LATE TESTIMONY

February 2, 2015

Re: SB 955

Chair Espero and Vice Chair Baker,

Lessons in Firearms Education (LIFE) supports SB 955.

It is impossible to teach safe firearms handling and responsibility if there are not places to legally shoot. Shooting is a perishable skill set that needs to be practiced regularly.

Ranges across the US have been closing because encroaching urban development. We need to preserve the few ranges we have and to develop new ones if firearms safety is truly a mutual goal.

We urge you to pass SB 955.

Very kind regards,

Bill Richter, President

LATE TESTIMONY

STATE & LOCAL AFFAIRS DIVISION  
DANIEL REID, HAWAII STATE LIAISON

February 2, 2015

The Honorable Will Espero  
Chairman, Senate Public Safety, Intergovernmental and Military Affairs Committee

Re: Senate Bill 955 – SUPPORT

Dear Senators:

On behalf of the Hawaii members of the National Rifle Association, I support Senate Bill 955.

SB 955 is a critical step in preserving the continued viability of shooting ranges in Hawaii. Shooting ranges have a long tradition of providing a critical service as a both a place to recreate as well as conduct various training for law enforcement, hunters and citizens. This bill is an important step towards protecting shooting ranges across Hawaii by providing much needed safeguards against retroactive regulations and lawsuits; ensuring an economical and safe place to utilize firearms.

Thank you for your consideration and I ask that you support this bill.

Cordially,

Daniel S. Reid  
State Liaison

Comments: Shooting ranges in this state serve as valuable resources for target shooting and firearm safety training. Shooting ranges and target shooting facilities are important public recreation resources and provide opportunities for law enforcement agencies and personnel to maintain necessary firearms skills. The existence and viability of shooting ranges is impacted by burdensome retroactive regulation and lawsuits, threatening the availability of vital firearms training to local law enforcement agencies, hunters, and the general public.

Comments: Strong support passing this measure to ensure the few limited, legal places we have to shoot our firearms are kept open. The fact that Oahu only has one public shooting range that is not open 7 days a week is a tragic reminder of how a few unhappy, anti-gun people can force their will on the rest of us. I own a gun and I vote!

Comments: SB 955... Related to Shooting Ranges... I STRONGLY SUPPORT... Nuisance lawsuits brought against lawful previously established shooting ranges, public and private, are often threatened by disgruntled neighbors and government agencies. This bill helps protect vital places to shoot... Mahalo to Sens. Gabbard and Slom for introducing it...
