needs financial help from the legislature and the Governor as have other neighbor island rural hospitals in the state. Bridge funding for 2 years will permit the hospital to develop an alternative business model. Wahiawa needs a window of time to restructure so Central Oahu, North Shore and nearby communities will continue to receive healthcare services in the future without having to drive 20+ miles. The money provided by HCR 118 will provide the time needed for the state and other members of the healthcare system analyze and redesign the healthcare system for this vulnerable area of Hawaii.

Testimony to the House Committee on Health

Wednesday, March 23, 2016

State Capitol, Conf. Room 329

**RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73,
REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND
EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL**

Good Morning Chair Belatti, Vice Chair Creagan and Members of the Committee,

I am Craig Thomas, President of Hawaii Emergency Physicians Associated Inc., a group of 70 board certified emergency physicians staffing nine community/rural hospitals on Kauai, Oahu, Molokai and Hawaii Island. Thus I have perspective on the role of rural hospitals, their challenges, and their evolving role in evaluating urgent/emergent conditions.

When I started at Wahiawa 33 years ago medicine was very different. Diagnostic and treatment options were limited. Today, emergency physicians use sophisticated tools to diagnose and cure time sensitive conditions across the state.

WGH characteristics:

- Safety net for nearly one third of Oahu, transport times up to 1 hour
- Serves diverse population, suburban, rural, military
- Approximately 21,535 annual ED visits including 3,285 EMS arrivals
- Averages approximately 30 inpatients
- Greater than 100 SNF patients
- Inpatient geriatric psychiatric service is unique in state
- Only inpatient dialysis capability in Central and Leeward Oahu

Medical services:

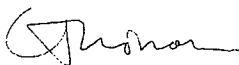

- New expanded ED
- State of the art diagnostics
- Provides emergent treatment for time sensitive conditions
 - Acute myocardial infarction
 - Stroke (pioneered tele-stroke network)
 - Sepsis resuscitation
 - Trauma support facility
 - Responds to mass casualty events (including military)
 - Admits broad spectrum of medical/surgical and orthopedic cases

WGH was a key element managing the surge after the failure of the St. Francis health system. Oahu ambulance re-route (currently 3,120 hrs. annually) soared and inpatients stayed in hallways. None of us wants to experience a similar event again. Currently, WGH accepts transfers, particularly for dialysis, from Queen's West and the Waianae Comprehensive Health Center.

Working across the state I'm constantly reminded the best care keeps patients in their communities, close to families, reserving the tertiary centers for those who need specialized services.

Patients travel up to an hour to our ER. If the hospital closes, time sensitive treatments will be delayed and patients will be hospitalized far from home - likely in crowded facilities. Wahiawa General Hospital is an important link in our health care system and needs your support.

Mahalo,

Craig Thomas, MD

Good Morning Chair Belatti, Vice Chair Creagan and Members of the Committee

My name is Diane Canon, thrice retired administrator and Registered Nurse of Wahiawa General Hospital and the Long Term Care Nursing Facility. I have worked for the hospital for over 40 years. As a nurse, I have had the privilege to serve the people of our community in the capacity as a Licensed Practical Nurse through being the Director of Nurses for both Acute Care Services and the Nursing Facility, plus being the Administrator of The Long Term Care Nursing Facility.

The history of our hospital dates back to the 1940s and I am here today to ask for your financial support for the hospital so that we may continue to provide quality health care in the continuum of care module, for our patients, residents and the communities that surround us. The reciprocal relationship between the Acute Care Services and the Nursing Facility have provided this continuum of care to multiple generations of our communities and the need to continue our services must be preserved going forward. Throughout the years, as an employee of Wahiawa General Hospital and Nursing Facility, I have witnessed its growth in providing for the healthcare needs of the community. We have supported the Central, Leeward and North Shore communities, who have gratefully thanked us for being here for them. Their journey to health care begins in their physicians' offices or our Emergency Department and progress through the Acute Care Services of the Medical-Surgical and/or Intensive Care units or the specialized care of our Senior Behavior unit, utilizing all of the advanced services in Laboratory Testing and Diagnostic Imaging through to Rehabilitation and the extended care services of our Nursing Facility.

Our multi-disciplinary healthcare team collaborate to diagnose, plan, treat and teach our patients how to live a more healthy and productive life. Presently, we have 107 residents in our Skilled Nursing Facility who receive rehabilitation and specialized nursing care. Wahiawa General Hospital is the essential part of providing these services and must continue to be viable in our community. Our skilled nursing patients typically require more care than the free standing long term care facilities provide. Having to relocate all these patients into the present over utilized free standing skilled nursing facilities would be an almost insurmountable task.

I strongly urge the members of this Legislature to enable us to continue our services and keep our hospital sustainable in these difficult economic times. It is the hope of our hospital family, the residents of the Nursing Facility and community that Wahiawa General Hospital will remain here for all who need our services.

Mahalo Nui Loa for your support and consideration to help us save our hospital.

Respectfully submitted,
Diane Cannon, Semi-Retired Registered Nurse

TO WAHIAWA GENERAL HOSPITAL**

REPRESENTATIVE DELLA AU BELATTI, CHAIR
REPRESENTATIVE RICHARD CREAGAN, VICE CHAIR
HOUSE COMMITTEE ON HEALTH

March 23, 2016
8:45am Rm 329

Chair Belatti, Vice Chair Creagan, and Members of the Health Committee;

Thank you for this opportunity to express my STRONG SUPPORT of HCR 118 and HR73, requesting immediate financial assistance for Wahiawa General Hospital. As a life-long resident of Wahiawa, I believe it would be a devastating setback to the Wahiawa community should the hospital close, as well as a critical health and safety crisis for the larger community serviced by Wahiawa General.

As you no doubt already know, major changes have been occurring in the healthcare marketplace in the Central Oahu area that includes Mililani, Waiialua, Kahuku, Sunset Beach, as well as Wahiawa. These changes have been ongoing for a long time. Over the years, WGH has lost doctors to either the former St Francis West or Hawaii Pacific Health's Pali Momi Medical Center. This has significantly affected inpatient admissions and consequently, the Family Medicine Residency Program and other endeavors at the hospital.

Currently, the major revenue driver of inpatient admissions has decreased significantly after QMCW reopened, affecting a drop in WGH patient revenue by 14%, amounting to \$7.5 million in FY 2015. Unfortunately, the revenue drops have caused average operating losses of approximately \$3 million per year for the last 3 years. As a result, WGH has been forced to defer certain payables to even meet payroll. In addition, there has been no employee pay increases for the last 3 years, and employee health insurance premiums increasing by \$1 million has further shaken the hospital's financial stability.

I personally give the good people at WGH credit for doing everything in their power to remain solvent. They need help to continue the fight, and it is absolutely imperative that we come to the aid of an institution that is an integral part of the history of Wahiawa and hopefully, its future.

On a very personal note; my dad was admitted to WGH's Nursing and Rehab facility last December as a hospice patient. The personal attention he received from the nursing staff was simply the best. My family and I will be forever grateful that my dad's last days on earth were as comfortable and as caring as possible. For all of these reasons, and many more, I respectfully urge your support for both these important resolutions.

Testimony to the House Committee on Health
Wednesday, March 23, 2016
State Capitol, Conf. Room 329

RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Susan Rich, I am the Assistant Administrator for Quality and Regulatory Compliance at Wahiawa General Hospital. I was recruited from the mainland to help WGH with their Joint Commission readiness and quality initiatives. I have been in this position for more than seven years.

The main reason I support WGH is because of the people. There are many wonderful people that work at WGH because it's like family. Actually, it's not unusual for several members of a family to work there. It's also not unusual for those same people to use WGH's services. Whether it's a visit to the ED, another outpatient service or when the hospital or long term care is needed, Wahiawa General Hospital has been there to support our community and surrounding community. Ninety percent of our employees live in our service area.

One of my roles at WGH is to stay abreast of the ever changing quality initiatives and regulatory expectations for the acute care setting. I am proud to say that when compared to state and national quality measures, we fall within or above average. Actually our last core measure composite score for the Joint Commission was 97 percent. The composite score is the sum of 50 accountability measures required by the Joint Commission as part of its accreditation process.

Some of our Emergency Department throughput times for care are faster than either the state or national numbers. That means that patients are seen quicker, treated and discharged, admitted or transferred faster. The location of our ED is critical to central, North Shore and the surrounding communities. WGH serves as a safety net for these communities. Without our services, the people of the communities will suffer. We treat over 20,000 emergency patients annually.

We are the closest hospital to the North Shore. Since I have been at WGH there have been several drownings that miraculously survived because we were there to treat them. One was a physician from the mainland visiting his son in the military. He later contacted us to say how well our ED functioned and the care he received was instrumental in saving his life. We have had births in our ED and if we had not been here, the babies may not have survived.

WGH provides invaluable services to the people of our communities.

1. State of the art ED, completely renovated with Board Certified physicians.
2. 107 bed long term care facility that makes it easy for the residents to have their family members close by for visits.
3. Tele stroke program that is affiliated with Queens's neuro science department. This program provides real time interaction and consulting with the neurologist at Queens. Time is of the essence for all stroke patients. The delay in treatment can mean the difference between having a normal life and living with permanent disability.
4. We are affiliated with Pali Momi's heart program. This program is critical for patients that are having a heart attack to receive immediate care and transfer for more invasive treatment if needed.
5. WGH serves as a training center for future healthcare workers.

The following is a partial list of programs we support:

- The Family Practice Residency program—being transferred to Pali Momi but still partially at WGH,
- Local and mainland medical students,
- Seven Registered Nursing Schools,
- One LPN Program,
- Two CNA Programs
- Both private and public local schools send their students to volunteer at WGH

These are just a few examples of how we serve our communities, our service men and women and visitors to the island.

My hope is that the Legislature will recognize the value that WGH provides to not only the surrounding communities but also by decompressing patient/resident volumes to the larger hospitals and long term care facilities. We all remember what happened when HMC West closed and the strain it caused to each and every healthcare service on the island including the Emergency Management System. There's no denying that the time it would take to transport a critical patient from the North Shore to the closest hospital could mean life or death.

I would like to thank you for the opportunity to express our concerns in this very urgent matter that has the potential to affect all of Oahu's healthcare system. I would also like to thank the people of the community and the hospital staff for their outpouring of support for our hospital.

Respectfully submitted,

Susan Rich RN, Assistant Administrator Quality and Regulatory Compliance

**Subject: HCR 118 - REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII
TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO
WAHIAWA GENERAL HOSPITAL**

Aloha Chair Au Belatti and Members of the Health Committee,

I am urgently implore your support for HCR 118 which would provide needed funding to keep our community hospital open and continue to provide services for our Central Oahu and North Shore neighborhoods. While economic changes drastically challenge the survival of our Wahiawa General Hospital (WGH), I want you to understand the common fear of all of our rural residents upon hearing of the possible closing of the hospital.

1. I am currently a Mililani resident that has utilized the Emergency Room services, which is 8 minutes away, for my children and myself. Without the WGH, we would be forced to go to Pali Momi Hospital, which is 25 minutes away including the constant traffic congestion.
2. I grew up in Wahiawa, attended Wahiawa Elementary, Intermediate, graduated from Leilehua High School, and my 92-year old mom still lives in Wahiawa, so you know that we still depend on WGH. In 1988, my dad was hospitalized there and the doctors and staff did their best and took great care of him until he succumbed to cancer. We were grateful for their compassionate care.
3. Within the past 10 years, we rushed my mom to the Emergency Room for various incidents, and we were pleasantly surprised with all the great improvements, advancements, and special patient care being given by the doctors and nurses. Of course, we know that my mom may not have survived her heart attack or stroke if the ambulance had to take her to Pali Momi. Whew!
4. Finally, on my mom's last incident in 2015, she was rushed to the ER, admitted and being observed for her pains and fatigue. She rested and on the morning of her planned discharge, the doctor felt that something was noticeable about her heart and scheduled a check-up with the hospital cardiologist. Immediately, he scheduled surgery to implant a pacemaker. No wonder she was always feeling so tired. Doctor said, "Now you are good for 10 more years!"

There are thousands of life-saving stories about WGH. Please, please know that your decision affects so many human lives that you are saving! Unlike residents in Honolulu who have the convenience of medical care, our rural town is deprived of that equality. I hope you feel the passion of everyone who has special memories of WGH, and that your compassion guides your decision to help save our Wahiawa General Hospital. Thank you for your kind consideration to support HCR 118.

In gassho,

Rene Mansho

Testimony to the House Committee on Health
Wednesday, March 23, 2016
State Capitol, Conf. Room 329

RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

Dear Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Ed Korybski, and I am the Executive Director of the North Shore Chamber of Commerce. I am submitting written testimony in SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73. Both request the Governor and the Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital.

Wahiawa General Hospital is an essential medical facility in Central and North Shore Oahu. It is the only facility that provides emergency medical services in a vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset, and Kahuku. This area encompasses nearly one-third of the entire Island of Oahu.

The closure of Wahiawa General Hospital would have enormous ramifications to the health, welfare, and safety of these communities. If Wahiawa General Hospital was to close, the nearest emergency room for a person situated in Wahiawa would be either Pali Momi near Pearlridge Center, or Queen's West – both of which are approximately 13 miles away.

For a person living in Waialua or Sunset or Kahuku, the distance would be 20 miles instead of the 8 miles it is to go to Wahiawa General Hospital. In a case of a critical accident or sickness, the extra miles it takes to get a person to an emergency room might be the difference between life and death.

Furthermore, Wahiawa General Hospital is one of the largest employers in Central Oahu with approximately 90% of its workers residing in the surrounding areas. Most of the employees are members of the ILWU, UPW, and HNA unions. These are very good-paying, professional jobs. The closure of Wahiawa General Hospital would be devastating to entire families as heads of households will need to seek reemployment while keeping up payments for the mortgage, putting food on the table, and doing all they can to make life "normal" for their children and families.

"We exist to promote, maintain and encourage the historic, cultural, civic and economic welfare of the North Shore District through research, education, advocacy and other related activities."

It is vital that Wahiawa General Hospital remain operational. For these reasons, I respectfully urge your SUPPORT for these resolutions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ed Korybski". The signature is fluid and cursive, with the first name "Ed" being particularly prominent.

CLYDE T. HAYASHI - DIRECTOR**

THE HOUSE
THE TWENTY-EIGHTH LEGISLATURE
REGULAR SESSION OF 2016

COMMITTEE ON HEALTH
Representative Della Au Bellati, Chair
Representative Richard Creagan, Vice Chair

DATE: Wednesday, March 23, 2016
TIME: 8:45 a.m.
PLACE: Conference Room 329
State Capitol
415 South Beretania Street

TESTIMONY ON HOUSE CONCURRENT RESOLUTION NO. 118, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

TO THE HONORABLE DELLA AU BELATTI, COMMITTEE CHAIR, RICHARD CREAGAN, COMMITTEE VICE CHAIR; AND MEMBERS OF THE COMMITTEE:

My name is Clyde T. Hayashi, and I am the Director of Hawaii LECET. Hawaii LECET is a labor-management partnership between the Hawaii Laborers Union, Local 368, and its unionized contractors.

Mahalo for the opportunity to testify in **STRONG SUPPORT** of House Concurrent Resolution No. 118, which requests for both the Governor and the State Legislature to provide immediate financial assistance to Wahiawa General Hospital.

Many of our members and their families live in the affected area. Hawaii LECET believes that it is imperative to provide funding for Wahiawa General Hospital in order to keep it operational, as it is the only facility that provides emergency medical services for the area extending from Mililani to Wahiawa, Waialua, Haleiwa, Sunset Beach, and Kahuku. Without these services, the nearest emergency room facility would be either Pali Momi or Queen's West, which are both approximately 13 miles farther away. For the critically ill or injured, the additional time required to go to a facility located further away, especially during high traffic periods, could be the difference between life and death.

We also have many contractors and members who work on projects in the affected area. If any of them should unfortunately get hurt on the job, having the Wahiawa General Hospital emergency room close by is extremely important.

In addition, Wahiawa General Hospital is the largest employer in Central Oahu, providing more than 600 jobs, many of them for full-time employees that are members of the ILWU, UPW and HNA Unions. The closure of Wahiawa General Hospital would be devastating to entire families and to those who need urgent medical care within the community. It is of utmost importance that Wahiawa General Hospital remain operational.

For these reasons, Hawaii LECET **strongly supports HCR 118.**

HCR118 Requesting the Governor and the Legislature of the State of Hawaii to Provide Immediate and Emergent Financial Assistance to Wahiawa General Hospital

Good morning, Chair Belatti, Vice Chair Creagan and members of the Committee on Health.

Lanakila Pacific supports HCR118. Lack of funding for Wahiawa General Hospital will create a vacuum of care that would be devastating. It would leave hundreds of people not only in Wahiawa but in surrounding areas from North Shore to Mililani without quick access to emergency services. The time difference between dispatching from Wahiawa General Hospital versus the next closest hospital in Ewa or Aiea could literally become an issue of life and death for patients.

Additionally, Wahiawa General Hospital is the largest private employer in Wahiawa, creating and maintaining a workforce of approximately 600 employees (380 FTE's). About 90% of its employees live within Wahiawa, or its surrounding North and West communities. Wahiawa General Hospital is not only vital to the town itself in terms of public health and welfare but absolutely necessary to its residents economically.

Lanakila Pacific is a 76 year old Hawaii-based non-profit organization, whose mission is to build independence for challenged lives. Our programs include Teaching and Learning Centers (TLC) in Wahiawa and Honolulu, which teach over 120 adults with disabilities how to become more independent. TLC participants, including those in our Wahiawa program, have a variety of disabilities and health needs that could be compromised should they be required to travel a great distance for emergency medical care.

Thank you for the opportunity to provide testimony in support of the intent of this measure.

Respectfully submitted,

Marian E. Tsuji
President & CEO

Testimony to the House Committee on Health

Wednesday, March 23, 2016

State Capitol, Conf. Room 329

RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Joseph Acosta, and I am a resident of Waipio Gentry. I served in the Honolulu Police Department for 16 years, with the last 3 stationed in D2 – Mililani, Wahiawa, North Shore area. I am submitting written testimony in SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73. Both request the Governor and the Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital. Wahiawa General Hospital is an essential medical facility in Central and North Shore Oahu. It is the only facility that provides emergency medical services in a vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset, and Kahuku. This area encompasses nearly one-third of the entire Island of Oahu.

The closure of Wahiawa General Hospital would have enormous ramifications to the health, welfare, and safety of these communities. If Wahiawa General Hospital was to close, the nearest emergency room for a person situated in Wahiawa to Kahuku, would be either Pali Momi near Pearlridge Center, or Queen’s West – both of which are at least 13 miles away. In a case of a critical accident or sickness, the extra miles it takes to get a person to an emergency room might be the difference between life and death. Personally, as a former Police Officer, Wahiawa General Hospital was critical resource for the Wahiawa station. In addition, in my new role as Executive Director of ALEA Bridge, Wahiawa General Hospital plays an important role in providing emergency medical services to the homeless population that we serve.

