**Subject:** OBJECTION TO SENATE BILL 497

Aloha Senators,

As a SHOPO member, I strongly urge you to help me kill Senate Bill 497 and keep the police exemption in place from releasing names of officers named in misconduct or disciplinary actions by the department. This is because I am a police officer and have been for over 20 years and we should not have our names put out for the general public to see because we had some disciplinary actions taken. If we were to have major disciplinary actions taken against us then it would probably make the news (headlines) anyway so the list would likely be redundant. I agree in Chief Kealoha's vision of being transparent to the public, but, some things do not necessarily need to be made public....unless it could have a dramatic impact on public safety, and in this particular case I don't think it does.

Mahalo,

Sgt. Mike Goeas  
-Shopo Member Since 1994..

Good Morning Sir,

My name is Violet Williams and I am a 9 year veteran police officer with the Honolulu Police Department. I humbly ask that you vote against the Senate Bill 497 because unlike many other City & County of Honolulu workers, who are exempt from having their names, the disciplinary actions and charges against them in administrative cases made public. I, as a public servant hope that you see there is no good in making police officers name public for our safety and our family. Again, I ask that you vote against Bill 497. Thank you for your time.

Sincerely,  
Violet Williams
