Testimony for GVO on Mar 15, 2016 13:30PM in Conference Room 414

Submitted By	Organization	Testifier Position	Present at Hearing
Daphne Barbee	African American Lawyers Association of Hawaii	Support	No

Comments: The African American Lawyers Association of Hawaii (AALA) supports this resolution which honors President Barack Obama. A statute, school, library and even the airport should be named in his honor. He is the first President from Hawaii and the first African American President. These historical facts should be displayed proudly in our State by naming a monument or other public institution in his honor. Respectfully, Daphne Barbee-Wooten, President

Senator Donna Mercado Kim, Chair

Senator Les Ihara, Jr., Vice Chair

I support bill SCR66 and request that the State of Hawaii name a school, building, road, or area under its control after President Barack H. Obama. As he is the first United States president born in Hawaii, it would be appropriate to acknowledge our state's legacy.

And, in naming a state facility after the first president of African-American descent, Hawai'i would further promote its status as the nation's paradigm for multi-cultural inclusion.

Thank you for your consideration.

Sincerely,