Furthermore, Wahiawa General Hospital is one of the largest employers in Central Oahu with approximately 90% of its workers residing in the surrounding areas. Most of the employees are members of the ILWU, UPW, and HNA unions. These are very good-paying, professional jobs. The closure of Wahiawa General Hospital would be devastating to entire families as heads of households will need to seek reemployment while keeping up payments for the mortgage, putting food on the table, and doing all they can to make life “normal” for their children and families.

It is vital that Wahiawa General Hospital remain operational. For these reasons, I respectfully urge your SUPPORT for these resolutions.

Very Respectfully,

Joseph I. Acosta

The Twenty-Eighth Legislature
Regular Session of 2016

HOUSE OF REPRESENTATIVES

Committee on Health

Rep. Della Au Belatti, Chair

Rep. Richard P. Creagan, Vice Chair

State Capitol, Conference Room 329

Wednesday, March 23, 2016; 8:45 a.m.

**STATEMENT OF THE ILWU LOCAL 142 ON HCR 118 AND HR 73
REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII
TO PROVIDE IMMEDIATE AND EMERGENCY FINANCIAL ASSISTANCE TO
WAHIAWA GENERAL HOSPITAL**

The ILWU Local 142 is in strong support of HCR 118 and HR 73, which will provide needed financial assistance to Wahiawa General Hospital.

The ILWU represents 60 full- and part-time employees who work at Wahiawa General Hospital performing various clerical functions in the business office, admissions, medical records, storeroom, and as unit clerks. The hospital has cut back on its clerical staff due to financial challenges over the years.

Wahiawa General Hospital has struggled for many years. Undercapitalized, the hospital has not been able to take on the major renovations and upgrades that would help make it more competitive.

Nevertheless, Wahiawa General Hospital serves a vital role in the community. It is the only hospital for most of Central Oahu. The nearest hospitals are Queen's Medical Center West in Ewa Beach and Pali Momi Medical Center in Aiea to the south and west and Kahuku Hospital to the north and east. Wahiawa General Hospital provides nearby communities with acute inpatient care, emergency room services, and long-term care. Wahiawa General is also the largest private employer in Central Oahu.

Many of our members and retired members live and work in the area served by Wahiawa General Hospital. When they need emergency care, they are fortunate to have a fully staffed and recently modernized emergency room nearby. When their elderly parents need long-term care, they are relieved that a skilled nursing facility is close by to allow them to visit frequently. When they or their children need to be hospitalized for surgery or other medical issues, they are grateful to have acute care provided near their homes.

Hospitals like Wahiawa General are costly to operate but are vitally needed by the population they serve. As a nonprofit corporation, Wahiawa General Hospital exists to serve the community's health care needs. If Wahiawa General closes, and the threat is real, thousands of Hawaii residents in Central Oahu will be left with minimal health care, jeopardizing the lives of cardiac patients and diminishing the well-being of a huge swath of the community.

Wahiawa General Hospital is in a state of emergency and in need of immediate financial assistance. We strongly urge the Legislature to find a way to financially support Wahiawa General Hospital at this time of dire need so it can continue to provide for the medical needs of the community.

The ILWU urges adoption of HCR 118 and HR 73. Thank you for considering our testimony on these resolutions.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112 requesting the Governor and Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

**HOUSE OF REPRESENTATIVES
THE TWENTY-EIGHTH LEGISLATURE
2016
H.C.R. NO.118**

REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

IN SUPPORT

I submit this testimony on my own behalf, as Joy Mahiko. I am also a faculty member at Leeward Community College, Office of Continuing Education and Workforce Development, Healthcare Programs. On my own behalf, I support this measure.

The closure of Wahiawa General Hospital (WGH) will not only be devastating upon families that reside in Wahiawa and its nearby towns and villages, but will be detrimental upon efforts to promote health and nursing education throughout the State, a state that is geographically isolated from the US and experiencing a shortage in healthcare workers.

WGH's Education Department has served many other public and private education institutions across the State by providing a clinical site where students can gain valuable experience in their future role as a healthcare provider. WGH, being located in a rural and remote area, has been valuable to our Leeward students who otherwise would have limited access to professional education.

I urge you to provide immediate and emergent financial assistance to Wahiawa General Hospital so they can continue to provide the highest quality of clinical experience for our aspiring healthcare providers!

Mahalo

**Testimony to the House Committee on Health
Wednesday, March 23, 2016
State Capitol, Conf. Room 329**

**RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73, REQUESTING
THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE
IMMEDIATE AND EMERGENCY FINANCIAL ASSISTANCE TO WAHIAWA GENERAL
HOSPITAL.**

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

I am submitting written testimony in SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73. Both ask the Governor and the Legislature of the State of Hawaii to provide emergency financial assistance in the amount of \$6 million to Wahiawa General Hospital for continued operation of the facility.

Wahiawa General Hospital is the only large medical facility that provides emergency medical services in an area extending from Mililani to Wahiawa, Waiialua, Sunset, and Kahuku. This area encompasses nearly one-third of the entire Island of Oahu.

The closure of Wahiawa General Hospital would have very negative ramifications to the health, welfare, and safety of these communities. The nearest emergency room for a person situated in Wahiawa would be either Pali Momi near Pearlridge Center, or Queen's West – both of which are approximately 13 miles away.

For anyone in Waiialua, Sunset or Kahuku, the distance would be 20 miles instead of 8 miles to Wahiawa General Hospital. In a case of a critical accident or sickness, the extra miles it takes to get a person to an emergency room might mean the difference between life and death.

In addition, Wahiawa General Hospital is one of the largest employers in Central Oahu with approximately 90% of its workers residing in the surrounding areas. Most of the employees are members of the ILWU, UPW, and HNA unions. These are good paying, professional jobs. The closure of the hospital would devastate entire families as heads of households seek reemployment in areas much further away. This would affect the quality of life for many.

It is vital that Wahiawa General Hospital remain open and operational. For these reasons, I respectfully urge your SUPPORT for these resolutions.

Malama pono,

Kathleen M. Pahinui

To Whom This May Concern,

Please support House Concurrent Resolution 118 (HCR118) to provide funding for the Wahiawa General Hospital (WGH). Wahiawa General Hospital is the only facility that provides emergency medical services in a vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset, and Kahuku, an area encompassing nearly one-third of the entire Island of Oahu. If WGH were to close, the nearest emergency room for a person living in Wahiawa would be approximately 13 miles away. For a person living in Waialua or Sunset or Kahuku, the distance would be 20 miles instead of the 8 miles it is to go to WGH. WGH is the largest employer in Central Oahu, employing more than 600 jobs. Please take heart and provide the much needed support for WGH.

Mahalo,

Comments: Dear Sir/Madam: I strongly support this resolution. The need for a healthcare facility for the central and north shore communities of Oahu is critical. My wife and I were born in Wahiawa General. My children were also born in Wahiawa General over 40 years ago. At a minimum, the need for an Urgent Care or Emergency facility is critical. Supporting an acuter care hospital may be difficult. The hospital has undergone many years of financial challenges just staying open. Providing the assistance needed for an urgent care center/ emergency center, especially for the aged, is very important. This kind of assistance from the state is needed for the Wahiawa/Waiialua/ Haleiwa communities. Thank you for your support in this.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.

FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.**

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Susan Okamura, and I am a resident of Mililani. I am submitting written testimony in SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73. Both request the Governor and the Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital.

Wahiawa General is a hospital is an integral part of the Central Oahu Community. Not only is it Wahiawa's largest private employer and the only provider of a state of the art emergency room closest to the North Shore, but it is **the only** acute care hospital that offers a **Senior Behavioral Health Unit** and a **Continuum of care** for the growing geriatric population.

I worked at Wahiawa General for several years as a Speech Pathologist who specialized in swallowing disorders caused by stroke, head injury, cancer, dementia and Alzheimer's disease. While I worked at the hospital, a significant part of my caseload consisted of patient's admitted to the Senior Behavioral Health Unit due to difficulty eating or swallowing which is common among the aging population. Many of these patients came from communities outside of Wahiawa and were either diagnosed with Dementia, Alzheimer's disease or were in the process of being evaluated. Although they varied in their diagnosis, they shared one commonality; their behavior issues could no longer be safely managed by their caregiver. While the patient was in the hospital's secured unit, they received a comprehensive evaluation from a multidisciplinary team of health care providers who also devised a treatment program and worked with the caregivers on discharge planning, training and education. To my knowledge, this is the **only accredited program in the state.**

Lastly, if you are a child of the 50's or 60's, you are my contemporary and are now part of the "sandwich generation." Our generation is faced with the double burden of not only caring for our own children but for our aging parents as well. **By 2035, the**

older adult population in Hawaii is projected to be 474,586 individuals who are 60 years or older they will represent 29.7% of the total population (from a report by the Hawaii State Plan on Aging, October 1, 2011 - September 30, 2015).

Wahiawa General is uniquely designed to service this growing population. The hospital can receive a geriatric patient through their Emergency Room, transport them to the Intensive Care Unit to become medically stable, complete their medical recovery on their Medical/ Surgical Unit and transfer them to their 107 bed Skilled Nursing Facility for rehabilitation. It is the only hospital in Central Oahu that provides this continuum of care under one facility.

I am hopeful that as leaders and policy makers of this great state, you will have foresight and save Wahiawa General.

Eryle Okamura
95-749 Lauaki St.
Mililani, Hawaii 96789

March 20, 2016

Testimony to the House Committee on Health Wednesday, March 23, 2016 State Capitol, Conf. Room 329

RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Eryle Okamura. This written testimony is in SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73, requesting the Governor and the Legislature of the State of Hawaii to support the urgent financial needs of Wahiawa General Hospital.

I am a resident of Mililani Town, but was born and raised in Wahiawa. Along with my three other siblings we represent the third generation of my family calling Wahiawa "our home town".

Wahiawa General Hospital was vital to my wellbeing early in my life as I was a sickly child. In grade school, I was stricken with illness and injuries many times. Sometimes, these required advanced care and necessary hospital stay. Having the hospital nearby allowed quick transportation to and from our home. For my parents, it meant that their children had immediate healthcare that was readily accessible. While in the hospital, it allowed them the comfort of being able to see me often. It also meant less stress for them without having to take more time off from their respective jobs.

Without question, Wahiawa General Hospital was, and is, an essential resource to the geographic area of this island. Currently, it is the only emergency facility serving Mililani to Kahuku. This represents about one-third of the geographic area of this island. Closing this hospital will certainly jeopardize the health of many residents.

I also understand that approximately 90% of Wahiawa General Hospital's employees come from the same area it serves. In these economic times, the closure of this hospital will bring extreme financial difficulties upon many families who depend on their income.

For the reasons stated above, I respectfully urge your SUPPORT for these resolutions.

Testimony to the House Committee on Health Wednesday, March 23, 2016 State Capitol, Conf. Room 329

RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

Chair Belatti, Vice Chair Creagan, and Members of the Committee: My name is Roberts "Bob" Leinau, and I am an aging resident of Oahu's scenic North Shore. I am submitting written testimony in SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73. Both request the Governor and the Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital. Wahiawa General Hospital is an essential medical facility in Central and North Shore Oahu. It is the only facility that provides emergency medical services in a vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset, and Kahuku. This area encompasses nearly one-third of the entire Island of Oahu. The closure of Wahiawa General Hospital would have enormous ramifications to the health, welfare, and safety of these communities. If Wahiawa General Hospital was to close, the nearest emergency room for a person situated in Wahiawa would be either Pali Momi near Pearlridge Center, or Queen's West – both of which are approximately 13 miles away. For a person living in Waialua or Sunset or Kahuku, the distance would be 20 miles instead of the 8 miles it is to go to Wahiawa General Hospital. In a case of a critical accident or sickness, the extra miles it takes to get a person to an emergency room might be the difference between life and death. Furthermore, Wahiawa General Hospital is one of the largest employers in Central Oahu with approximately 90% of its workers residing in the surrounding areas. Most of the employees are members of the ILWU, UPW, and HNA unions. These are very good-paying, professional jobs. The closure of Wahiawa General Hospital would be devastating to entire families as heads of households will need to seek reemployment while keeping up payments for the mortgage, putting food on the table, and doing all they can to make life "normal" for their children and families. It is vital that Wahiawa General Hospital remain operational. For these reasons, I strongly support this measure.

Mark Seery	Individual	Support	No

Comments: Dear Representatives, I am requesting that you do everything within your powers to keep Wahiawa General Hospital open. It is my belief that lives are literally in the balance. This is due to the proximity of other medical facilities to the North Shore. We all can recall the challenges that the People of the Leeward side experienced when St. Francis West was closed. With any substantial traffic delay to H2, travel along Kamehameha Highway would be time consuming to get to one of the other medical facilities. In addition to the lives that may be lost and the need for close, urgent and less acute care, the hospital employs a great deal of people. It is with these thoughts that I respectfully request that the House and Senate bodies make available the needed funds to keep Wahiawa General Hospital open to serve the public. Mahalo, Mark Seery

March 21, 2016

Senators and Representatives of the Hawaii State Legislature:

My name is Lynn Muramaru and I am a licensed medical social worker and Certified Case Manager with over 35 years of experience in Hawaii. I am submitting testimony today to respectfully request that the State approve the emergency funds requested to keep the doors of Wahiawa General Hospital open.

Besides servicing the needs of the growing Central Oahu residents, Wahiawa General is also the home to Wahiawa Senior Behavioral Health. This is the only inpatient geriatric psychiatry facility in the state. I can't begin to count the number of families who I have referred for their services over the years. Families who time after time get turned away from inpatient psychiatric facilities at Queen's, Castle, and Kahi Mohala. Families who have no place to turn to for help. It is extremely difficult for seniors on Medicare to find geriatricians and psychiatrists who accept Medicare. The wait for outpatient services is long. Families who can no longer care for loved ones due to severe behavioral problems that make them difficult if not impossible to find long term care placement for. As a medical social worker, I can tell you there is no substitute for this services anywhere in Hawaii and I wish there was one on every island!

As a former resident of Mililani and former social worker for the dialysis facility opposite the ER, I can attest that this hospital was there when my mother suffered a severe allergic reaction to new medication. They were there for my friend who was severely injured hiking on the north shore. They were there for renal patients I cared for when they needed ER care. They were there for me when I needed urgent surgery and they were the only facility who could accommodate me for diagnostic tests in the time frame I needed them.

I urge you to please help this much needed community hospital stay open. With rail construction in Pearl City, severe traffic, and other hospitals often on divert due to full ERs the residents of Central Oahu need this facility to stay open.

Thank you for the opportunity to submit testimony to you and please expend the funding needed!

Sincerely,

Lynn Muramaru, LSW, CCM
Kapolei, HI 96707

PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA
GENERAL HOSPITAL**

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

PLEASE, PLEASE, PLEASE SAVE Wahiawa General Hospital (WGH) as it is the closest emergency facility for people in Central Oahu as well as the outlying North Shore communities. My family members and I have been treated at WGH Emergency as well as at the WGH Clinic on several occasions. It is vital that WGH be saved as it also provides Skilled Nursing Long-Term Care service and presently, there is a great shortage of Care facilities for the increasing number of Seniors requiring this type of care. Closing WGH will also adversely displace 600+ employees.

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR150 and SR 112 requesting the Governor and Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital.

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital

Wahiawa General Hospital has the only inpatient geriatric psychiatry unit on Oahu. This is an invaluable resource for diagnosing and treating the elderly who are confused or combative due to their dementia. Without treatment the combative elderly patient is extremely difficult to care for at home or even in a Nursing Home. These patients then end up in an acute hospital bed for long periods of time making those beds unavailable for other acute care patients. Closing the geriatric psychiatric unit will have adverse effects throughout the state's medical system.

**RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73,
REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO
PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA
GENERAL HOSPITAL.**

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

Aloha and mahalo for allowing me to submit testimony on behalf of Wahiawa General Hospital, HCR 118. My name is Gregory Lee and I have been a lifelong resident of Wahiawa. In my family Wahiawa General Hospital (WGH) has been an integral part of our lives as far back to the 1940's. My parents met at WGH while both were employed there. I was born there in 1959. My mother was employed as a nurse and spent her entire career at WGH, from 1946 to 1996. My grandparents, parents, aunts, uncles, siblings, cousins and children received medical care there.

I am well aware of the financial struggles the hospital has faced in recent years, having served as a volunteer hospital board member in the early 2000's. It was tough then and it hasn't gotten easier. Medical costs continue to outpace inflation. That said, to the vast majority of residents medical care is like food; it is sought no matter the cost. Among life's priorities, people list health as #1 or #2.

I have watched with great interest the actions of the legislature the past several years. Significant funds have been allocated to rescue Kahuku Hospital and several of the State run hospitals on Kauai, Big Island, and most recently Maui. It appeared to me that access to care for those residents served by these facilities was deemed vital enough by past legislatures to secure (significant) funding. I strongly feel that for the Central Oahu and North Shore communities, it is our turn for the legislature to help ensure we have timely access to care. In my mind, we have not received the level of funding (of any kind) as so many other parts of the State have received. We are not asking for much, and we are asking for help with a vital area of concern. I ask for favorable consideration of the funding request to help Wahiawa General Hospital.

Respectfully Submitted,

Gregory A. Lee

Honorable Rep. Della Au Belatti
Chairperson
House of Representatives Committee on Health
State Capitol
Honolulu, HI 96813

**Subject: HCR 118 - REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII
TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO
WAHIAWA GENERAL HOSPITAL**

Aloha Chair Au Belatti and Members of the Health Committee,

I am urgently implore your support for HCR 118 which would provide needed funding to keep our community hospital open and continue to provide services for our Central Oahu and North Shore neighborhoods. While economic changes drastically challenge the survival of our Wahiawa General Hospital (WGH), I want you to understand the common fear of all of our rural residents upon hearing of the possible closing of the hospital.

1. I am currently a Mililani resident that has utilized the Emergency Room services, which is 8 minutes away, for my children and myself. Without the WGH, we would be forced to go to Pali Momi Hospital, which is 25 minutes away including the constant traffic congestion.
2. I grew up in Wahiawa, attended Wahiawa Elementary, Intermediate, graduated from Leilehua High School, and my 92-year old mom still lives in Wahiawa, so you know that we still depend on WGH. In 1988, my dad was hospitalized there and the doctors and staff did their best and took great care of him until he succumbed to cancer. We were grateful for their compassionate care.
3. Within the past 10 years, we rushed my mom to the Emergency Room for various incidents, and we were pleasantly surprised with all the great improvements, advancements, and special patient care being given by the doctors and nurses. Of course, we know that my mom may not have survived her heart attack or stroke if the ambulance had to take her to Pali Momi. Whew!
4. Finally, on my mom's last incident in 2015, she was rushed to the ER, admitted and being observed for her pains and fatigue. She rested and on the morning of her planned discharge, the doctor felt that something was noticeable about her heart and scheduled a check-up with the hospital cardiologist. Immediately, he scheduled surgery to implant a pacemaker. No wonder she was always feeling so tired. Doctor said, "Now you are good for 10 more years!"

