Comments: Aloha Chair Nishihara, Vice Chair Espero and members of the committee: I am Lt. Mike Oakland, HGEA, BU-14 State V.P. and Oahu Island Chairman and I am testifying in support of the INTENT of this measure. Although agencies that process this type of crime scene are limited within the state of Hawaii, I tend to agree with the Honolulu Police Department in that, unless there are additional resources given to provide these services then to take staff from other areas can create unintended problems elsewhere. If these concerns can be addressed then it may make for a good change, if not then maybe hold the bill until those issues can be addressed. Mahalo Nui Loa for the chance to testify on this bill and if there are any questions for me please feel free to call, 808-722-3913.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
