**PRINCE KUHIO HAWAIIAN CIVIC CLUB**

April 4, 2016

Aloha Senator Tokuda and Committee Members,

Prince Kuhio Hawaiian Civic Club is submitting a proposed amendment to the above noted Resolution.

In addition to the Governmental Representatives, the Resolution calls for one individual representing the eight community groups listed.

We suggest that the community representatives be increased to three, allowing for sharing of greater mana'o. We recommend the following:

'Aha Hipu'u (representing the Four Royal Hawaiian Societies)

Hui Hanai - (representing Queen Liliuokalani Trust)

Prince Kuhio Hawaiian Civic Club (representing the Association of Hawaiian Civic Clubs)

The Task Force would then total 9 members. This would provide a broader representation and yet not be as cumbersome as working with 14 individuals.

We appreciate your consideration. If you have any questions, please do not hesitate to contact me.

Me ke aloha,

Yvonne 'PeeWee' Ryan  
Pelekikena