There are thousands of life-saving stories about WGH. Please, please know that your decision affects so many human lives that you are saving! Unlike residents in Honolulu who have the convenience of medical care, our rural town is deprived of that equality. I hope you feel the passion of everyone who has special memories of WGH, and that your compassion guides your decision to help save our Wahiawa General Hospital. Thank you for your kind consideration to support HCR 118.

In gassho,

Rene Mansho

**RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73 –
REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO
PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA
GENERAL HOSPITAL.**

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

I write in favor of House Concurrent Resolution No. 118, and House Resolution No. 73, which request the Governor and the Legislature to provide immediate and emergent financial assistance to Wahiawa General Hospital (WGH).

WGH, like many small private hospitals, has been struggling to keep open due to increased federal regulations and a dynamic and changing health care market. However, the closure of this long-time community institution would bring about hardship not only for the people of the North Shore, Wahiawa, and Mililani, but would also be a blow to the heart of the community.

As a registered nurse who was employed there for twenty-five years, the thought of WGH closing is very painful.

WGH has much potential and serves the community in many ways. One unique feature is the Geriatric Mental Health Unit which has served the people for several years. This is the only facility of its kind in the State.

A beautiful new emergency room is now open to serve the community, many of whom walk in the door from surrounding neighborhoods. The Legislature appropriated \$6 million several years ago to support the renovation, and it is strategically placed to receive patients from North Shore beaches where they can be stabilized before moving to a more critical facility.

We complain about the overcrowding at our State Hospital, yet here is an opportunity to use this facility to ease the tension.

With the closure of two state long-term care facilities, there is more than ever the need to maintain a hospital that recognizes and provides for the elderly in the community.

Testimony of Marilyn B. Lee

House Concurrent Resolution No. 118/House Resolution No. 73

March 23, 2016

Page 2

The aid requested in this resolution would be temporary until WGH can find a way to partner with others and/or to develop services that will increase the revenue stream.

There is a place in Hawaii for the small community hospital, especially one that has such a long and distinguished record of community service. Please approve House Concurrent Resolution No. 118/House Resolution No. 73, and do all you can to save WGH.

Thank you for this opportunity to submit written testimony.

Testimony to the House Committee on Health

Wednesday, March 23, 2016
State Capitol, Conf. Room 329

RE: HOUSE CONCURRENT RESOLUTION NO. 118, HOUSE RESOLUTION NO.73,
REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE
IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

To the Honorable, Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Joy Kimura, and I am submitting written testimony in **SUPPORT** of House Concurrent Resolution No. 118 and House Resolution No. 73. Both request the Governor and the Legislature of the State of Hawaii to provide immediate financial assistance to Wahiawa General Hospital.

Wahiawa General Hospital is the only facility that provides emergency medical services in a vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset Beach, and Kahuku. This area encompasses nearly one-third of the entire Island of Oahu. For the people who live and work in these areas, it is crucial for them to have access to an emergency medical facility located near these communities. If Wahiawa General Hospital were to close, the nearest emergency room for a person situated in Wahiawa would be either Pali Momi near Pearlridge Center, or Queen's West – both of which are approximately 13 miles away. For a person living in Waialua, Sunset Beach or Kahuku, the distance to these hospitals would be 20 miles instead of the 8 miles it takes to arrive at Wahiawa General Hospital. For the critically ill or injured, this extra distance may be the deciding factor between life and death.

In addition, Wahiawa General Hospital is one of the largest employers in Central Oahu with approximately 90% of its workers residing in the surrounding areas. Most of the employees are members of the ILWU, UPW, and HNA unions. The closure of Wahiawa General Hospital would be financially devastating to entire communities as many residents will need to seek reemployment. It is vital that Wahiawa General Hospital remain operational. For these reasons, I respectfully request your SUPPORT for HCR 118 and HR 73.

Sincerely,

Joy Kimura

Comments: As both a long time resident of Waialua and 25 yr+ Haleiwa business owner it is imperative that the Wahiawa Hospital is maintained to serve various surrounding communities including both residents and the 2.5m tourists who visit our north shore communities on an annual basis. Our community hosts many outdoor sports activities for adults and children and injuries happen many where timing is of the essence for medical treatment. I have personally experienced two emergencies and was grateful to have the services of Wahiawa Hospital and received satisfactory care. Glven Oahu's traffic and infrastructure challenges it is not reasonable to expect North Shore residents to be expected to have to travel to Leeward or Pearl City for emergency medical care. Please maintain and funding for Wahiawa.

Comments: HCR 118/HR 73 – REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL. Chair Belatti, Vice Chair Creagan and members of the Committee, thank you for this opportunity to testify in support of HCR 118/HR 73 which requests the governor and legislature to provide financial assistance to Wahiawa General Hospital. Wahiawa General Hospital has served the people of Central Oahu and the North Shore for over 70 years. For more than 20 years, the hospital has been an important partner of the John A. Burns School of Medicine (JABSOM) Family Medicine Residency Program. Wahiawa General Hospital is also the largest private employer in Wahiawa, providing jobs for hundreds of individuals. Over the last several years, the hospital has suffered financially due in part to decreased reimbursement from the federal government. Wahiawa General Hospital needs critical support from the state at this time to keep its doors open. The closure of yet another hospital could result in serious consequences for the state. Please support HCR 118/HR 73.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.

The Honorable Della Au Belatti, Chair
and Members of the Committee
on Health
Hawaii House of Representatives
Hawaii State Capitol
415 South Beretania Street, Room 329
Honolulu, Hawaii 96813

Dear Chair Belatti and Members of the Committee on Health:

Subject: HCR118 and HR73, Requesting the Governor and the Legislature of the State of Hawaii to Provide Immediate and Emergent Financial Assistance to Wahiawa General Hospital

As a lifelong resident of Central Oahu, I **strongly support** HCR118 and HR73. Wahiawa General Hospital provides vital services to many people, including the residents of Central Oahu, visitors to the North Shore, and military families. I urge you to pass these resolutions.

Sincerely,
LORI KUNIOKA

March 22, 2016

Representative Della Au Belatti, Chair
Representative Richard P. Creagan, Vice Chair
Members, House Committee on Health

Re: **IN SUPPORT**
H.C.R. No. 118 – Requesting the Governor and the Legislature
of the State of Hawaii to Provide Immediate and Emergent
Financial Assistance to Wahiawa General Hospital

Dear Representatives Belatti, Creagan and Members:

As a concerned resident of Central Oahu, I am writing to express my strongest concern over the possible closure of Wahiawa General Hospital ("WGH"). Closing the hospital would have several negative consequences for the community, professionals, and staff of WGH.

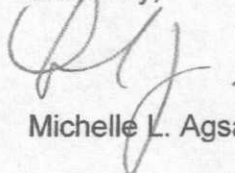

I was born at WGH, and from a young child WGH was a place of security. As a local Filipina growing up in a plantation family and community in Waialua, WGH provided care to me and many of my family and friends in significant ways. We have used emergency care, radiology and diagnostic imaging, skilled nursing, inpatient intensive care and inpatient services. Throughout my experiences with WGH, I always felt like I and/or my loved one was treated like family. WGH offered and continues to offer a warm, friendly atmosphere that eases the stress of hospitalization. The many familiar faces of the staff and physicians also provided a sense of comfort throughout many difficult circumstances. As a small community hospital, WGH always felt like home.

On a professional level, my sister, Dr. Vanessa Agsalda-Rosenbush completed her family practice residency at WGH and continues to serve her patients and community at WGH. Other family members and friends are employed at WGH. The loss of jobs would greatly impact and cause a hardship on many families and the community.

The State has been sensitive to the needs of the community. The access to hospital care is critical for the North Shore and Central Oahu community. The ability to continue to be afforded community hospital care is vital to the well-being, safety and protection of our community. The continued service of WGH is greatly needed and I urge you to vote for the immediate and emergent financial assistance.

Should you need to contact me, please call me at (808)585-0920.

Sincerely,

Michelle L. Agsalda, Esq.

TESTIMONY BY PETER H. M. LEE

HOUSE OF REPRESENTATIVES
THE TWENTY-EIGHTH LEGISLATURE
REGULAR SESSION OF 2016

COMMITTEE ON HEALTH

Representative Della Au Belatti, Chair
Representative Richard P. Creagan, Vice Chair

Rep. Mark J. Hashem Rep. Marcus R. Oshiro
Rep. Jo Jordan Rep. Beth Fukumoto Chang
Rep. Bertrand Kobayashi Rep. Andria P.L. Tupola
Rep. Dee Morikawa

DATE: Wednesday, March 23, 2016
TIME: 8:45 am
PLACE: Conference Room 329
 State Capitol
 415 South Beretania Street

RE: HCR118 AND HR73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

Aloha Chair Belatti, Vice Chair Creagan, and Members of the Committee on Health:

My name is Peter H. M. Lee and I am a resident of Central Oahu. I **STRONGLY SUPPORT HCR118 and HR73**. Both resolutions request the Governor and the Legislature of the State of Hawaii to provide immediate financial assistance to Wahiawa General Hospital.

Wahiawa General Hospital is the only facility that provides emergency medical services in a vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset Beach, and Kahuku. This area encompasses nearly one-third of the entire Island of Oahu. For the people who live and work in these areas, it is crucial for them to have access to an emergency medical facility located near these communities.

If Wahiawa General Hospital were to close, the nearest emergency room for a person situated in Wahiawa would be either Pali Momi, or Queen's West – both of which are approximately 13 miles away. For a person living in Waialua, Sunset Beach or Kahuku, the distance to these hospitals would be 20 miles instead of the 8 miles it takes to arrive at Wahiawa General Hospital. For the critically ill or injured, this extra distance may be the deciding factor between life and death.

In addition, Wahiawa General Hospital is one of the largest employers in Central Oahu with approximately 90% of its workers residing in the surrounding areas. Most of the employees are members of the ILWU, UPW, and HNA unions.

The closure of Wahiawa General Hospital would be financially devastating to entire communities as many residents will need to seek reemployment. It is vital that Wahiawa General Hospital remain operational. For these reasons, I respectfully request your **SUPPORT for both HCR 118 and HR 73**.

Comments: I am currently a North Shore Resident for 15 years but have personally and for loved ones, had the need to utilize the Wahiawa General Hospital E.R. even prior to moving to the North Shore so this issue couldn't be closer to me. Broken Arm, Broken Scapula, concussion, etc. and having Wahiawa E.R. available has shortened by several miles, the commute to an E.R. I emphatically urge you to continue funding for this very important area Health Facility.

To: Napualani Young; creagan1 - Shayne
Subject: FW: Testimony for Wahiawa General Hospital

From: Sheryl Gardner [mailto:sgardner@hawaii.rr.com]
Sent: Tuesday, March 22, 2016 4:12 PM
To: Rep. Marcus Oshiro
Subject: Testimony for Wahiawa General Hospital

Aloha Rep. Oshiro,

Marilyn Lee asked me just now to send testimony in support of Wahiawa General Hospital. Given I don't know how to submit testimony and the learning curve would take awhile, she said to send it to you and your staff could submit my testimony. I hope that is workable. Please correct the bill number if it is incorrect.

Testimony to support financial support from the Legislature to Wahiawa General Hospital:

As a retired gynecologist who used Wahiawa General Hospital for many years, I am asking the Legislature to pass HCR 118 in support of financial assistance for this hospital. The residents of Wahiawa, Whitmore, Mililani and the North Shore need an available hospital besides Kahuku Hospital that is closer than Pali Momi. It is simply too far to Pali Momi and takes too long to get there. Reimbursements from insurances and from patients no longer cover the expenses of small stand-alone hospitals. We Central O'ahu residents must not lose this hospital because of a funding crisis.

Sincerely,
Sheryl P. Gardner, M.D.

Name: Ethelle Garac
Address: 1935 Kalulu St. Hoov
Hawaii, 96819

Personal Comments:

I believe that Wahiawa General Hospital
should remain open due to the following
reasons:

1. Residents residing in Wahiawa should
have a hospital near them.
2. w/ traffic or no traffic, it takes quite
a bit of time to get to it from the
nearest hospital if Wahiawa general
hospital were to closed down.

3.

requesting the Governor and Legislature of the State of Hawaii to provide immediate and
emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: James Yamada & Grace Yamada
Address: 95-1050 Maki Kai St. Apt 3B
Mililani, HI 96789

Personal Comments:

The demise of Wahiawa General Hospital would have a disastrous
effect for the people of the Northshore & Central Oahu. The people of
Waialua, Haleiwa, Northshore, Hahaione, Paumotu, Whitmane, Wahiawa,
Kauia, & Mililani depend on WGH for essential medical services.
It is unthinkable that government officials & the legislature
would neglect to provide necessary funding to keep the
hospital operating. Please do whatever is necessary
to meet these needs.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112 requesting the Governor and Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

Name: Sally Aaao

Address: 95-1050 Makai Kai, 13-1
Mililani, HI 96789

Personal Comments:

In case of emergency Wahiawa Hospital is close to Mililani. They
are there to help the community. In the case of a stroke or
heart attack the ~~fast~~ facility will be there instead of going
all the way into town. In cases like that every minute counts.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and

General Hospital.

Name: Norma Kunimoto
Address: 95-1050 Makaikai St #13B
Mililani HI 96789

Personal Comments:

When every minute counts in an emergency it's very important to
have somewhere close by to take care of the problem. Wahiawa Hospital
is an essential part of our community. It's the place where the people
in our community can go for help, whether for an emergency or to use
doctors and programs already in place. Please, help us keep Wahiawa
Hospital!

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and
emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Constance Chung
Address: 94-489 Kiilani St,
Mililani, HI 96789

Personal Comments:

It is crucial to have a hospital located in the
Wahiawa area to service everyone living in
that area and also in neighboring areas. Everyone
depends on emergency care, and many other
hospitals are crowded, & when that happens,
they use Tripler to take care of these
people.

To: Hawaii State Legislature

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

Name: Sherry Nipp
Address: 91-1729 Orrick St.
Ewa Beach HI 96706

Personal Comments:

Wahiawa Hospital needs to be kept open
for people living down the north shore, Wailua, Wahiawa,
Mililani, etc. In case of emergency it'll be faster
access to get to the emergency room. There's no
other medical facility down there.

Name: Kinau Alber
Address: 65-063 Hukilau Loop
Waialua, HI 96791

Personal Comments:

If this closing of Wahiawa Hospital happens, that would
be a huge mistake, especially for the huge working
class population that surrounds and live near Wahiawa
Hospital. What happens to them? Why do we have
to shuffled off to another hospital that is
twenty more miles away. Why is it that the
working class population need to be inconvenient.
We need to have this hospital to stay open.

Name: Mabel Cheng-Leung

Address: 1255 Nuuanu Ave #E2914
Honolulu, HI 96817

Personal Comments:

Wahiawa General Hospital has served a large population in the areas including
North Shore and Central Oahu. The closure of the hospital will definitely cause
negative impact on the other medical centers on the island.

It may also limit the residents of North Shore and Central Oahu from
accessing to the emergency medical services.

To: Hawaii State Legislature

Name: Rollin J. Canon

Address: 66-114B Haleiwa Road

Haleiwa, HI 96712

Personal Comments:

Wahiawa General Hospital has been a part of each and every resident living in Central Oahu and the North Shore. Their services cover emergencies, sicknesses, to a facility that houses our elderly family members. It would be a disaster if an emergency and health care facility closes down that provide adequate services from the central rural area to the north shore. My wife and mother both work at the facility and would be devastating to see them lose their jobs. They love what they do and would do anything to keep the hospital open.

Please help support Wahiawa General Hospital with the financial assistance that they need and deserve.

Thank You,

Rollin J Canon

Husband of Shaneen Canon- Nursing Admin

Personal Comments:

Hope the hospital can stay open to serve
North Shore & Wahiawa areas, also preserve jobs
of the employees.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and
emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Chris Dubin

Address: 85224 Farrington Hwy
Waianae HI 96792

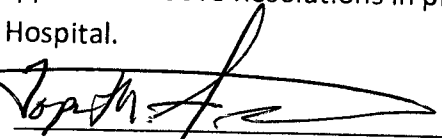

Personal Comments:

I got hurt surfing at Chuns reef in north
Shore. Thank goodness for Wahiawa general hospital
it was the closest hospital.

To: Hawaii State Legislature

Name: LACETTA DUBIU

Address: PO Box 1072
Waianae, HI 96792

Personal Comments:

This hospital serves a vital need in this community. There is
no other hospital for miles around. It could mean life or
death if one sustains a life threatening injury on the North-
Shore, military bases or in the town of Wahiawa.

Name: Armando Langaman Jr.
Address: P.O. Box 736
Waialua, HI 96791

Personal Comments:

Being the only hospital within 10 miles of
where we currently live, it is essential
that the Wahiawa General Hospital remain
open and be provided with the emergency
financial assistance required to keep this
hospital ready for those in dire need.
For someone who lives in the rural city
of Waialua, it is unsettling to think that
our nearest accessible ER may close.
Please take into consideration the lives
that may be put in danger if this was
to happen.

Thank you,
Armando Langaman Jr.

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and
emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Katherine C. Alam
Address: 103 Moa Plau
Wahiawa, HI 96736

Personal Comments:

This hospital serves people in the central & north side of Oahu.
These people need immediate attention for any health-related
problems (instead of going to hospitals in downtown where it
is swamped with too many patients thus prolonging the time
to get the medical care they need). Also, this hospital
provides jobs to hundreds of people. (We don't want
additional numbers on our already high unemployment rate
statewide & nationwide, do we? We need this hospital ! ! ! !
Pls support WGAH ! ! ! !

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and

General Hospital.

Name: BEATRIZ D. ALMAZAN
Address: 95-733 PAIKAUHALO ST.
MIKLANI, HI. 96789

Personal Comments:

Please help Wahiawa Gen. Hospital by providing
emergency financial assistance. It is a very
caring hospital for patients who need immediate
help like: drowning, G.I. bleeders, car accidents,
mother delivering babies and many more
conditions. Thank you very much for your
kind attention. The financial assistance
on the "SEED" that you'll plant in this
institution will be highly appreciated
and for sure God will not let this
Hospital lost it's services to the community
and to the whole state of Hawaii. God Bless.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112

Name: Jelissa D. Ruiz (917) 972-2269

Address: 1678 Iolani Way
Wahiawa, HI 96786

Personal Comments:

Wahiawa General Hospital should not be closed instead
it needs more funding, upgraded equipments. I have not
need to attend Wahiawa General Hospital, nor have my three children
but I have soldiers who them and their families go there
regularly. Its the only and closest hospital from Schofield
and most children get sick in the late evenings when
an individual is tired and shouldnt be driving long
distances to seek medical attention that does not
Require ambulatory transportation.

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

Name: Aurelia Omalza

Address: 95-1019 Kona St.

Mililani, HI 96789

Personal Comments:

Wahiawa General Hospital serves many people in the north /
central areas of O'ahu. Closing the facility would cause hardship
for those to seek close medical care!!

SAVE WGH!!

