Comments: I apologize for the late testimony, however I strongly support the passage of SB2329 relating to security interests in real property. The measure, if passed, will facilitate the clearing of the public records for real property titles of terminated or expired security interests. Thank you.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
