Application for Grants

If any item is not applicable to the request, the applicant should enter "not applicable".

I. Background and Summary

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

1. A brief description of the applicant's background;

The Filipino Community Center, Inc. ("Center") building project was initiated by the Filipino Chamber of Commerce in 1991, incorporated in 1992, and received its 501(c)(3) tax-exempt status in 1994. The mission statement of the Center is: to develop, own and operate a community center that (1) provides social, economic and education services and (2) to promote and perpetuate Filipino culture and customs in the State of Hawaii. The Center has a Board of Directors that is responsible for overall policy and direction of the Center. The Center has a Board of Governors which serves as an advisory group to the Board of Directors. The Executive Director is responsible for the operational, financial, and management of the Center and reports on a monthly basis to the Board of Directors on all aspects of the Center. The Center has a full-time Programs Director, a full-time administrative assistant, and a full-time Custodian. Major events held by the Center include the Filipino Fiesta and Flores de Mayo which share the various aspects and distinctions of the different regions of the Philippines and the Pasko sa FilCom which shares the holiday festivities of the Philippines with the community. The Filipino For Kids Summer programs educates the youth of today of the rich traditions of the Filipino culture along with the Language Immersion program which teaches a Filipino dialect during a 2-month program culminating with a sponsored immersion program to the Philippines. Many other programs further educate and promote the rich heritage of Filipinos in the State of Hawaii.

2. The goals and objectives related to the request;

An operating grant of **\$325,000.00** is being sought by the Center from the State of Hawaii 2017 Grants-in-Aid program for the **FILCOM CENTER REHABILITATION PROJECT**

The overall goal of this request is to obtain the technological developments that are available in today's economy, providing a safer and more secure environment for the patrons of the Center and its staff, and continue the Center's attractiveness to the community for events which ultimately benefits the city of Waipahu. These objectives

will help the Center to continue to attract patrons to the Center and for the furtherance of the Center's community and public programs and activities.

This initiative will allow the Center to ensure the infrastructure of the facility is maintained and addressed. The Center has been in existence since 2002 and over 14 years have passed which necessitates the need to ensure the Center's infrastructure remains intact thereby ensuring the longevity and continuance of the Center's first class programs and services to the community.

Tech Center and Ballroom Technology Upgrade (\$110,000.00)

The Center currently utilizes thirty-two (32) desktop computers purchased in 2004. As technology has rapidly changed over the last ten (10) years, the Center has been unable to maintain its pace with the hardware and software technological changes. Specific programs in place utilizing the Technology Center are the basic computer classes being taught to our community members that register for the course as well as our nursing licensure review class participants. The Technology Center has been a significant resource to the community. Through Center-sponsored programs, many adults (especially our senior citizens) have gained basic computer literacy and skills. The Center has also been able to support professional examination review classes and technology workshops for low-income individuals seeking to improve their preparation for work. Due to the mentioned changes in technology standards, the Center's hardware and software are in need of overall replacement. Refurbishing the existing hardware is cost inefficient and is more expensive than pure replacement. The need to replace the existing thirty-four (34) desktop computers and two (2) digital projectors currently in use is dire. The current systems in place are over ten (10) years old having been purchased in 2004. The Center has a Technology Center which can be divided into two (2) separate training centers. Located on the Center's second floor, the Center utilizes these training centers for basic computer classes, program activities, and teaching programs. This initiative directly addresses the Center's mission of "developing and providing educational, social, cultural, and economic services for the community." The current hardware maintains "pin" connectors whereas current technology provides USB connectors. This translates into the age of our current systems and the need to completely replace the Center's outdated technology.

Security System Components and Monitoring (\$40,000.00)

The Center has several areas of for improvement for security, safety, and monitoring of the Center. Due to recent vandalism in certain areas of the Center, unruly visitors, vehicle break-ins, and theft of property, the Center seeks to provide a better environment for its patrons and users of the Center. The increasing technology that has become available in today's market which was not existent at an affordable price can address and assist the Center in alleviating the concerns. The ability to provide high definition video and monitoring will assist as a deterrent. Theft of landscaping and harm to the Center's valuable assets such as the photovoltaic system as well as providing the necessary law enforcement with a valuable tool in prosecuting those with the determination of harming

the Center is critical. The current system in place is simply incompatible for the needs being sought.

The system being sought would provide 1080P HD resolution cameras with remote access in addition to providing an intercom system configuration with a secure administration office door for staff. The replacement of the originally installed eight (8) video cameras with at least sixteen (16) video cameras would significantly deter vandals to the Center particularly with the knowledge of HD resolution capability. With limited staff at the Center to perform actual physical security and limited funds for third-party security, this alternative would assist in the prevention of damage and loss to this Center.

Repaving/Resealing of Parking Lot (\$85,000.00)

The objective is to repair the Center's 2,500 square foot parking lot which provides the parking for the two significant source of operational funds: the commercial tenants and the patrons of the ballroom functions. Due to the passage of time, the parking lot has undergone deterioration from normal wear and tear as well as Hawaii's climate. Primarily, significant gravel and cracking has accumulated on several portions of the parking lot. With the significant cracking, the onset of "spidering" will begin thereby causing portions of the parking lot to crumble and subsequently requiring full removal and repaving of the entire parking lot. The technology of the application of resealing will extend the life of the Center's parking facility.