Wahiawa, HI 96786

Personal Comments:

- Wahiawa General Hospital has saved
my life twice !!!
- Once when I was 11 years old - A drunk
driver hit a car I was a passenger in and
I was rushed to Wahiawa General.
 - Second time a Dr Polk found a loose screw
in my arm which a Queens Doctor left
after surgery. If it was not found
I could have died of a Staph Infection
 - Our Community needs this hospital !!

Please do not close down Wahiawa General Hospital as it is a must for those of us living in Central Oahu.

My late husband was confined to Queen's for nearly a month in 2014 and after being released and having a setback, we chose to have him go to Wahiawa General Hospital. Not only was it close home, but his care at WGH, in my opinion, was superior to that which he had received at Queen's. At Queen's he had gotten two staph infections, which I attributed to the lack of proper hygiene practices on a daily basis. At Queen's he also did not receive much physical or occupational therapy, which was done more often at WGH. He also had superior care under Dr. Baron Wong at WGH, to whom he transferred to as his primary care physician until his passing. I have recommended WGH to many of my friends for their compassionate staff and excellent care.

I have gone to the ER at WGH twice in the past 10 years and I was very thankful that the facility was so close. The first time I had cut my pointer finger to the bone through a fingernail and the second time I had splashed ammonia in my eye. Both times I drove the two miles to WGH and was treated expertly and without any adverse problems. I shudder to think what might have happened had the ER had not been so close.

Aloha,

Martha Albin

Personal Comments: See attached

For some folks, Wahiawa General Hospital may not be the first choice hospital compared to the other healthcare facilities available on the island, but it does serve as a critical access point for the people in this community (central Oahu) as well as for the tourist from the mainland states and abroad. If this facility and its emergency care services were to be shutdown, the next nearest healthcare facility would be Queens West or Pali Momi, both of equal distances from this central area in my opinion. It may not seem like a far drive for most but think about this... How long would it take you to reach urgent emergency care if you lived within this central area but don't have access to a car? Or, if you are a tourist and victim of a near drowning coming from the Northshore, is it right that you have to wait for care because the next nearest facility is now *just* a little bit further? Or what if you or your child were in some type of other fatality (we all know accidents happen...) as a parent wrap your head around the thought that now you have to go just a little bit further to get to the services and care you need.

Yes, Wahiawa is just one little hospital but we serve a large population. We also serve the unrepresented population, the homeless and the indigent. Ask anyone on the island and they'll tell you that if you don't have insurance "*go to Wahiawa because they'll still help you...*" Wahiawa does see its fair share of this population because when these "homeless sweeps" are being done in town then, where else do they go... they migrate towards this side (Wahiawa). A large portion of our patient population are also Medicaid and Med Quest patients living on the brink of poverty, so what happens to them if they don't have accessible healthcare? Their health will deteriorate, thus putting them into poverty and creating another cycle of homelessness.

When the Affordable Care Act was put in place it was known that 20% of healthcare facilities would close, but I don't believe Wahiawa should be added to this statistic. Does it make sense for all folks to have insurance coverage but not a convenient and accessible facility? I don't know all the statistics or the inner workings of Obama Care or why we should get the help we need or why we would have precedence over the State hospital or the other hospitals on the neighbor islands but if accessible healthcare is supposed to be available then this is one reason why we at least need this hospital to stay available.

Help us to help ourselves, help us to find the resources we need or at least point us in the right direction.

-Vila Chanthasouvanh

Name: Manuel A. Abundo, M.D.
Address: Medical Arts Cl. Inc.
302 California Ave Ste 6
Wahiawa HI 96789

Personal Comments:

WGH needs immediate financial assistance. I am the only general surgeon practicing in the area & I alternate w/ Dr. R. Girosolano covering surgical needs of patients who cannot afford health care. 85% of patients admitted thru the emergency room are either Medicaid or Medicare. I have been serving the ER for 40 yrs. Our reimbursement for cost is so deficient to cover the hospital overhead. Wahiawa Center for Community Health is opening next month at Medical Arts Cl. and we need a hospital in the community. The WCCCH will also attract new PCP in primary care improve health needs of the homeless and indigent patients.

Manuel,

M. A. Abundo, M.D. FACS

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Brittany Harris RN
Address: 66-386 I Haleiwa Rd
Haleiwa, HI 96712

Personal Comments:

The Wahiawa & North Shore communities need
this hospital. We serve a large geographical area &
a vulnerable population. I love this job, this hospital,
and this community, and I wouldn't want my loved
ones to be 45 minutes from the closest ER in a
real emergency. I truly think if Wahiawa closed,
people would suffer harm ~~due~~^{due} to delay of care,
and it could even cost lives. ^{Also} We serve a huge
population of elderly adults in Wahiawa who would
hesitate to call for help or go to an ER far away.
Our brand new ER facility is state-of-the-art and
allows us to take excellent care of our patients
in the emergency room.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and

Name: Raquel Toribio
Address: PO Box 2121
Ewa Beach, HI 96706

Personal Comments:

This hospital provides critical access from the North
Shore. It serves all of North Oahu. Imagine EMS,
doing CPR on a patient from Waimea Bay to Kali Momi (to far).
North Oahu's population is rapidly increasing.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112

Address: 1060 Kilani Ave Apt 602
Wahiawa, HI 96786

Personal Comments:

I kindly ask you to please support the above resolution in
providing financial assistance to Wahiawa General Hospital.
I am a current employee at WGH and proudly serve the
Wahiawa community as well as it's surrounding areas. I am
a respiratory therapist that has been given the wonderful
opportunity to work alongside a tight knit team that I consider
a family. Wahiawa General Hospital has helped me grow
as an individual as well as becoming a better respiratory therapist.
I can also proudly add that WGH has served and cared for
our military men, women, and children and been great in doing
so. My husband is in the army and we have come to meet
several people that say the Hospital praises for their wonderful
care of their loved ones. Please help us continue to serve & care for
our community.

Thank You.

Claudia Bradshaw.

Mary C. Talon
PO Box 861592
Wahiawa, HI 96786

Testimony to the House Committee on Health
Wednesday, March 23, 2016
State Capitol, Conf. Room 329

RE: HOUSE CONCURRENT RESOLUTION NO. 118/HOUSE RESOLUTION NO. 73, REQUESTING THE GOVERNOR AND THE LEGISLATURE OF THE STATE OF HAWAII TO PROVIDE IMMEDIATE AND EMERGENT FINANCIAL ASSISTANCE TO WAHIAWA GENERAL HOSPITAL.

Chair Belatti, Vice Chair Creagan, and Members of the Committee:

My name is Mary Talon, and I am a resident of Wahiawa. I am submitting written testimony in SUPPORT of House Concurrent Resolution No. 118 and House Resolution No. 73. Both request the Governor and the Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital.

Wahiawa General Hospital is an essential medical facility in Central and North Shore Oahu. It is the only facility that provides emergency medical services in a vast geographical area extending from Mililani to Wahiawa, Waialua, Sunset, and Kahuku.

This area encompasses nearly one-third of the entire Island of Oahu. The closure of Wahiawa General Hospital would have enormous ramifications to the health, welfare, and safety of these communities. If Wahiawa General Hospital was to close, the nearest emergency room for a person situated in Wahiawa would be either Pali Momi near Pearlridge Center, or Queen's West – both of which are approximately 13 miles away. For a person living in Waialua or Sunset or Kahuku, the distance would be 20 miles instead of the 8 miles it is to go to Wahiawa General Hospital. In a case of a critical accident or sickness, the extra miles it takes to get a person to an emergency room might be the difference between life and death.

Furthermore, Wahiawa General Hospital is one of the largest employers in Central Oahu with approximately 90% of its workers residing in the surrounding areas. Most of the employees are members of the ILWU, UPW, and HNA unions. These are very good-paying, professional jobs. The closure of Wahiawa General Hospital would be devastating to entire families as heads of households will need to seek reemployment while keeping up payments for the mortgage, putting food on the table, and doing all they can to make life "normal" for their children and families.

It is vital that Wahiawa General Hospital remain operational. For these reasons, I respectfully urge your SUPPORT for these resolutions.

Mary C. Talon

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and
emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Vivencia Talana

Address: 147 Ohia St.
Wahiawa 96786

Personal Comments:

Why must Wahiawa General Hospital
always be in a Emergency Financial like me
Situation, Where would Senior Citizens go for
Emergency if Wahiawa General Hospital close down.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and
emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Arline Jalana
Address: 147 Ohai St.
Wahiawa Hi. 96786

Personal Comments:

It is painful for patients, painful for workers,
painful for the community to see the hospital in ~~danger~~
danger of closing in a financial situation. Need to save
this hospital because it is the closest hospital we can
go if there's an emergency, we don't need to travel far.

To: Hawaii State Legislature

Address: 65-014 Hukilau Loop
Waialua, HI 96791

Personal Comments:

The North shore needs Wahiawa General especially for
emergency care. Without WGH the nearest hospital for
many families is Pali Momi and is too far and can possibly
be dangerous for not getting care quickly.

Address: 134 Walker Ave
Wahiawa, HI 96786

Personal Comments:

Wahiawa General Hospital is the only hospital
to ~~serve~~ serve the Milliani, Wahiawa, Waiakua and Haleiwa
area. Pali Momi is 12 miles away and approx. 17 mins away,
St Francis West is 10 miles away and approx. 18 mins away.
And Kahuku Hospital is 24 miles away and 37 mins.
There currently is no local hospital to serve the area
in case of emergency or disaster.

Address: 59-805 B Kamehameha Hwy
Haleiwa, HI 96712

Personal Comments:

Wahiawa General Hospital has been ^{a major} health provider for my family for decades. I was born in WGH over 45 years ago and was a patient countless times while growing up. My 2 sons were both born here and because of their ~~involvement~~ ^{involvement} in youth sports they had their share of visits to the emergency room. Recently, my father, who was battling ALS for over a decade, passed away. He had been admitted and cared for by this community's hospital so many times. Both my parents had been bed ridden for several years at the end of their lives and when they needed to be hospitalized they were brought to WGH. I believe that if the travel time to the ER was greater they would not have lived as long as they did. We can't lose the services of this hospital. The entire North Shore needs Wahiawa General Hospital.

No brainer! Of course WGH needs to remain open
for Central Oahu. Typical of our Legislature -
serve white/high income FIRST & heck w/
plantation/country folks - obvious they
have no family members in Central Oahu in
case of an emergency - Dumbocrats!!!
either raise taxes or get rid of low-income
essential - vote these jerks out of
office !! Hell w/ everyone of you
legislators!

Name: Brenda Jugoz

Address: 87-133 haiku st
Waianae HI 96792

Personal Comments:

see attachment.

March 18, 2016

To Whom It May Concern:

My name is Brenda Jugoz and I live in Waianae, but work for Wahiawa General Hospital for 10 years. This hospital is a very important asset to the community, as well as for me! Wahiawa General Hospital has a very sentimental to me and my family. When I was 16 my first job, was as a volunteer candy striper and was so very proud of it!!

Back then my mother Betty Lani, help start the gift shop in the hospital which she was a volunteer and dedicated herself and others with so many hours.

Now most of them are gone as well as my mother. But when I look around and I can remember all the love and support of the people here to better our lives.

If we don't get some help to save Wahiawa General Hospital we fail as a society and the meaning of aloha!!

Our next generation will not know the history of this hospital and the way we try to save lives!
Our community would be lost and all our long term Kapuna patients, where we give their family hope to insure their wellbeing and support.

If we do not have Wahiawa General Hospital where do they go? All the way to town? And not to show the family we cared for them? There is no hospital close.

Kahuku Hospital is very far from here, and how do you tell the family that you need to go farther to save that person Life!

What about our military families and business around the area we help to support them, if we terminate the hospital Where will they be and how far would have to travel ?

Please help Wahiawa General Hospital to keep it going for our community and the next generation to come.

I would like to thank you for listening to me, and May God be with you and us on your decision on this matter.

Sincerely;

Brenda Jugoz

Name: Jimmiel E. Dumas
Address: 91-1302 Kailoolea Drive
Ewa Beach, Hawaii 96706

Personal Comments:

I am a new employee to this facility, but I see how important this hospital is to this community already. This hospital, by far, has the best quality of care from the employees that I have ever seen in any facility I have worked at. Closing the hospital will be devastating to the Wahiawa community, surrounding communities and the Wahiawa staff. I beg the Governor and Legislature, please help us so that the hospital will not have to close.

Jimmiel E. Dumas, PT

Personal Comments:

Wahiawa General Hospital impacted my family when my
92 year old mother-in-law required emergency medical care.
Family lives in Waipio Centry and with "TIME BEING
OF UTMOST ESSENCE", Wahiawa General Hospital
ER was there to provide the VITAL CARE required.
Wahiawa General Hospital is much needed
in the community!!!

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and
emergent financial assistance to Wahiawa General Hospital

Name: Dr. Priscilla Codiga

Address: 59-073 Kahae Rd, Haleiwa, HI 96712

As a resident of the North Shore, it would be reassuring to know that patients can receive the same quality of health care in Wahiawa as in Honolulu. Wahiawa General Hospital provides much needed medical care to our communities encompassing the North Shore and Central Oahu. Without Wahiawa General, a patient from these areas must travel an hour or more to receive care. The extra distance to Honolulu creates a burden among patients and families, can be stressful and might negatively impact patient care due to delay of treatment. As a Hospitalist (M.D. Internal Medicine) for 18 years, having worked for Queens Medical Center for 3 years and now working at Wahiawa General, I have seen these themes play out repeatedly.

Without delay, I urge the Legislature and Governor to provide the necessary financial support to allow Wahiawa General Hospital the resources required to become a viable and thriving community medical center.

Thank you,

Priscilla Codiga, M.D.

Personal Comments:

I have been part of Wahiawa Hospital for over 40 yrs - I love this place - It does what it does very well - My U/H & A.S. still students love it - Residents love - The only "small" town experience in medical education in Hawaii - So many "1st" in Medicine began here - First Vaginal ultrasound, first pt. treated for an acute stroke after CT - First Nuclear HIDA scan - one of first lung biopsy & ABS scan diagnoses via CT & ultrasound - and more. We have worked with U/H Residents for over 20 yrs - We help to stabilize people before they go elsewhere. This hospital is a gem!!!

Personal Comments:

As a radiologist working at Wahiawa General Hospital
I can attest to the innumerable benefits provided to
the citizens of Central and North Shore Oahu by
the staff and physicians who work at Wahiawa
Hospital. A key component of a modern, bustling
and happy society is timely and convenient access
to quality healthcare. Without Wahiawa Hospital
a significant segment of the population of Oahu
will be denied access to such healthcare.
Please support Wahiawa General Hospital

Personal Comments:

Recommend the Castle/Adventist Health model with these new funds. Agree to seek funds to keep the hospital in operation, but need to restructure the business model + leadership.
The hospital has a wide catchment area + is vital to serving this community. Has potential for success + sustainability with the right leaders (i.e. down in the front line, working face-to-face w/ the nurses + other staff every day, shared decision-making, coming up w/ solutions to address inefficiencies). I otherwise love this hospital and its staff that is very dedicated to this community, and I hope to see it thrive.

Address: 4 Kuawili Ave
Wahiawa HI 96786

Personal Comments:

As a new employee of Wahiawa General Hospital, I find that being I live in Wahiawa this helps me alot. I'm married w/ one child whom is in the 1st grade. My husband does not work because he is partially disable and with me working close to home in case of an emergency I'm close to where should anything happen, I can easily walk home and make sure everything is OK. Also by living so close to a hospital it make it easier should we have to go or we know that it near by. Especially if we are in North Shore and an emergency happens we know we don't have to drive all the way to Area OR Kua Beach. Plus depending on the time the traffic going East or West could be at a stand still and won't help us. unless we was being transferred by ambulance something bad could really happen to anyone who was trying to go or by there own car during traffic hours. That being said please help keep Wahiawa General Hospital open -

Waianae, HI 96792

Personal Comments:

Wahiawa General Hospital, is the only hospital in central oahu.
When "Big Time" hospitals are full, patient are directed to us.
Oahu can't afford to shut down a hospital, health care facilities are in
high demand, and patient health should be #1 priority. Please give
us the finance we need to continue to provide care to patient
who needs it.

Address: 84850 moa st
96792, Waianae, HI

Personal Comments:

If this hospital close then over 400 employees will be out of jobs.
That 400 that will apply for Tanf and unemployment. More money
for the state and United States to dish out more money. They are
only asking to help get back on their feet. Help them please

Address: 851149 waianae villy rd
Waianae, HI 96792

Personal Comments:

Please Help, I was born at this hospital, It sad to see this hospital close.
This is the hospital that cares for the central & westside population.
We can't let this hospital close, too many people rely on the care we received.
Please Help.

Waialua, Hi. 96791

Personal Comments:

WGalt is an integral part of our community, serving
a vast area. Please help our community maintain
our beloved hospital despite our short comings. Financially -
it is no fault of our own - we are & have been committed
to cutting back in many areas, yet it remains an uphill
battle - much of which is out of our control.
Please preserve our hospital!

nursing supervisor

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Carlene Petersen
Address: 91-219 Kuano Pl
Ewa Beach HI 96706

Personal Comments:

WGH provides quality services to the Wahiawa
Community. Without WGH, it will be detrimental
to the community. Patients from Wai'anae, Schofield
& Wahiawa Community need this hospital in event
of an emergency. Wahiawa is a stroke center that
the community works with OMC. Without this service
stroke patients are at extreme risk. Time is
Brain. The hospital provides excellent care for our
geriatric population. Their care is managed by
a geriatric specialist.

Address: 95-204 Akuli Pl.
Mililani HI 96789

Personal Comments:

My husband was born at Wahiawa General Hospital & my mother in law was cared for in the hospital & in the nursing home. The hospital ^{staff} served decades of care, services, & compassion to the Central Oahu community. It would be a disservice and injustice to see the hospital close and be non-existent in the community. Please help provide financial support.

To: Hawaii State Legislature

Name: Lindsey Vandolah
Address: PO Box 79454
Kapolei, HI 96707

Personal Comments: ^{Nursing} ^{at University of Hawaii}

I have attended ^{Nursing} clinicals ^{at University of Hawaii} at Wahiawa General Hospital for two semesters. It is my first choice in education as the staff, patients, and community are incredibly supportive and have created an ideal learning environment. Wahiawa General Hospital not only impacts the health and wellness of the North Shore community, but it provides a great learning experience for nursing student across the islands. Clinical sites are at a premium and all nursing students/programs would suffer with the closure of WGH.

To: Hawaii State Legislature

Name: Denise Quinn
Address: 209 KAUMAKAWI ST
HONOLULU HI 96825

Personal Comments:

Wahiawa Hospital serves a vital need in a
somewhat destitute area of central Oahu.
The loss of the healthcare facility would
have dire effects on the community AND
it's citizens. Other hospitals are already
over run and are frequently on divert due
to overcrowding and high acuity of our
patients. To close this facility would be
a huge disservice to the state of Hawaii
and the Wahiawa area. We also care for
a large population of military families who
deserve quality, efficient, prompt medical
care.

