**Title of Bill:** SB 2541 RELATING TO INFORMATION TECHNOLOGY.

**Purpose of Bill:** Authorizes the State CIO to use or transfer funds, appropriated in the 2015 State budget Act, to executive departments and agencies for projects that have been approved by the governor.

**Department's Position:**

Chair Tokuda, Chair Wakai, and members of the Senate Committees on Ways and Means (WAM) and Economic Development, Environment and Technology (EET), thank you for this opportunity to submit comments in strong support of SB 2541.

The Department of Education (DOE) is currently implementing its new Student Information System (SIS) and funding for this project has been unavailable since the beginning of this current fiscal year. The DOE has been working continuously with the State's Chief Information Officer (CIO) since the beginning of FY 15-16 to release funding for this project, and the CIO has been fully supportive of the release of these funds. The DOE respectfully requests approval and passage of SB 2541.

Thank you for the opportunity to provide testimony in strong support of SB 2541.

SENATE BILL NO. 2541  
RELATING TO INFORMATION TECHNOLOGY

Chairs Wakai and Tokuda, Vice Chairs Slom and Dela Cruz, and Committee Members:

My name is Todd Nacapuy, Chief Information Officer (CIO) of the State of Hawai'i. I am testifying in support of Senate Bill No. 2541, Relating to Information Technology, which clarifies the State CIO's authority, with approval of the governor, to transfer and expend general funds and non-general funds appropriated in the 2015 Executive Budget (Act 119) to executive departments and agencies for projects approved by the CIO-led Office of Enterprise Technology Services.

Act 119 did not specifically permit the transfer of general funds to the expending departments. This bill authorizes the CIO to transfer funds appropriated in Act 119 to the departments. This is part of the State's new information technology (IT) governance process that evaluates, approves and monitors IT investments and projects. Those processes will ensure that State resources are managed and completed successfully.

S.B. No. 2541 is also consistent with recommendations made in ETS' Report to the Legislature on Expenditures and the Operational and Financial Feasibility of Sustaining IT Governance, submitted December 31, 2015, pursuant to Section 41 of Act 119, SLH 2015.

Thank you for the opportunity to testify in support of this bill.

**TESTIFIER(S):** Douglas S. Chin, Attorney General, or  
Lynette J. Lau, Administrator, Child Support Enforcement Agency

---

Chairs Wakai and Tokuda and Members of the Committees:

The Department of the Attorney General supports this bill.

This bill clarifies the Chief Information Officer's (CIO) authority to transfer and expend funds on technology projects, which were identified in the last executive budget, Act 119, Session Laws of Hawaii 2015 (Act 119).

The Child Support Enforcement Agency (CSEA) was appropriated funds in Act 119 to conduct a feasibility study to modernize its child support enforcement system. We support this bill as it clarifies the CIO's authority to transfer the appropriated funds to the designated agencies.

Thank you for the opportunity to testify on this measure.