Self-sustaining maintenance projects have been undertaken in 2015 and 2016 such as temporary patchwork performed by the Center's staff and volunteers. In 2016, the Knights of Rizal – Hawaii Chapter and their youth group, Kapariz, volunteered to repaint the striping, warning sections, handicap symbols, and directional arrows of the parking lot. This youth group, under the supervision of the Knights of Rizal – Hawaii Chapter, was solicited by the Center to assist in upkeep projects of the Center. Kapariz was able to seek community funding for the purchase of this paint-dispensing striping tool with the Knights of Rizal – Hawaii donating the supplies (i.e. paint, brushes) for the project. This effort was to help minimize the visual effects of the actual pavement deterioration. In late 2016, FilCom purchased several bags of pavement filler as a temporary measure for the twenty-two potholes that existed.

Ballroom Carpet and Chairs Upgrade (\$90,000.00)

The objective is to replace the ballroom carpet which is the original carpet from the opening of the Center in 2002 as well as the replacement of the ballroom chairs currently in use. This expenditure will greatly attract events to the Waipahu and replace the dilapidated carpet and chairs currently being used to service events. Due to the passage of time, these items have undergone deterioration from normal wear and tear.

3. The public purpose and need to be served;

Since 2002, the Center has been a gathering place for activities promoting, sharing and perpetuating Filipino heritage with the larger multi-cultural community of Hawaii. The

public purpose is to educate and perpetuate cultural information that is historic and current in nature to the public. With a high concentration of Filipinos residing in Waipahu, both immigrant and local born Filipinos, the need arises for a single location for the display and placement of cultural information. The Center will build upon its existing facilities and resources to function as a gathering place in which the State of Hawaii can obtain the information and education on the issues of the Filipino immigrant as well as upon current information on the contributions of Filipinos going on today.

The Center was designed to provide a variety of services to help revitalize the economy of Waipahu. The Center can continue to serve as a dynamic learning and service center providing services not only to Filipinos but to the entire multiethnic Waipahu community and statewide. The Center continues to fulfil its public purpose by providing direct services and facilities that support economic self-sufficiency, neighborhood revitalization, cultural heritage programming and preservation, education and health opportunities, and community development to low-income and immigrant communities. The Center can provide an ideal place for this education and display of culturally significant issues.

4. Describe the target population to be served; and

The primary target populations to be served are (a) the residents of Waipahu, (b) the communities from other parts of Oahu, particularly leeward and central Oahu, and (c) the general public statewide interest in Filipino culture and history.

According to the U.S. Census in 2010, the total population for the State of Hawaii was 1,360,301. Of the total State population, 953,207 were located in the City and County of Honolulu representing 70.1%. The total population for Waipahu is 38,216 of which 55.3%, or 21,122, are of Filipino ethnicity. With the high density of Filipinos in Waipahu, the Center would be the focal point for service.

5. Describe the geographic coverage.

Waipahu has a sizeable number of new as well as older immigrant residents and a high percentage of its population speaks a language other than English. As noted in the U.S. Census Bureau from 2009-2013, approximately 20% of adults over 25 have not received a high school diploma compared to only 10% of adults throughout Oahu. According to the U.S. Census in 2010, Waipahu's elderly population (those 65 and over) makes up 16%, or 6,038, of the 38,216 residents. Located in central Oahu, the Center is best apt to meet the community's specific need as it represents a significant percentage of the elderly population as compared to the entire Island of Oahu.

II. Service Summary and Outcomes

The Service Summary shall include a detailed discussion of the applicant’s approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

1. Describe the scope of work, tasks and responsibilities;

The scope of work for each project would involve the interviewing of service and contract providers by the Center’s Facilities Committee and the Executive Director with assistance and oversight by the Center’s Board of Directors. Upon the assessment of the specific needs, a comprehensive request for proposal would be issued to the general public for a process of competitive bidding to occur.

Upon receipt of the requisite bids, an evaluation committee would be established for the development of criteria scoring. The selected provider would then be tasked with the implementation of each project with the direct management and oversight by the Executive Director to ensure compliance, completion, and results have been achieved with respect to the contracted service.

Upon completion of each service and/or project, the Executive Director shall provide the reports for assessment, progress, completion, and subsequent results. Throughout the process, the Facilities Committee and Board of Directors shall further provide guidance, authority, and supervision for each component and phase.

2. Provide a projected annual timeline for accomplishing the results or outcomes of the service;

Scope of Work Program Area	Tasks	Responsibility	Outcomes	Timeline
Selected Project	Competitive bidding; public procurement process	Executive Director, Facilities Committee	Up to date assessments of scope of work areas; obtain three (3) bids through public notice; selection of vendor via Facilities Committee established criteria; approval from Board of Directors	Three (3) months on approval and release of grant.