Personal Comments:

As a VH nursing student I have spent the past
2 semesters of nursing clinical at Wahiawa General.
I have been so impressed by the staff that I
have seen at Wahiawa and the care they provide.
Wahiawa needs to stay open because it helps
serve the population in the area and will help
alleviate the overflow and pressure on other hospitals.

This region of the island absolutely MUST ~~stay~~ ^{have} a
hospital for its needs. In addition, the level
of care provided is superior to other hospitals. I
speak from personal experience.

Name: Benjamin Wadawara

Address: 2351 Owene Ln
Honolulu, HI 96819

Personal Comments:

I work on-call at Wahiawa General Hospital. I have
seen how much this ~~the~~ hospital means to the people in
Wahiawa, Mililani, Schofield and North Shore communities
for the last 7 years. If this place shuts down, the
nearest facilities are Queen's West and Pali Momi Medical Center.
They are both 20-30 minutes away without traffic. If your loved
one is injured and could die, that 30 minutes could mean they die.
So please support and help keep Wahiawa General Hospital open.
Thank you.

Personal Comments:

MY family has been to this hospital for one reason or another over the years. I do know
that Wahiawa Hospital had not been here my brother in law would not be alive today. If Wahiawa
is closed the area it services would not have a facility to care for them. the hospital is vital
for civilians & military for care.

To: Hawaii State Legislature

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Kelly Green
Address: 95-207 Hoahale Pl.
Mililani, HI 96789

Personal Comments:

Since the 1940's this hospital has served the
people on the Leeward Coast. My great-grandmother
was cared for at Wahiawa General Hospital.
This community needs this hospital to continue
to provide the excellent patient care to the
people of Wahiawa. please support WGH
financial so this facility can continue to
be a vital resource for Central Oahu.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112

General Hospital.

Name: Kathy Lai
Address: 94-1050 Puhokii Street
Waipahu, HI 96797

Personal Comments:

WGH is only hospital that fully serves Central Oahu. Could you
Imagine being sick or injured and try to get to West or Queens
in the traffic? This side of the island NEEDS WGH, its vital
to the community that Wahiawa stays completely open.

Wahiawa General has been a part of the community for years + needs to continue to be available to service the community. I strongly believe that funding should be appropriated to keep it open to the public.
Thank you

Personal Comments:

HEALTH CARE SERVICES SHOULD BE STATE'S PRIORITY & I AM APPALLED
THAT LOCAL COMMUNITIES HAVE TO PETITION FOR FINANCIAL SUPPORT
FOR THIS BASIC HUMAN RIGHT NECESSITY. MORE HOSPITALS & CARE ARE
NEEDED WITH THE CONTINUOUS INFUX OF PEOPLE. IF THE STATE CONDONES
MASSIVE DEVELOPMENT & OVER POPULATION IN A RESOURCE-LIMITED REGION,
THEN IT IS MORE SO THEIR FULL RESPONSIBILITY TO ENSURE HEALTH SERVICES
ARE PROVIDED FOR ALL. EXCELLENT

WGHA provides medical care to a large population of individuals
from the center of the island, where medical care is hard to
get otherwise for ^{especially} those of lower socioeconomic
status I value my work @ this hospital and the people we
are here to help

Personal Comments:

I worked @ WGH for about 10 yrs. now. I considered WGH as my home. The people I works with, the patients coming to us, people visiting us & the community surrounding us are my family. We've been struggling for quite sometime but we are not giving up. The financial & health impact among our family would be devastating. Please provide us the immediate assistance that we needed to continue our mission among our constituents.

To: Hawaii State Legislature

Personal Comments:

Very pleased with the services of the nurses, CNAs,
activity staff and activities. The meals are varied
and very appetizing. Wahiawa General Hospital
long term care has met more than our expectations
in caring for our Mom !!

To: Hawaii State Legislature

Name: Leilisa Gehring

Address: 120 Kilea Place

Wahiawa, HI 96786

Personal Comments:

Wahiawa General Hospital has always been a part of the North Shore
Community and the closest to serving all of North Shore. If WGH
closes, many lives may be at stake. WGH also serves an aging population
because most of the communities are an extension of plantation workers.

Please support the above Resolutions in providing emergency financial assistance to Wahiawa
General Hospital.

Name: Edward Bealonis
Address: 22062 California Ave
Wahiawa, HI, 96786

Personal Comments:

Rapidly aging population, increasing homeless, major thoroughfare
for tourists - all reasons, valid to keep this hospital, the poor
economics of this area and its population should not be the factor
of closure, time and time again the legislators panders to the better
housed communities.

To: Hawaii State Legislature

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

Name: DORIS NAGANO
Address: 2206-R CALIFORNIA AVENUE
WAHIAWA HI 96786

Personal Comments:

Since I live in the Wahiawa Heights area, I have utilized the facilities many times, including the ER for emergency treatment; Imaging department for X-rays, mammography, ultra-sounds; specialists and other diagnostic testing which can't be done in a doctor's office. As I rely on "the Bus" or family for traveling anywhere on this Island, having the Wahiawa Hospital nearby has left me with peace of mind, that if emergency treatment is needed, the hospital is only 10 minutes away.

To: Hawaii State Legislature

Name: **REBECCA CANON-FRATIS, ADMINISTRATOR FOR WAHIAWA GENERAL HOSPITAL'S LONG TERM CARE FACILITY**

Address: **66-122 NAOIWI LANE
HALEIWA, HI 96712**

Personal Comments: MY FAMILY HAS BEEN AFFILIATED WITH WAHIAWA GENERAL HOSPITAL AND ITS LONG TERM CARE FACILITY FOR OVER 50 YEARS COMBINED. MY MOTHER STARTED HERE AS A CANDY STRIPER IN THE EARLY 1970'S, THEN BECAME AN LPN AND WORKED IN THE LONG TERM CARE FACILITY UNTIL SHE RECEIVED HER RN. AFTER THAT SHE WORKED AS A MANAGER FOR VARIOUS UNITS, BECAME THE VICE PRESIDENT OF NURSING, THE DIRECTOR OF NURSING FOR LONG TERM CARE, AND EVENTUALLY THE ADMINISTRATOR FOR LONG TERM CARE. MAY AUNT HAS WORKED IN THE SPECIALTY CLINIC FOR OVER 20 YEARS.

MY EXPOSURE TO WAHIAWA WAS AT A VERY YOUNG AGE. AT THE AGE OF 3, I WAS COMING TO WAHIAWA GENERAL TO WAIT FOR MY FATHER TO PICK UP MY BROTHERS AND I AFTER SCHOOL WHILE SHE WORKED AS AN LPN. I STARTED MY CAREER IN LTC IN THE EARLY 1990'S WHEN I WORKED HERE AS A SOCIAL WORKER RIGHT OUT OF COLLEGE. I CONTINUED TO WORK IN THE LONG TERM CARE INDUSTRY AND RETURNED TO WAHIAWA GENERAL IN 2012 FOR A COMBINED WAHIAWA CAREER OF 10 YEARS. TODAY, I AM THE ADMINISTRATOR OF OUR LONG TERM CARE FACILITY, FOLLOWING IN THE FOOTSTEPS OF MY MOTHER. THE LIST OF THE MANY FAMILIES AND NURSING HOME RESIDENTS WE'VE SERVED OVER THE YEARS IS ENDLESS. WE ARE THE ONLY ACUTE

CARE HOSPITAL AND LONG TERM CARE FACILITY LOCATED CLOSEST TO THE NORTH SHORE AND CENTRAL OAHU. DUE TO THE AGING POPULATION IN HAWAII CONTINUING TO INCREASE, THE NEED FOR LONG TERM CARE BEDS IS EVEN GREATER THAN BEFORE AND WE, AS A STATE, ARE AT RISK FOR A SHORTAGE IN LONG TERM CARE BEDS.

WGH/WNRC IS LIKE FAMILY TO MANY OF ITS EMPLOYEES. THERE ARE EMPLOYEES WHO HAVE WORKED AT WAHIAWA FOR OVER 40 YEARS. THE DEDICATION AND PERSEVERANCE OF ITS EMPLOYEES ARE UNMATCHED. BECAUSE OF ITS FINANCIAL CHALLENGES OVER THE YEARS, MANY OF US HAVE HAD TO WEAR NUMEROUS "HATS" JUST TO GET THE JOB DONE. BUT IT'S NOT JUST A JOB. IT'S LIKE CARING FOR OUR OWN FAMILIES. WE TAKE PRIDE IN SERVING OUR NORTH SHORE/CENTRAL OAHU COMMUNITIES FOR MANY YEARS.

AS A NATIVE HAWAIIAN WHO WAS BORN AND RAISED IN HALEIWA, I'VE USED WAHIAWA FOR MY OWN MEDICAL NEEDS. MY TWO SONS, NOW 15 AND 11, WERE BORN AT WAHIAWA. AND, IT NEVER CEASES TO AMAZE ME HOW I'VE MET SO MANY PEOPLE WHO KNEW MY OWN FAMILY. WE ARE A SMALL COMMUNITY THAT DEPENDS ON WAHIAWA GENERAL AND ITS LONG TERM CARE FACILITY, FOR OUR HEALTH CARE NEEDS AS WELL AS THOSE OF OUR LOVED ONES. PLEASE HELP US KEEP THAT UNIQUENESS ALIVE FOR YEARS TO COME.

THANK YOU.

Name: Marguerite Kono

Address: 1328 Aheahe ave.

Wahiawa, HI 96786

Personal Comments:

My father passed away February 2013 and the staff at the WGH ER were very kind when attempting to save his
life. They were engaged in heroic measures and did all they possibly could do. The entire hospital is a vital
and much needed resource for this side of the island. To not step in and financially assist this hospital would
be a knowingly unwise decision, so I truly hope you see the wisdom to do otherwise. Mahalo!

Address: 75-520 Mahuli St
Mililani HI 96789

Personal Comments:

Not only were all of my siblings & I born in this hospital, my mom & dad's families legacy lives on the grounds of Wahiawa. Who are all the people in this area suppose to go to when there's no Wahiawa general hospital? How far must those from Waiialua, Wahiawa, Schofield ~~suppose~~ travel just to reach a hospital? We need to build ~~more~~ more hospitals. Not tearing them down. If we keep building housing, don't you think that's more people to care for in terms of health & well-ness and emergencies. I say No to tearing down this hospital. ~~but~~ ^{we} should seek as much financial support as we can to improve!

To: Hawaii State Legislature

Address: 95-1070 Kihene Street
Mililani, HI 96789

Personal Comments:

My nieces have been to the emergency room at Wahiawa General Hospital as well as my mother and fiance. It would be a great loss to this community if Wahiawa General were to close its doors. Any financial assistance to prevent that from happening would be appreciated.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112 requesting the Governor and Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

Name: Iris Lim

Address: 95-1074 Kihene Street
Mililani, HI 96789-

Personal Comments:

It is imperative to provide financial assistance to Wahiawa
General and to keep the hospital open. Without this hospital,
the people of Mililani and other towns will be forced to go the
further hospitals in times of emergency. These other hospitals
will then get overcrowded. Please think of the future consequences
of losing a hospital.

Name: VELLA WILLIAMS
Address: 500 ALO HOOKA BLDG 9E4-C47
HONOLULU HI 96813

Personal Comments:

WGH serves the healthcare needs of the residents of Central Oahu & North Shore. This hospital is the only facility with emergency services to the area. Not only serves the surrounding community but allows Residents from UH Med School to train in the facility. These Residents then become MDs that are important to our community. It is critical we support WGH financially.

To: Hawaii State Legislature

Name: JASON OHO
Address: 1160 Ala Napunani St. Apt # 902
Honolulu, HI 96818

Personal Comments:

I've only been an employee for Wahiawa Gen. for 2½ years.
In my short-time here I've realized how important this hospital
is to the local community: Mililani, Wahiawa, Waiolu, Haleiwa, &
Kahuku. Unlike, the area in from (Honolulu) these areas only have
Wahiawa Gen. as an option for quick medical care. Our hospital
is in dire need for state support because regardless of
in-patient occupancy status most of our patients have medicare/
medicaid and no medical insurance due to the state of the
community surrounding the hospital (homeless, low income, welfare,
elderly). Please save this hospital with your support!

Sincerely,

Jason H. Oho 3/21/16

Personal Comments:

I've lived in WAHIAWA over 10 years and to realize
that no help is given to the hospital for donation. Why don't
you have a fund raiser committee to start things going.
It will be a sad day for everyone if this hospital close.
Thank you

Wahiawa General Hospital is the heart and soul of Health care in Central Oahu.
It serves the communities of Wahiawa, Haleiwa, Wasalua, The North Shore,
Mililani, Waipahu, Waikele. It is imperative that WGH continue to exist
to continue servicing the health and medical needs of Central Oahu.

Name: Patricia Perem
Address: 95-195 KEAHEPUE PL.
MILILANI HI.
96789

Personal Comments:

Our hospitals are seriously over
whelmed. We have had bad experiences
at the new Queen's West. We can't afford
to close any hospitals but must
increase capacity. This must be a
priority. If they are full and unable
to cope how what would it be
like if a disaster hits our state?

To: Hawaii State Legislature

Address: 67-428 Alahaka Street
Waiialua HI 96791

Personal Comments:

Wahiawa General Hospital is used by most of us here
on the North Shore. They are ^{used} especially when our children
need emergency assistance during football, baseball, and
soccer seasons. Not to mention a lot of our elderly make use
of this facility in times of need. Castle Hospital, Pali Momi,
and Queens West is too far for our elderly to travel, or
all of us to travel in a time of emergency. please help
keep Wahiawa General Hospital open, we need them.

Tammy Onizuka

Waiialua HI 96791

Personal Comments:

Wahiawa General Hospital is essential to the communities
down on the North Shore (Waiialua, Haleiwa, Kahuku,
Laiia, Hauula), Wahiawa, Mililani, even Waipahu, Waianae,
Nanakuli, and Maile. People of all ages, elderly, teens and
young children use the hospital. Serving the people and
giving quality service is ~~of~~ important. The needs of
the people are important, and hospitalization or emergency
care is needed. This facility needs to remain open.

Name: Kathleen Okumura
Address: 94-1005 Punono Pl.
Mililani, HI 96789

Personal Comments:

My mom has been a resident of both
Wahiawa Hospital & Long Term Care
Facility twice. My dad in Long Term
Care Facility once. Because they live
in Wahiawa, having a facility nearby is
so important.

I, myself was able to get Emergency care years ago at Wahiawa General. Both of my parents ~~have~~ ^{were} also treated several times at Wahiawa General Hospital Emergency Room. with urgent care that would have been deadly if the hospital was not nearby.

Please provide financial assistance to Wahiawa General Hospital to keep this facility going. Kathleen Okumura

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

Name: Maile Wray
Address: PO Box 860236
Wahiawa, HI 96786

Personal Comments:

As a home owner in Wahiawa, I would like to see our hospital stay for the simple fact as Wahiawa General Hospital is the only one to service the central and north shore area. I also work for the City and County of Honolulu EMS and in dire emergencies we need ~~that~~ hospital for such emergencies. Please reconsider what you are taking away from the communities that this hospital services.

To: Hawaii State Legislature

Please support the above Resolutions in providing emergency financial assistance to Wahiawa General Hospital.

Name: Pauline Ras
Address: 95-141 Kipapa Dr. Apt 15
Mililani, HI 96789

Personal Comments:

I have personally benefitted from Wahiawa General Hospital's services. This is the nearest emergency Room of which I have been to 3 times in 1 year. My doctor also refers me to the other testing facilities - mammography, & heart testing.
I visit my friend Yoshiko Oishi in the long-term nursing home. I think this hospital and Nursing home is still needed by folks like myself who do not own cars and use taxi's to get here, when necessary. The public bus runs by this hospital + makes it so accessible for patients who need to use the bus. I think this hospital should be kept from closing because it serves a big rural area that should have the option of this facility and not be forced into the high density areas of Pearl City + Honolulu, to access what Wahiawa General offers.

Personal Comments:

It's very important to have a hospital in
the area. Queens West is too far and would be
able to service the overflow.

Personal Comments:

Many lives will be put at risk not only for employees but also
those in need of care. WGH has a good ~~represt~~ representation
of helping low income & the older community. They are there
when no one else can be. Would you rather be in good hands sooner
than later or risk your life to go farther than you can take?

Name: JUDITH KARAZU

Address: 1193 NEAL AVENUE
WAHIAWA, HI 96786

Personal Comments:

Wahiawa General Hospital is a major bastion for emergency health care
servicing Wahiawa, Whitmore, Kunia and most of the North Shore. I cannot
imagine the dire medical hardship^{endured} and inconvenience to the residents,
especially the elderly, by WGH's closure if support is not provided.
Kindly request your immediate attention to these Resolutions
and SAVE OUR HOSPITAL!

Name: Robert K. Childs M.D.

Address: 5949 Haleola Street
Honolulu, HI 96821

Personal Comments:

I work three days a week at WGH.

My father Edgar S. Childs help to found this hospital
with his best friend Dr. Maurice DeHarré M.D.

I know this island, I know healthcare on Oahu

WGH is critical to the health and welfare of the whole
island. The health and safety of the millions of tourists
who pass through Wahiawa to experience the treasure that
is the North Shore are just as dependant on the
availability of WGH.

Respectfully,

Robert K Childs M.D.

Mililani, HI 96789

Personal Comments:

In 2013, my 84 year old mother, a longtime resident of Wahiawa, fell as a result of weakness in her legs and severe dehydration. She also suffers from Alzheimer's disease. After being treated for the dehydration and re-fracture at Wahiawa Hospital for a week, she was admitted to Wahiawa Long Term Care for rehabilitation and a safe environment for the remainder of five weeks. My family and I were able to visit with her everyday as we all reside in Wahiawa or in Mililani, We were extremely pleased with the high level of care and compassion demonstrated by the Wahiawa Hospital.

Then in August 2015, my mother fell again; this time, she broke her arm, fractured her rib, and had a possible concussion. She was immediately rushed to Wahiawa Hospital where again, she was treated with the utmost care and professionalism.

I don't know what we, the family members and the elderly residents in Wahiawa/Mililani, would do without Wahiawa Hospital. Their close proximity, their skilled nursing/doctors/technicians/professionals, their wide range of services/equipment and their extreme care have been demonstrated time and time again.

Please support these Resolutions. Thank you very much.

Sincerely,

Linda N. Yoneshige

Address: 95-1039 Kowa Street
Mililani, HI. 96789

Personal Comments:

Having a medical center in central Oahu is essential to our community. Our community deserves to have
access to medical care that is not a 30-45 min drive away, which in an emergency, is the difference between
life and death. We provide many jobs for our families living in the central Oahu area.

Name: Lee Buenconsejo-Lum

Address: 47-671 Nukupuu Street
Kaneohe, HI 96744

Personal Comments:

As a physician practicing in this community for almost 20 years and as a citizen concerned about the health and well-being of the entire Wahiawa and Central Oahu community, I urge to you pass this measure.

