Malin Åhman	'Ono import	Support	No

Comments: My name is Malin Åhman and I am one of five owners and Investors of Swden based company 'ONO Import AB. The company imports Made in Hawaii products to Sweden. Initially we are focusing on 100% Kona coffee, Mamaki tea, Hawaiian Sea Salt and Macadamia Nuts. We are looking forward to expand our product line and the opportunity to guarantee delivery of hawaii made products to our re-sellers. We believe this project will assist the company in developing a manufacturing facility that will work with farmers and businesses in Kona, Hawaii to produce value-added agricultural product for local, national, and international distribution. Such a facility will help to diversify our economy and create jobs. Thank you.

Comments: As a lifelong small business advocate, I believe it's imperative that the state assist small businesses by supporting them with their growth. SB2301 will ensure small ag businesses in West Hawaii (and beyond) will have what they need to survive and thrive in our "new normal" economy, so I support it. Mahalo.
