Comments: I would like to be supporting this legislation, however I recognize the federal preemption problem. If this legislation passed it would be found to in violation of federal law. The Supreme Court's decision in Citizen's United applies to all states. ON THE OTHER HAND so long as Citizen's United is the law -- our State legislators should strongly support public financed elections.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