While the request amount may seem staggering, the downstream effect of a hospital closure -- especially an abrupt one -- will have immediate and far-reaching negative financial and social consequences. In this short time frame, and with available data, it not readily possible to give the Legislature a quantifiable return on investment, but there will be serious consequences. Thank you for allowing me opportunity to elaborate further:

WGH is the major and largest employer in a stressed community already faced with lower than median household income, higher levels of poverty, poorer levels of educational attainment and numerous health (including mental health, social impacts) disparities compared to other communities on Oahu. National and worldwide data clearly show linear relationships between poverty level and indicators such a deteriorating health status, increased stress, increased obesity, increased cardiovascular disease (heart attacks and stroke), increased alcohol and drug use. The adult stressors have further negative impact on the children / families and this has also been shown to have negative educational impacts, as well. The health system in our State -- hospitals, community health and mental health providers, primary care providers, doctors of all specialties, nursing, long-term care, home health services, rehabilitation services -- already have difficulty keeping up with increases in chronic diseases seen in our minority and poor populations. Hospital closure would only worsen that situation.

While 600 people would be out of jobs, the psychological and social impact on the community would also significantly hamper the current and planned activities to increase microeconomic growth, community development and also the necessary linkages and partnerships with the new community health center.

The body of the bill already provides good factual detail about the impact of closure on neighboring facilities -- in terms of ER visits, admissions, long-term care.

From the patient perspective, I cannot tell you how many patients -- especially those more elderly and/or with limitations in transportation or with elderly family members -- are grateful to have an emergency department nearby, or lab, radiology, mammography, or a nearby nursing facility to visit their loved ones more frequently. Thank you for your thoughtful consideration and for the opportunity to provide testimony in support of these bills.

Name: Kevin Gatiuan

Address: 1505 Kaweloka Street
Pearl City, HI 96782

Personal Comments:

I have worked at Wahiawa General as their Purchasing Manager for over 10 years. I have witnessed compassionate care given to many patients. I have seen firsthand, what happens when a valuable hospital closes down in the community. I would like to think that we have learned much from HMG closure. Also, with our Nursing and Rehab Center, it allows 107 of our Kupuna, to live in a community which they love, near their loved ones. Without our hospital, where do they go?

Our Emergency Department gives care for those living in Wahiawa, throughout the North Shore. If minutes count, where do they go?

Please help support Wahiawa General Hospital.

Address: 1796 Eames St

Wahiawa, HI 96786

Personal Comments:

There should be a law that mandates essential emergency or non emergency medical facilities and staff be provided in a populated area within a 10 mile radius in any direction.

Therefore, I support that the Governor and Legislature of the State of Hawaii provide immediate and emergent financial assistance to Wahiawa General Hospital.

Without this financial support more people in need of immediate emergency care may be lost to family and loved ones forever because there was no money to keep the facility open and the closet emergency facility was 25 to 30 miles away. Every minute counts when it's a matter of life and death. That's not good enough.

Make it work!

Address: Po box 1111

Waialua, Hi, 96791

Personal Comments:

Wahiawa General Hospital is needed for our North Shore and Central Oahu community. We know traffic is a problem so what happens when one of my 4 kids fall and break a bone during rush hour traffic? Should I tell them to just be patient we will get to the hospital in 45 minutes? Or should I call an ambulance and tie up that life saving vehicle so that my child can get to the ER quicker and get some relief? Please do not take our access to local emergency medical care.

Personal Comments:

I am supporting and requesting that we keep Wahiawa General Hospital open. Its a vital need support in our
community. I live in Waialua and I have used WGH numerous occasions in the past 20 years that I have lived
here. The upgrades in the ER are truly awesome too.

Please....dont close this hospital! I am a north shore resident and this is my hospital.

I also work at an emergency youth shelter in Haleiwa. My clients are treated at this hospital often.

Please....give appropriate funding to keep hospital open.

Sincerely

Kristin Hennig

Name: Luci-Ann Bell

Address: 1148 Kaala Avenue
Wahiawa HI. 96786

Personal Comments:

I've been an employee of Wahiawa General Hospital in the Senior Behavioral Health Unit for 16 years.

In 2014 I was put on Medical Leave by my doctors for nine months. During the time of my illness I received moral support not only by my employer but my fellow co-workers as well.

With that being said, I take pride in my employment here at Wahiawa General Hospital knowing and witnessing the outpouring support by not only those I work with on a daily basis, but by the Wahiawa General family as a whole. I feel that the support I've experienced and received speak volumes of the services our employees not only provide to one another but the patients, their families, and the community as well.

Please consider our proposal and find it in the favor of those that matter and benefit from the services in which Wahiawa General Hospital provide to the communities

Thank you so much for allowing me the opportunity to voice my opinion.

Wahiawa, Hi, 96786

Personal Comments:

The importance of Wahiawa General Hospital existence is not only a savior to the Wahiawa community, it's a blessing to the surrounding communities in the central area. My brother, who received assistance due to his severe asthmatic condition, was able to get immediate help due to Wahiawa General close location. I fear if it was not, my brother's condition may have been a more worst result that night. I want to thank the staff of Wahiawa General Hospital for being there for my family and I hope they continue to be there for years to come. Mahalo for your time.

Wahiawa, Hawaii 96786

Personal Comments:

My plantation grandparents, my parents, my siblings and myself have been served well by WGH. My nephews
were born there and if the maternity ward wasn't closed I would've delivered there. WE NEED MEDICAL
FACILITIES FOR THE AREAS OF CENTRAL TO THE NORTH SHORE OF OAHU. IF THERE'S AN EMERGENCY WHAT
ARE WE SUPPOSE TO DO? TAKING CARE OF OTHERS IS ESSENTIAL AND IMPORTANT TO MANKIND! THANK YOU

To: Hawaii State Legislature

Waialua, Hi 96791

Personal Comments:

Please save Wahiawa General Hospital. The one and only Hospital here in The Northshore and close to the Northshore Residents to go for treatment specially the Seniors and Emergency patients. Also the Workers who are hard workers not to lose their jobs and will continue giving assistance to patients who are in need of their services. We, the people of the Northshore will be very grateful and sincerely appreciate your kind consideration for saving our very own Wahiawa General Hospital.

Aloha and Mahalo for your great SUPPORT! !!

Address: 25A Kilea Pl

Wahiawa, HI 96786

Personal Comments:

For many years my family & friends have gone to WGH for emergency & outpatient services and continue to do so. I also come from a family where I have family members who started their careers there as well & still continue to work as a nurse, pharmacist & emergency personal. It would be devastating to shut down WGH due to the lack of financial assistance, not only for the community but for my family & friends who have built their lives around WGH. I strongly feel it would be beneficial to get financial assistance to keep WGH open to service all of the North Shore residents. Thank you!

To: Hawaii State Legislature

Name: Dawn Lee

Address: 2675 Nonohe St

Wahiawa. HI. 96786

Personal Comments:

Please help WGH during this time of financial need. WGH serves Wahiawa and the surrounding communities and without it in place, it will affect the noted areas, 600+ employees, their families, the island of Oahu's other hospitals medical services and patient care. Keeping it open will also refrain from adding 600+ cars or bus riders on the road as most of the employees live either in Wahiawa or the nearby communities. You will also save money from paying out unemployment benefits. In advance, mahalo for your consideration and support!

Name: Carla Herrera

Address: 58-038 Maika Place
Haleiwa, HI, 96713

Personal Comments:

Wahiawa General Hospital is an essential and life-saving part of the north shore community. The only other ER department in the Haleiwa area is Kahuku Medical Center and their ER is small and does not have the same equipment, services and manpower for this huge of a population.

Please help to keep Wahiawa General open. It's closure would literally mean life or death for anyone who suffers an emergency situation on the north shore -- especially for the elderly and during the massive winter surf season.

Please fight to keep this hospital open for our community.

With sincerity and respect,

Carla Herrera

Haleiwa Resident

Address: 6602 S Warner Street
Tacoma, WA, 98409

Personal Comments:

As a former resident of Honolulu, I am asking for the savior of Wahiawa Hospital. The need for local care for
central Oahu and the North Shore is a must! This is not something in which can be taken as light, it is a scary
position to say that the closest Hospitals will be either Kahuku Hospital or Queens West in Ewa. Please save
Wahiawa Hospital.

Name: Catherine Sarsona

Address: 95-510 Wikao Street K105
Wahiawa, HI, 96787

Personal Comments:

I grew up in Wahiawa and have special ties to this community. I have three children, which the first two were born in Wahiawa General Hospital. Over the years, we have visited the ER and have seen many family and friends go into the hospital to receive care.

I own a business along Kilani Avenue, we constantly hear the ambulance everyday. Which in my opinion shows that WGH is vital to our community and especially the North Shore. We are the only hospital between Kahuku & Pali Momi (or Queens West) Please consider the emergency funding, I find it absolutely necessary for this hospital to remain open for the needs of our community!

Mahalo!

Name: Fay Molina-Sagon

Address: 94-266 Hokulewa Loop
Mililani, HI,96789

Personal Comments:

My family history is intertwined with WGH, starting with my late uncle, Dr. Timothy Wee, one of the founders of this hospital. My relatives, my husband's relatives, my parents, were born here, treated here, were patients of the Skilled Nursing Facilities. My own 2 daughters- Dr. Lee Buenconsejo-Lum and RN Kelli Buenconsejo-were born here, were patients here, worked or used to work here, my husband Milton Sagon, worked here for 11 years. This hospital MUST STAY OPEN!!!

Name: Gabrielle Raquino Marcano

Address: 1115 Eho Eho Ave

Wahiawa, Hawaii 96786

Personal Comments:

I was born in Wahiawa General Hospital in 1957, I also had children there. We the people not just from Wahiawa, but along the North side of Oahu, Mililani need somewhere close to go to for any type of emergencies, and also for our growing population of the elders who may need hospice care. Hawaii has hospitals that will be too far to travel for some. Why take away something that IS important to health and life saving of our people? Instead give to saving our people lives!!

Address: 10818 Toledo circle
Bloomington Mn. 55437

Personal Comments:

Know many people who work at this hospital. I visit Hawaii several times a year and I have seen how important
this hospital is to that community. To close it would be a hardship for not only the workers but the surrounding
people who depend on it. Please consider helping keep it open . We need to start supporting more local
establishments in this country. Thanks for your consideration.

Address: 4728 Casper Dr NE

Roanoke Virginia 24019

Personal Comments:

As for all residents , that uses the hospital quite often and quicker to get there to save a life is a very useful idea to close it down.

Do you people help save lives or transport to Honolulu hospital and the patient dies. What is going on with all your thinking these days.. Just put your elderly in this position and ask yourself, would I want them to be seen at wahiawa hospital and stabilize the issue or transport them to Honolulu and risk their life on the way and die? Think about it. North shore needs that hospital..

Address: 304 Smoking Loon Ave

North Las Vegas NV 89031

Personal Comments:

Besides having a lot of family and friends that were born there, who in their right mind would close down a
hospital? You have to consider in the state of emergency with one less hospital means you have to travel
further to another one. What about patient overcrowding or even longer wait times for Doctor visits? Don't
forget about loss of jobs too. It's bad enough that you have to deal with the high cost of living.

Personal Comments:

WGH serves a critical need for the community and it would be a travesty if it needed to close due to lack of minor financial support. I have been to WGH many times and have taken my family for emergency services. It is comforting to have it so close to Mililani. I have also worked there for over 12 years and understand what a critical role the hospital serves to the financially distressed area. Please provide funding.

Personal Comments:

I am from Hawaii, both my children were born at Wahiawa General. I myself had several surgeries and many visits to the ER, because it was close in proximity to my home in Mililani. Closing WGH Would be a disservice to so many, including the neighboring military bases of Wheeler and Schofield, who do not have other nearby options. I plead that you fund WGH to remain open for the many generations who rely on them in their time of need.

Name: Norine Baker

Address: 2240a California ave
Wahiawa, Hawaii 96786

Personal Comments:

Please help keep the hospital going. When we had a hospital shortage (when St. Frances closed) Wahiawa General stepped up to help not only central Oahu, but all over. The people that work there are caring, the community feeling of being home. The hospital needs help to have a facelift. They did a great job on the ER area. With that we cannot afford to lose another hospital. We live on an island where traffic is worst, and if there is someone who is hurt and needs emergency care, coming from North Shore, Wahiawa, Mililani. And even our armed services do come here, because of emergency situations. It would be a tragedy to close Wahiawa General Hospital. Please help our community. Thank you for your time to read my message.

Personal Comments:

I used to work at Wahiawa General and it is the best hospital on the island. The staff is friendly, caring and very skilled. It would be devastating to hundreds of people who live in the area and cannot afford to travel to Kapolei or into town to receive their medical care. Wahiawa is truly a community driven hospital with quality care and the best staff around. It needs support to help keep it going. Please don't let Wahiawa General Hospital die.

Name: Lori Rodriguez

Address: PO Box 829

Kilauea, HI 96754

Personal Comments:

Wahiawa General Hospital is vital to the central and north shore population of Oahu. Not only does it provide jobs for many people, but it is the only hospital or emergency medical service north of Honolulu! I get very emotional at even having to write this or defend this wonderful hospital. I lived in Wahiawa for years. While there, my daughter in law became "ill". We took her to WGH emergency room. Turns out that her "illness" was actually a cyst on a fallopian tube that had burst and opened an artery with it. She was bleeding internally. Her blood pressure was so low that I thought the reading had to be wrong. We also found out that she was pregnant. The staff worked hard to stabilize her and then send her by emergency transport to Tripler AMC for emergency surgery. They were able to save her, and miraculously, save my beautiful grandson. I have no doubt, that if we had had to take her straight to Tripler, she and my grandson would not be here today. You cannot take this service away from central and north Oahu.

Fremont, CA 94555

Personal Comments:

Wahiawa General is the hospital my grandmother goes to. It's where my grandfather received the treatment that eased the last years of his life. It is the only emergency room facility that most of my family would be able to reach in time to make a difference if something happened. Allowing it to shut down would be tantamount to sentencing them to death or disability should they suffer a stroke, a fall, or a heart attack. Please don't allow this to happen.

Please support the above Resolutions in providing emergent financial assistance to Wahiawa General
Hospital.

Name: Monica Cunningham

Address: 176 Hakuone Place
Wahiawa

Personal Comments:

Not only will it help keep jobs, Wahiawa is centrally located. It's away from the madness of the H-1 Traffic making it more convenient for thousands of people to seek urgent care. This hospital also houses my husbands grandmother at their long term care facility. They recently completed renovations to the emergency room. Why would they want to shut it down? What else, as a community, can we do to save this hospital?

Personal Comments:

Pls don't let this community go without a hospital. Wahiawa is not in a third world county. I was born in the old Wahiawa General Hospital in 1949. Even then the State of Hawai knew it was right and important for Wahiawa to have a hospital to serve that community. Where are the prople of Wahiawa suppose to go for emergency care, all the way into Honolulu? This is shameful. Surely there is money somewhere to keep this hospital open which has been serving the Wahiawa people for over 70 plus years. Don't turn your backs on the people of Wahiawa

Personal Comments:

As for all residents , that uses the hospital quite often and quicker to get there to save a life is a very useful idea to close it down.

Do you people help save lives or transport to Honolulu hospital and the patient dies. What is going on with all your thinking these days.. Just put your elderly in this position and ask yourself, would I want them to be seen at wahiawa hospital and stabilize the issue or transport them to Honolulu and risk their life on the way and die? Think about it. North shore needs that hospital..

Personal Comments:

I have a chronic health condition and require frequent hospitalizations and ER trips. In the last seven years, I have been to Wahiawa for either emergency care or fluids in the infusion center well over 50 times. Each time, I have been treated VERY quickly, with compassionate care. They know me there. They know my health issues. They communicate with my Queens doctor. I don't know of one kid in the neighborhood who hasn't had to make an ER run for an accident or illness. Living in Waialua, the other closest hospital is Kahuku, which is much further away, especially if we need an ambulance transfer to Queens or Straub. (As has happened more than once in the past with me.) Also, the ER was just rehabbed and looks wonderful- the care I received a few months ago was on par with care I've received at the best hospitals in NYC. I am extremely concerned about the bind closing Wahiawa would put North Shore residents in. There would be wide-spread ramifications in our neighborhoods as well, as employees of the hospital might have to relocate closer to other facilities, if they can even gain new employment. Please do not close Wahiawa General. To discuss further, feel free to call me at (808) 348-8122. Mahalo.

Personal Comments:

My whole family was born in this Wahiawa General Hospital. It is the closest hospital for the residents of
Wahiawa and down to the north short residents. If there was to be a really emergency it will take to long to
get people to the hospital. If people die because they couldn't get help then it will be on you people that
closed the Wahiawa General Hospital.

Mililani, HI 96789

Personal Comments:

Please fund Wahiawa General Hospital as it has served my families needs for over 40 years. The emergency room has been a life saver for us on more than one occasion. With all the other hospital closures happening throughout the state, I cannot see us losing any more. Pali Momi is the next closest facility and it can take over an hour to get through Pearl City with all the construction that is going on. Wahiawa takes fifteen minutes. Do the math for a stoke patient.

Personal Comments:

If it weren't for Wahiawa General Hospital, my 89 year old father would not be with us today. Two and a half years ago, he was admitted to long term care after suffering a cerebrovascular accident. After weeks of recovery and care, he is still with us today. My parents live in Mililani Town, if it weren't for WGH, she would have had to commute to town or Pearl City to visit my foather during his recovery. It is imperative to quality of life, to have a hospital to serve the community of Central Oahu.

Name: Reynette Orillo-Alden

Address: 1758 - 21st Avenue

San Francisco, CA 94122

Personal Comments:

Please consider the challenges the North Shore and Central Oahu residents have to face in addition to their medical issues in the event that emergencies and regular medical issues arise. Traffic, money for gas, sitters, etc. My family and friends still reside on that part of the island. Please don't make things even more challenging than necessary. Please help Wahiawa General thrive. I was born there and it served me and, has continued to serve, my family well. Thank you for your thoughtful considerations.

Personal Comments:

I believe it is very important to keep wahiawa hospital alive. We in the country have a long drive to go any where else not only does it cause more congestion on our already busy highways but it takes away from us who rely upon close assistance. I have had to take my dad there when he had a heart attack to the ER and I don't know if I could have emotionally handled driving him further. My daughter was born here and my other daughter had a terrible allergic reaction and had to be rushed here at dinner time - if I had to go further to get her help she could have died. Please help keep this hospital active to help us that live so far away from other bigger hospitals.

Address: 1193 Olapa Lane
Wahiawa, HI 96786

Personal Comments:

Wahiawa General serves the local community that are unable to commute to other hospitals due to distance or time. For example, the military often use WGH for emergency services not only due to location, but due to satisfactory customer service. Also, WGH serves as the learning site for several nursing and nursing assistant programs. The hospital provides the learning environment and experience necessary to our future nurses.

Thank you.

Address: 34 Circle Drive

Wahiawa, HI, 96786

Personal Comments:

As a lifelong resident of Wahiawa, I have seen the need for Wahiawa General Hospital throughout the years. It not only serves the residents of Central Oahu, but the North Shore communities as well because the nearest hospital other than Wahiawa is at Kahuku or in Aiea. The Emergency Room is important to all residents in Central Oahu and the North Shore. The Long Tern Care facility has been a needed service for many families in this area. Please help the hospital remain open to provide much needed services for our communities.

