Comments: We have an active makerspace on Kauai. We hope the bill will pass because we can expand our reach into the community with more \$. In specific we can get more kids to learn how to make things. This will lead to more ppl from Hawaii entering the nerd/technology field a decade later.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