To: Hawaii State Legislature

Name: Carole Ota

Address: 594F Mananai Place
Honolulu, HI 96818

Personal Comments:

As a person born in WGH and still a part-time resident of Wahiawa, the news about the possible closing of the hospital was devastating. I have literally dozens of cousins who were born in WGH and many aunts & uncles who have received acute care there. Without WGH, the lives of residents of Wahiawa through the North Shore will be jeopardized by their distance from emergency medical services. I have friends whose lives were supported by the care their parents/grandparents received in the long term care unit. I submit this petition also on behalf of my late parents, especially my mother, who spent her last two weeks of her life last year in her beloved Wahiawa General Hospital. She was a retired WGH employee, and also served there as a volunteer and member/officer of the WGH Auxiliary through the age of 92. Her devotion to WGH expresses the value of the hospital to this community. Please save this hospital.

Honokaa hi 96727

Personal Comments:

Respectfully, I ask all for Wahiawa General Hospital to stay. If u could have someone up date the facility and the position of unnecessary position of faculty by all means, just to keep budget. Central district and North Shore need your help. I still have family and friend whom I grew up with, I'm sure if it was your family u would want a Hospital close to your. Now I live on the Big Island, it very difficult to have open bed in the ICU on Oahu. So image how crowded it would be for the queens, kapiolani, straub etc. I really wouldn't want to go to Maui hospital, I have no family there. Hope u decided to grant Wahiawa General Hospital my birthing place Aloha

Please support the above Resolutions in providing emergent financial assistance to Wahiawa General
Hospital.

Name: Leah Jackson

Address: 173 101 pipi cr
Wahiawa

Personal Comments:

So much faster and better care than Tripler for military. Also far more convenient for wahiawa and Schofield! I
always have to wait 6+ hours to be seen at Tripler and am in and out of Wahiawa general within 3 hours!

To: Hawaii State Legislature

Name: Joy Molina-Yacapin

Address: 94-459 Papolohiwa Street
Mililani, Hi. 96789

Personal Comments:

Wahiawa General Hospital provided a great deal of support to my parents, Manuel and Ellen Molina from 1995-2006. They were both elderly and needed some time at SNF when their conditions required confinement. Since I lived in Mililani it made it possible for me to visit and assist them daily. If this hospital wasn't available it would have been very difficult to commute to Honolulu daily. With this in mind, I humbly ask that the hospital remain open to help Wahiawa and the neighboring communities. Please show your compassion especially for the elderly who now reside at SNF. Thank you for your consideration.

Address: 2214 44th St

Washougal, WA. 98671

Personal Comments:

Wahiawa General Hospital is a critically needed hospital for such a large portion of Oahu. My husband suffered a huge stroke a while back, and Wahiawa General's ER and intensive care unit saved his life. It is easy to say that the paramedics and an ambulance can get you to a hospital in another town, but in emergencies such as a stroke, "time lost is brain lost," according to the American Heart Association. That time spent in an ambulance should instead be spent at an ER center, using all of the equipment and technology there to save lives. I know that my husband would not be here with us today, if not for Wahiawa General Hospital.

Name: Teresa Shepherd
Address: PO Box 89583
Honolulu, HI 96830

Personal Comments:

Having been born and raised in Waialua, I've had my share of medical emergencies serviced at Wahiawa General Hospital--from broken bones to car accidents. In fact every member of my family has benefitted from the hospital at one time or another. It may be a little "country hospital", but the doctors and nurses at WGH are all top-notch! And if it weren't for WGH's close proximity to Waialua, my father would not have survived his stroke and heart attacks if he had to be sent to the next nearest hospital (Pali Momi) another 10-15 minutes away without traffic. In addition, the closure of WGH would cause an extreme burden on the remaining hospitals still open. My elderly mother still lives out in Waialua and I fear for her life should WGH be closed. Please save Wahiawa General Hospital. Mahalo!

Address: 101 Kulanani Pl
Kula, HI 96790

Personal Comments:

WGH provides essential services to an important rural community. It is at least as essential as Kahuku Hospital which received state assistance several years ago. I had the benefit of receiving residency training in family medicine at WGH and my experiences there prepared me to practice in the rural community on Maui where I now live. Truly other training hospitals in Oahu discourage residents from rural practice while WGH training encourages and prepares one for it. Rural residents deserve the same quality and timeliness of essential medical services as urban residents. The role of government should be to support these services for rural areas when necessary.

Address: 95-306 Laipu Place
mililani, hawaii, 96789

Personal Comments:

Please help Wahiawa General Hospital stay open. We lived in the north Shore for many years and later moved to mililani and this is the closest hospital to us. From 3 children being born there to many rush ER visits with the kids. My son was literally born a few minutes after we got to the hospital, they called him t he drive through baby, if we had to drive to a hospital that was further he would have been born in the freeway on our way. Y they survey a community that needs a hospital in that area. PLEASE help keep it OPEN!

Address: 44-119 KAHINANI WAY
KANEHOE HI 96744

Personal Comments:

It is so important to keep Wahiawa General Hospital open for our communities from the Northshore to Central
Oahu. It's closure would mean hardship for many that count on and use Wahiawa General Hospital and the
long term care facilities, not to mention the jobs and volunteers. Please support our community needs. Keep
Wahiawa General Hospital OPEN!! Thank you.

To: Hawaii State Legislature

Re: Hearings of Health, Finance and Other Committees on HCR 118, HR 73, SCR 150 and SR 112
requesting the Governor and Legislature of the State of Hawaii to provide immediate and

Address: 94-271 Kupulau Place
Mililani, Hi. 96789

Personal Comments:

We need Wahiawa General Hospital to stay open to service the growing homeless population in Wahiawa and on the North Shore. To help further the education of the Nursing Students from UH-Moana and Hilo; LCC, KCC, West Oahu and University of Phoniex. This hospital has been a part of the community for over 50yrs and to close will be a financial loss to the community and to the people who work here. Please consider keeping Wahiawa open for future generations.

Name: Aaron Suzuka

Address: 3536 Kumuwai Place
Honolulu, HI, 96822

Personal Comments:

Wahiawa general hospital is one of the only hospitals serving Central Oahu and the North Shore of Oahu. Without a hospital serving that side of the island, the state would be denying basic and emergency health care to that side of the island. If Wahiawa closes abruptly, it would put a lot of our already meager health workforce out of jobs.

Address: 36 Haumalu Place

Wahiawa, Hawaii, 96786

Personal Comments:

As a long time residents of Wahiawa, we have used your facilities for many, many years and feel that it is providing a much needed service here in the rural community. Two of my children were born here, we have made use of the emergency rooms a couple of times, and my breast cancer was detected via the mammograms given at Wahiawa Hospital. We even had our colonoscopies and my husband's surgery preformed here. Wahiawa Hospital is a valuable facility for all of us and we appreciate the services provided. Please fund the hospital to keep it open here. Mahalo!

Name: Dwight Ishiguro

Address: 67-240 Ku Place

Waialua, HI 96791

Personal Comments:

Aloha, I've heard that there is plans to close Wahiawa General Hospital. I am not sure of the reasons but I do know that this will mean that emergency medial attention will be a farther away. The legislature seem to think in terms of running a business. This issue is not about running a business. It's about people's lives. How has this even become an issue? We tout the Northshore as a visitor destination and as the recent surf contest held at Waimea Bay showed, emergency attention is needed at all times. I really don't want politicians deciding if saving a life is worth the cost of keeping a facility that is capable of administering emergency care necessary. Just the thought of closing Wahiawa General Hospital is a no brainer. Would it be acceptable if one of your family had to extend the time it would take to save their lives? We need to think about peoples lives and not if it's worth the dollars. Maybe it should be asked, how much is your life worth? It could be one of your family members or friends who would need the emergency care from a well located hospital. As we speak, there are two emergency vehicles with sirens headed to Mokuleia. Go check the logs. It's 1:04 pm, Sunday, March 20.

Mahalo

Name: Melanie Payanal

Address: 962 Kealaolu Avenue
Honolulu, HI 96816

Personal Comments:

Wahiawa General Hospital is where I trained as a Family Medicine resident for three years. I cannot express to you how important WGH is to our central and North Shore communities. Without the access of this county hospital, many would go without care. Please help to support this small, but very powerful hospital continue to serve. It is because of my wonderful experiences there that taught me to be the compassionate physician I am. Paying it forward, I am now in private practice, continuing the legacy that WGH taught me over the last three years.

Name: Harvey Nakayama

Address: 11082 West Oregon Place
Lakewood, CO 80232

Personal Comments:

My younger brother and I were born at Wahiawa General Hospital. My aunt, Margaret Ota worked in Radiology and volunteered at the Thrift Shop. It has been and should be central Oahu's medical service for Wahiawa, Kunia, Haleiwa, Waiialua and the surrounding areas. At the very least, retain the Emergency Services. It could be YOU or your FAMILY that will need that service so be compassionate and support keeping it open. Mahalo.

Name: Christine DeRosa
Address: 2115 N. Hollister St
Arlington, VA 22205

Personal Comments:

Although I am a Virginia resident now, I am a Wahiawa girl. In fact, I was born in the old Wahiawa General Hospital (over 60 years ago!). I have returned at least once our or twice yearly to visit my parents who still lived in Wahiawa until my mom died last summer.

I was shocked to hear that WGH may have to close due to financial crisis. I cannot imagine what would happen to thousands of residents of Wahiawa, Waialua, Haleiwa, and beyond who would not have access to the medical care and rehab care offered by WGH.

There are many excellent staff members, including some caring, professional nurses who took care of my mom and dad during their many admissions. Many friends and relatives have also benefited from the care at WGH. My mother devoted almost her entire life to WGH , as a 20-year employee in the xray department, and then as president and volunteer with the Women's Auxiliary.

Please help Wahiawa General continue to help the community.

Personal Comments:

This is a community hospital that serves a vast community. A community of strong and hard working people,
among others. If you are in Haliewa, Milani, Wahiawa, or any other north or west island community, and you
are having a stroke or a heart attack, and WGH is closed...I ask you this. What are your chances? Time is of the
essence. Calculate the minutes lost in transit from Haliewa to Queens west, or any other ER. AND... How busy
and full is Queens west, or Pali Momi, or any other hospital be when you get there?

What if it was your wife, mother, husband, daughter, son, best friend?

Name: Ann

Address: 2802 Alapa Loop Apt C
Wahiawa HI 96786

Personal Comments:

I've had to use this hospital twice since we've been here the last three years. Once for a dog bite, the second for a kidney stone. There's no way I would've made it on my own all the way to Tripler. It may not seem like much to drive 20 miles, but when you're in a serious painful situation, having a closer place to go without all the traffic is essential. Closing Wahiawa Hospital would be devastating to the surrounding communities.

Address: 2156 Hoolaulea Street
Pearl City, HI 96782

Personal Comments:

Please, please support the efforts to keep Wahiawa General Hospital financially afloat. WGH provides critical medical services to Wahiawa and the North Shore communities. Also, its Senior Behavioral Health unit provides one-of-a-kind services for diagnosis and treatment of behavioral issues that beset our kupuna. My Aunty H has been hospitalized several times at WGH/SBH for her Major Depressive Disorder w/ Psychosis. Without this specialized care, she would NOT have recovered. The physicians and staff at WGH are outstanding in their commitment to patient care and well being and devoted to service to our rural community. Please help to save Wahiawa General Hospital so that it can continue its lifesaving mission. Thank you!

Address: 2665 Kaiona Ave
Wahiawa, HI 96786

Personal Comments:

I live in Wahiawa with my two young children. I cannot imagine one of them being in need of immediate medical attention and not having a hospital closeby. The way traffic is so unpredictable here it would be awful if WGH closed. Just thinking about being in that situation with my children is putting me near tears as my kids are my everything. WGH is always clean, friendly, and quick and we would definitely choose to go there in an emergency rather than driving further.

Name: Joanne Paula Rontale

Address: 1021 Whitmore Avenue
Wahiawa, HI, 96786

Personal Comments:

Please keep WGH open! I volunteered in the Long Term Care facility during my high school years, and I can attest to how much the patients need the facility for services. Not only that it will affect many workers but it will also gravely affect the community as well. WGH is a convenient hospital that many people go to for diagnostic, and emergency purposes. I am now a nursing student at Hawaii Pacific University, and I plan to volunteer in the near future.

Name: Megan Booye

Address: 1762 Lanialii Lane
wahiawa, HI, 96786

Personal Comments:

I love this hospital! I was super hesitant because of the location, but my need for medical care out weighed the superficial concerns. Once I walked up to the hospital, went thru triage without any hassle, and saw the cleanliness of the hospital I was less nervous. Once I met the staff, the Nurses, PA, and Doctor I felt as ease. I left there feeling taken care of and knew I was in good hands.

Honolulu Hawaii 96815

Personal Comments:

On December 31, 2002 I was admitted to Wahiawa General Hospital and spent nine days in critical care from a severe accident I had a pipeline on the North Shore. If it was not for the great staff of Wahiawa General I would not be living today. Please do all you can to keep this wonderful hospital open and if you would like to see video of my near death experience I will be more than happy to send you links. I have been featured on Dateline NBC the History Channel MSNBC and Spike TV not to mention other news cast around the world and our local news cast.

Respectfully

Ray Hollowell

Name: Alyssa Ohmes

Address: 151 Hikina court unit 101
Wahiawa, HI 96786

Personal Comments:

Wahiawa General helped with a misdiagnosed ailment my son was given at a different Doctor. Without their
care we wouldn't have known he had a upper respiratory infection and needed breathing treatments.

Name: Kristin Miura

Address: 952 Luawai st.

Honolulu, Hawaii, 96816

Personal Comments:

Hospitals are important. Please consider saving this hospital. As humans, it is our responsibility to ensure that all humans have access to care. If we eliminate this hospital, lives are at stake. Health care workers don't get paid well for the job that they do, but they have the heart to save lives and be there for those who need them, when they need them, no matter what the cost.

Address: 66-114B Haleiwa Road
Haleiwa, HI 96712

Personal Comments:

Wahiawa General Hospital has been a part of each and every resident living on the North Shore. Their services cover emergencies, to sicknesses, to our old ones who need helping hands. It would be a disaster if our health center closes down because it provides antiquate services from the central rural area to the North Shore. This area covers Wahiawa, Mililani, Mokuleia, Waialua, Haleiwa, Sunset and Kahuku. We all know that time is vital when there is a medical emergency. Closing Wahiawa General Hospital would be devastating for everyone who lives in the community. Please help us save this facility!

Wahiawa, HI 96786

Personal Comments:

I have moved home to Hawaii last year with the goals of owning my own home and providing for a family. I have been working at Wahiawa ER since I've moved home and I love every bit of it. The newly renovated ER, my coworkers and providing care to the community. If Wahiawa General Hospital closed, I would not be able to live the life I envisioned and it would be very unfortunate. On the other hand, medical services would not be readily available to the community and I feel that is very dangerous, to think if there was any sort of emergency with a loved one they would not be able to be given the proper care they need. I ask that you please provide the financial support that Wahiawa General Hospital is requesting. I appreciate it.

Name: Angel Phillips

Address: 1204 Auwai Drive
Wahiawa,Hi

Personal Comments:

I was born at Wahiawa General hospital. So was my mother, my sister, my aunts and uncles and cousins. I missed being able to deliver my own daughter at WGH by weeks. The maternity ward shut its doors in 2007. That hurt my heart then. But closing Wahiawa General? Yes, it's not the greatest hospital in the world but it has provided care for so many and is the most centrally located hospital for central Oahu. So much money and time was just spent renovating the emergency room and for what? Closing down this hospital isn't logical, it will have great negative impacts on the community, as patients, as employees and as a cornerstone of Wahiawa.

Wahiawa, HI 96716

Personal Comments:

Wahiawa General has taken care of me since I was a kid! I broke my arm, collar bone, noes and toes and the hospital and staff was amazing! Please don't close the hospital! It is very important to the community, and please keep in mind that that includes the north shore. Kahuku hospital is in horrible condition and Wahiawa is the only hospital people feel comfortable to go to.

Personal Comments:

I am submitting the signing of this petition in support of urging the legislature to provide emergent funding to keep Wahiawa General Hospital open. We desparately need WGH to remain open especially for emergency care for the surrounding communities. Without WGH, the distance to the nearest emergency facility will be a danger to the lives of so many people. My mother, Margaret Ota retired from the xray/imaging department and was a long time volunteer with the auxiliary board. She and her fellow volunteers raised funds every year to support the hospital that provided care for their friends, families, themselves and countless others. Especially in their aging years, my mother and father visited the emergency room several times and received the urgent care which helped them to live an extended life. I cannot bear to think of what would have happened if WGH was not available for emergency care, hospitalization and outpatient care. I also would not want the employees of WGH to lose their job. They are good care providers and deserve the support of the legislature. I hope those involved realize the importance of keeping WGH open for the community and employees.

Name: Rollin J Canon

Address: 66-114B Haleiwa Road
Haleiwa, HI 96712

Personal Comments:

Wahiawa General Hospital has been a part of each and every resident living on the North Shore. Their services cover emergencies, to sicknesses, to our old ones who need helping hands. It would be a disaster if our health center closes down because it provides antiquate services from the central rural area to the North Shore. This area covers Wahiawa, Mililani, Mokuleia, Waialua, Haleiwa, Sunset and Kahuku. We all know that time is vital when there is a medical emergency. Closing Wahiawa General Hospital would be devastating for everyone who lives in the community. Please help us save this facility!

Personal Comments:

Wahiawa general is the closest for all of us here in wahiawa and north shore area. In an emergency every second counts. My kids was born in this hospital and I thank WGH for that but mostky for all they did for my daughter the day she was born she was 3 month premature and I barely made it to the room before she arrived. Everyone was on it and made sure my daughter was cared for and WGH made all rearrangement with the specialist and special equipments for my premature baby. So please keep the hospital open aND if there is anything I can do please don't hesitate to call or email me thank you.

Name: Marlynn Tyler

Address: 2613 California Ave
Wahiawa, HI 96786

Personal Comments:

Please dont close the hospital. In my neighborhood there are many elderly that rely on wahiawa general. Pali Momi is just too far for them to be from home and family. My neighbor is 79 and frequents the ER. Sometimes she's admitted and cant leave for days or even weeks. She cant even see specialist in town because the drive for her is too far away. There are many like her in my area. Taking life saving services away from them would be terrible thing to do. Please help wahiawa general find its way back to self sustainment for the sake of its community.

Name: Lorrin Okukura

Address: 95-1404 Lehiwa Drive
Mililani HI. 96789

Personal Comments:

After the closing of the St Francis West hospital a couple of years ago, it created a extreme problem for the residents of the Westside of Oahu. The EMS system is just starting to recover from that time as it created major backlogs with response times, patient care, longer transports and hospital divert situations.

With the potential closure of Wahiawa General, the exact scenario would be duplicated by such an action. It would create the same problems for the Central population as it did for the Westside.

The EMS system would be taxed again and providing proper care for patients would be delayed. The closest hospital would be the West or Pali Momi which would cause our ambulances to go way outside of their area of coverage causing delay in EMS response times in that area. Closing the facility is not the answer, we would be setting us back 10 steps as we finally started to recover from the prior closure

Personal Comments:

Waihawa hospital is important to the health of community members. With traffic and construction, the
location and service of waihiawa is vital for saving lives who need immediate care. Long term care patient are
limited with resouces and it would be harmful not only for them but for working families. Please put people
first and save this hospital.

Name: Matthew Takashige

Address: 297 Iliwai Dr
Wahiawa

Personal Comments:

Born in the hospital and raised in Wahiawa, there was always a sense of comfort knowing there is a hospital in
the town. Throughout the years many visits were done even though you hope you don't need to ! But for it to
stay afloat, I agree that people have to eventually "pay" for their services. That's the only way it can survive...

Personal Comments:

As a pastor (Calvary Chapel Wahiawa) and as a member of the North Shore community I am beseeching to all
who are concerned not to make such a devastating decision in not supporting and helping fund Wahiawa
General Hospital. I have lived and worked in this area since 1983 and I know first hand the value and need for
this hospital to not only exist but to succeed. It has been the saving and helping of many lives. Please make the
right choice and support this hospital. Thank you very much.

Sincerely

Pastor Alan Leigh

Name: Kristie Dela Cruz

Address: 95-1058 Melekomo St
Mililani

Personal Comments:

WGH services a huge community. Wahiawa, Mililani, North Shore. It needs to remain operational. Yesterday a friend of mine rescued a young boy getting swept away in the rough waters of Mokuleia. My friend swallowed a lot of water and was exhausted. The paramedics took him to WGH to get checked out. I'm sure WGH sees a lot of patients due to ocean injuries because of the rough waves at North Shore. WGH needs to be up and running for all the lives they have saved and will save.

Name: Lori Shimabukuro

Address: 102F Kilea Place

Wahiawa, Hawaii 96786

Personal Comments:

The closure of this facility will have negative impact on the Wahiawa and surrounding communities. We have benefitted from WGH in many ways. The community of Wahiawa and some of the North Shore areas have aging populations to which the location and provision of WGH serves well. The recent renovations of the emergency facility, the lab and x-ray services provided allow community members to receive services where they would otherwise have to travel distances to obtain these services. Sadly, for some, transportation is not always available. Not to mention many of the employees who would be displaced come from the central oahu and north shore areas. Loss of these positions and shortages of employment openings in the medical field would result in financial impact on the families and economic impact in these areas. Please consider supporting WGH.

Name: Daynell Neilsen

Address: 223 Clark Street

Wahiawa, HI 96786

Personal Comments:

Please fund Wahiawa General Hospital! The closure of WGH will greatly impact our community as well as my family on a personal level. I live in Wahiawa and care for my 88 yr old grandmother with dementia. Due to her age and health issues we have had to bring her to the ER at WGH more than a handful of times over the last 2 years. When it's a matter of life and death, the location of a treatment center nearby, for family in Wahiawa or any of it's surrounding communities, has a huge impact. Not to mention the hundreds of people that will lose their jobs due to a closure. Please choose to fund and keep Wahiawa General Hospital open. Thank you for your consideration!

Name: Oceana Caravallo

Address: 223 Clark Street

Wahiawa, HI 96786

Personal Comments:

Wahiawa General Hospital has been a pillar to our community for years. The closure will greatly affect many elderly, health challenged people and for some, may even perhaps be a matter of life and death with no ER nearby. What will happen to all of the individuals living in the long term care facility? By not funding Wahiawa General Hospital, there will be hundreds of people at risk for unemployment. Please choose to fund and keep our Hospital open. Mahalo!

Name: Seichi Nagai

Address: 1983 Hoolaulea St.
Pearl City, HI, 96782

Personal Comments:

It is a no brainer that a hospital is needed to provide health care services to an area population. A hospital is a business entity and many businesses today are under duress to remain open and Wahiawa General is no exception. it would be a very humanitarian gesture to provide support to a business that cares for the human being. I believe it would be a shame if a hospital has to close it's door.

Address: 91-1037 Pohahawai Street
Ewa Beach, HI 96706

Personal Comments:

The Central Oahu-North Shore communities need an emergency facility to service the families who live there. Also, if the long-term care facility were to close, those who live there be moved to care homes further away from their families. They need to remain close to their loved ones who provide much needed, emotional support.

Name: Wendy Nicolas

Address: 1065 Kawaiahao Street #1406
Honolulu, HI 96814

Personal Comments:

Please keep this hospital open. It is critical that residents close by need a emergency health facility nearby. Lives in that area depend on it & having this available will keep from overwhelming other hospitals. Not to mention the livelihood of the staff.

Both my nephew & niece were born there. I always felt that hospital kept a humbling family environment. It had the sense of a close-knit community which was very comforting.

Please let's not gamble of the lives that may depend on the care of this hospital & putting the staff in dire straits to find jobs elsewhere.

Personal Comments:

Born and raised in Wahiawa, our families need Wahiawa General Hospital to remain open provide vital
Emergency and Senior Skilled Nursing facilities to our families, our parents, our children, both living in the
Central Oahu area, as well as the North Shore. Closing Wahiawa General Hospital would jeopardize the health
and well-being of thousands of families in these voting communities.

Address: 3200 Pacific Hts Rd
Honolulu, HI 96813

Personal Comments:

Wahiawa General Hospital supports a large number of poor and non insured patients often with multiple medical problems. It's not a new flashy hospital for the wealthy certainly, but it supports these less fortunate people as even more of them are pushed out of honolulu area.

The hospital has just finished an expensive ER renovation more than doubling it's ER room capacity, now immediately helping more people.

Don't turn your back on the less fortunate of the population. Medical care for this population has always been a cost. There isn't a state hospital on Oahu, and Wahiawa General Hospital is the closest thing to it. It's better to help fund short comings as a non profit, than run it as a state hospital.

Personal Comments:

Wahiawa hospital is a great aspect and need for this part of town. They are the closet hospital in this part of town and it is important for the safety of the people. They have a the care home there, Where will there families put there family members? Not just only the patients but what about the employees? Many people will be out of jobs, more people struggling even more. We should want to make a community stronger not hurt it! What use would it be if we got rid of it.

Personal Comments:

By not passing this Resolution, it will result in a great dis-service to 1/3 of the population of Oahu. Wahiawa
General Hospital provides life-sustaining care to our residents and visitors. Without this facility, it will not only
burden other hospitals, but runs a very real risk potential of unnecessary loss of life or severe life-threatening
illness/trauma. PLEASE KOKUA AND PASS THIS RESOLUTION!! Mahalo!!!

Name: Margaret Nakakuni
Address: 94-1030 Aoku Street
Waipahu, HI 96797

Personal Comments:

I am in support of HCR 118, HR 73, SCR 150 and SR 112 requesting the Governor and Legislature of the State of Hawaii to provide immediate and emergent financial assistance to Wahiawa General Hospital. The hospital has to remain open to continue providing their valuable and much needed acute care services for both inpatient and the emergency department and services for outpatient care and long term care to the central Oahu and north shore communities. Additionally I am an employee here at the hospital and should the hospital close down that would create a great personal financial hardship for me. I am still paying my mortgage on my own. I don't want to lose my house that I worked so hard for. Please approve funding so Wahiawa General Hospital can remain open.

Thank you.

To: Hawaii State Legislature

Address: 94-1111 Mo'olelo
Waipahu, Hi 96797

Personal Comments:

Wahiawa General is very important to our community. Their expertise, knowledge and skill provides a source of comfort for all who lives here. They have saved my mom's life last March 2015. If they were not there my Mom would have passed. I've worked in the health care industry for 32 years and currently employed by the largest health Care system here in Hawaii.

Wahiawa standards are equal to or surpasses in certain health care arena's.

It would be a disservice to us not to support Wahiawa General. If we had a choice to receive care Wahiawa would be our first choice here on the West side. Many of our neighbors has identical options.

Address: 125 Shumard Dr
Aledo, TX 76008

Personal Comments:

I live in Texas now, but I lived in Hawaii for 3 years, in Wahiawa specifically. I graduated from Leilehua High School, and because of that I have a special connection with that town. I lived my three years there and wouldn't trade it for the world. The hospital is a very important part of the town, and I know for a fact that the people of Wahiawa would suffer without it.

Address: 67-415 kioe st
waialua Hi. 96791

Personal Comments:

This is my second petition because I was not sure you got my first one. My main plea is that you would fund the Wahiawa Hospital. It serves a great purpose and has been a blessing and help for this whole area. It has saved many lives and helped countless people and is necessary and vital to central Oahu. I have lived in Wahiawa and on the North Shore since 1981 and have pastored since 1988 and I know what the hospital has meant to all the surrounding communities. Please without any hesitation or doubt let the funds needed be given to this important community asset and needed hospital. Not doing this will be a major hinderance and damaging to our communities. Thank you and please do what is right this is an investment to the health and life of Hawaii.

Pastor Alan Leigh

Name: Malaea Wetzel

Address: 150 South Cane Street
Wahiawa, HI 96786

Personal Comments:

As a lifelong resident of Wahiawa, my family has benefitted from Wahiawa General for over 40 years. My grandmother was housed in the Skilled Nursing Facility in the late 1990's. My mother received her chemotherapy there in 2003. She also received excellent care in the ER and the hospital while she was battling lung cancer. Most recently, my father, who is 70, was treated at the ER twice in the last 8 months. If Wahiawa General were not in existence, it is likely that in both instances, he would not have survived. I am also the principal of Hale`iwa Elementary School. Several of our employees depend on the hospital for urgent health care. In the past 12 months, one of our families has visited the ER numerous times. The location of the hospital is critical to the lives of people on the North Shore and in Central Oahu. I am also aware that Wahiawa General employs at least 2 parents of students who attend our school. Not only does the hospital provide urgent health care, but it is a vital employer to people in the Central Oahu and North Shore area. I strongly support the resolutions that request the Legislature and the Governor provide emergent financial assistance to Wahiawa General Hospital.

Name: Debbie Hart

Address: 95-184 Ihuku Pl.
Mililani, HI 96789

Personal Comments:

The risk of losing Wahiawa General Hospital will greatly impact the response rate for medical attention in an emergency for the area from Mililani to Kahuku and possible farther. There are limited emergency medical options for this area now so we cannot afford to lose this hospital. In my own family both my parents have received emergency medical attention several times in the last 10 years that has been essential in reducing their risk for death. Although it is a small hospital, it is effective in a great portion of the C&C of Honolulu.

Wahiawa HI 96786

Personal Comments:

Please help Waihiawa General Hospital. I have 2 small children and if I have a really bad emergency, having to drive to Ewa or Tripler or further could cause the emergency to be much worse. Even if they were to go by ambulance, traffic makes it very difficult to get to an emergency room quickly. Please help this hospital get the funding it needs so they can continue to help those who need it and continue to save lives that could have otherwise not been saved if they had to travel far to get help.

Address: First Baptist Church, 1233 California Ave.
Wahiawa, HI 96786

Personal Comments:

The Wahiawa General Hospital is a vital part of the greater Wahiawa Community. Many in our congregation have looked to the hospital as central to their medical health and well being for many decades. It is the only option for emergency care in the entire central Oahu area. We are grateful for the professional care and many years of community presence. Thank you for joining us in working to keep this important resource in Wahiawa.

Personal Comments:

Wahiawa General Hopital has always been my lifesaver. I am a heart patient and WGH is the closest hospital
from my home. They take good care of me. It would be tragic if they close the hospital. Where will we all go ?
Other hospitals will be full and longer wait times. People will die.

Address: 157 Kaliko Dr.

Wahiawa, HI 96786

Personal Comments:

Since remodeling and improving the emergency unit patients have a facility to go to. If Wahiawa General
closes that means there is no hospital serving Wahiawa to kahuku and beyond. When st. Francis West closed
the Wahiawa General was very busy with sometimes 4 or more ambulances bringing patients to the facility. It
also has a long term facility to service seniors in the area. A hospital is definitely needed in the community.

Address: 94-191 Kiaha Loop
Mililani, Hi. 96789

Personal Comments:

I have been employed at Wahiawa General Hospital for over thirty years now. I would not leave over the years because I truly love the hospital and the people I work with, from the housekeepers all the way up to Management. Wahiawa has always been my second family. My mother was dying of cancer six years ago and originally she was at Pali Momi. Everyone treated my mother well at Pali Momi but she said if I am going to die in a hospital then please take me to Wahiawa. It wasn't because I worked there because she had worked there also years previously and even though many of her co-workers were no longer there, she still remembered how at home and safe she felt while at Wahiawa General. Please consider giving us the help and support we need to continue to give the love and care to patients and family members of our community.

Personal Comments:

Nearly my whole family had been born at Wahiawa General Hospital. Most of us delivered by Dr. Timothy Wee. We have deep roots in Wahiawa. As an adult, raising my children in this community, it brings me comfort to know that when a medical emergency occurs I don't have to worry about driving miles and miles away to get immediate medical care. It serves many communities north of us and could mean the difference of life and death depending of the severity of emergency. There is no question that it must remain to serve Central Oahu and the North Shore. Many of our friends are employed there. Six Hundred employees, six hundred wage earning head of households providing food, clothing and shelter for there families. Remember legislature you are a representation of the people. Please serve your communities well.

Name: Beverly Smyth

Address: 174 Lee Rd 467

Smiths Station, AL 36877

Personal Comments:

Wahiawa General Hospital is very important to the communities of Wahiawa town and surrounding areas. The closure of the hospital would be horrible for this community as it is the only acute care and critical access healthcare facility in the area. In the event of an emergency, the closest emergent care facility would be QMC-West or Pali Momi, which is 20-30 minutes (without traffic) from the North Shore towns of Kahuku, Sunset, and Waialua. That endangers providing emergent care for people in that area. Please consider the safety and well-being of the community that WGH serves in making the decision to approve funding to keep this much needed hospital in business. Mahalo!

Name: JoAnna De Vincent

Address: 52 Nevada St
Bishop, CA 93514

Personal Comments:

I was employed at Wahiawa General Hospital in the x-ray department from 1985-1998. During the summer months when there were a lot of tourists, we would have quite a bit of traumas from accidents, etc. If the patients have to be routed somewhere else that would take longer for them to get the treatment needed. The hospital may not look "modern", I don't feel that is the important part, but the care and expertise the patient would receive is great. We were and are a caring crowd that worked together. The north shore needs that hospital to remain open. I miss working there.

Address: 4110 61st Ct SW

Tumwater, WA 98512

Personal Comments:

As a former citizen of Wahiawa, I believe that this hospital needs to be saved. With the nearest hospital being
either Queen's West or Palimomi, valuable life saving time will be lost in the shuffling of patients. WGH does
not only serve the community of Wahiawa, but other smaller communities that surround the central area. To
see the loss of this hospital that has been part of the community since 1944 will be a sad day.

I implore the State of Hawaii to help out WGH, as WGH's reach affects more than our sleepy little town.

Name: Margaret grace

Address: 1589 eames st
Wahiawa hawaii

Personal Comments:

I am a resident of wahiawa would like to request that the state of hawaii provide temporary assistance for wahiawa general hospital. This hospital is really needed. This hospital services kahuku wailua haleiwa wahiawa and mililani. It is unthinkable of what could happen to our residents without this hospital. The nearest hospital from kahuku without wahiawa general is pali momi in aiea which is about 40 miles distance which would take an ambulance 1 hour and 8 minutes traveling time. That is pretty far for an emergency situation. We ask that you consider this temporary fix until other arrangements can be made.

Name: Beverly Smyth

Address: 174 Lee Rd 467

Smiths Station, AL 36877

Personal Comments:

Wahiawa General Hospital is very important to the communities of Wahiawa town and surrounding areas. The closure of the hospital would be horrible for this community as it is the only acute care and critical access healthcare facility in the area. In the event of an emergency, the closest emergent care facility would be QMC-West or Pali Momi, which is 20-30 minutes (without traffic) from the North Shore towns of Kahuku, Sunset, and Waialua. That endangers providing emergent care for people in that area. Please consider the safety and well-being of the community that WGH serves in making the decision to approve funding to keep this much needed hospital in business. Mahalo!

Name: Dale Tanouye

Address: 95-511 Ia Place

Mililani, HI 96789

Personal Comments:

Through the years my family relies upon Wahiawa General to provide Emergency Room care for my mom who will turn 98 yrs old on 4/11/16. Mom is like many senior citizens in Central Oahu who are in failing health. Currently Wahiawa General staff is caring for my mom who is suffering from respiratory problems. With beds unavailable at other hospitals, we are very grateful that Wahiawa General has stabilized mom's breathing after Mililani Hongwanji Adult Care contacted EMS on 3/17/16.

Last week mom would have died if Wahiawa General was closed.

With that said, please allow the hospital to remain open for Central Oahu residents.

Your serious attention is appreciated.

With a grateful heart,

Dale Tanouye

Haleiwa

Personal Comments:

Having worked as a nurse at WGH for nearly 20 years I cannot stress to you enough the importance of this facility to the people not only in the immediate community but from central Oahu to the North Shore and the Leeward coast. It is literally the heart and soul of Wahiawa. Without Wahiawa General Hospital many will go without desperately needed services at a time where access to healthcare is of utmost importance.

Personal Comments:

Why close this facility when others are trying to open something just like it? Work together to keep existing
facility open while providing more jobs and better care for patients.

Personal Comments:

Wahiawa General Hospital serves a vast geographical location and hundred of thousands of people. Without it the local population would have to rely on Kahuku Hospital and Queens West, which without a doubt would put a tremendous amount of stress on these systems.

HONOLULU, HI 96822

Personal Comments:

As a psychologist who has worked in nursing homes, medical settings, and private clinics, Wahiawa General Hospital has played a pivotal role in the lives of my pts and their family members. For anyone who has an elderly loved one suffering from significant depression, dementia w/ behavioral changes, or other emotional distresses you know how valuable it is to have a place w/ provider who can help that loved one get relief. Wahiawa General Hospital has been that place for so many. I do not know of any similar program that exists here in Hawaii for our geriatric population.

RE: EMERGENCY FUNDING FOR WAHIAWA GENERAL HOSPITAL

Dear Legislative Committee Members:

I live in Waiialua and went to the Wahiawa Hospital Emergency Room within the last few years when I had a bad fall and slit open my hand. A close friend that lives in Wahiawa went to this hospital recently when he suffered a devastating stroke that left him with mild paralysis. Had either one of us not had services close by, the results would have been far more dire.

My point is clear. Each and every one of us and/or our ohana and friends on the North Shore and Central Oahu have been treated at Wahiawa Hospital throughout generations. As our populations grow, even more facilities such as this one are needed, rather than fewer. I am fully supportive of using my tax dollars to keep this facility open.

I am e-mailing you because I only became aware of the ability to give online testimony now. I am glad I have this opportunity, as I am unable to go to the hearings

Thank you, Sherry Heiser