	Construction	State of Hawaii licensed contractor(s)	Rehabilitation Grand Opening to Public	Six to nine (6 to 9) months on approval and release of grant.
	Accounting and Project Oversight	Executive Director, Facilities Committee	State agency reporting	Ongoing

3. Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and

The quality of materials used in construction will be described fully in the Request for Proposals during the competitive bidding and public procurement process. The Center's Facilities Committee is composed of licensed architects, engineers, and contractors who will prepare, review and implement the procurement process as well as provide oversight for the construction project.

The Executive Director and Facilities Committee currently and will continue to provide monthly reports to the Board of Directors and the Executive Committee of the Board of Directors.

4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount included in this application that the measure(s) of effectiveness will need to be updated and transmitted to the expending agency.

The measure of effectiveness will be determined by the continuance of the Center's community programs and services in a first-class manner. The longevity of the Center, particularly the parking lot, will continue to serve its function and patrons will continually park their vehicles to use the Center as a gathering place.

The final measure of successful completion of this project will be measured by how well the contractors have followed the specifications and design directives described in detail in the request for proposal documents, including adhering to the proposed budget and scheduled completion date.

III. Financial

Budget

1. The applicant shall submit a budget utilizing the enclosed budget forms as applicable, to detail the cost of the request.
2. The applicant shall provide its anticipated quarterly funding requests for the fiscal year 2018.

Quarter 1	Quarter 2	Quarter 3	Quarter 4	Total Grant
\$25,000.00	\$60,000.00	\$150,000.00	\$90,000.00	\$325,000.00

3. The applicant shall provide a listing of all other sources of funding that they are seeking for fiscal year 2018.

For the projects solicited herein, no other sources of funding requests have been made.

Funding sought for fiscal year 2018 for other projects and programs are as follows:

- a) The Center will submit a request for funding to the City & County of Honolulu Office of Economic Development for the 2018 Flores de Mayo and Filipino Fiesta.
 - b) The Center will be submitting a request to the City & County of Honolulu Mayor’s Office of Culture and Arts for 2018 for funding to offset costs associated with the Center’s Banda Kawayan musical ensemble.
 - c) The Center will be submitting a request to the City & County of Honolulu Grants-in-Aid for 2018 for funding of cultural and art programs of the Center.
4. The applicant shall provide a listing of all state and federal tax credits it has been granted within the prior three years. Additionally, the applicant shall provide a listing of all state and federal tax credits they have applied for or anticipate applying for pertaining to any capital project, if applicable.

To complement and support the expertise of the Board of Directors, the paid staff reflects a quest for professionalism and offers a range of skills to administer and initiate programs and maintain the facilities.

Franz D. Juan is the Executive Director of the Center. He is a licensed attorney and Certified Public Accountant in the State of Hawaii. He received his Bachelors of Science in Accounting in Rhode Island in 1995, Cum Laude, and his Doctor of Jurisprudence from Indiana University in 2004. He operated his own law and CPA practices from 2004 until his appointment as Executive Director in 2014. The Center is governed by an active Board of Directors that include key community leaders as well as an advisory council known as our Board of Governors. The Chairman of the Board of Directors is Edmund C. Aczon. He has been on the Board of Directors since 2008 and became Chairman when elected in 2012. He worked with the late U.S. Senator Daniel Inouye as Field Representative for 9 years. The Chairman of the Board of Governors is Robin K. Campaniano. He is a Senior Advisor to CGI Technologies, a multinational business and IT consulting company. He also serves as Senior Advisor to Pono Pacific Land Management LLC, KUPU, and Executive Counselor for Fisher Hawaii. He served as President and CEO of the AIG Hawaii Insurance Company Family of Companies. He was Insurance Commissioner for the State of Hawaii, District Director and Counsel for the SBA's Honolulu Office, and practiced law in the private and public sectors. Among his many corporate and charitable appointments, Mr. Campaniano serves on the board of First Hawaiian Bank and the advisory board of Oceanic Time Warner Cable. He currently chairs the Shidler College of Business Advisory Council and the Hawaii Clean Energy Initiative Steering Committee. He is a member of the Chief of Staff of the Air Force's Civilian Advisory Council. Mr. Campaniano received his BA and MBA degrees from the University of Hawaii and his law degree from the University of San Francisco.

The Center's stakeholders have a network of professionals to assist in the educational and teaching aspects of the program. Several Board members and volunteers are associated

with the University of Hawaii and its community colleges. The Center's facilities is well suited to carry on the objectives of the program by utilizing its various spaces including our Technology Center, office rooms, Courtyard, and ballroom.

The Center's vast network of organizational groups such as the Creations in Catering, United Filipino Community Council, Oahu Filipino Community Council, Nursing and Advocates Mentors, Inc., Honolulu Junior Chamber of Commerce, the Filipino Chamber of Commerce, and the Caregivers Association, are only a handful of the organizations devoted to the success of the Center.

The Center utilizes modest revenues from the rental of office space to tenants and rentals from the ballroom and conference rooms. After covering operating expenses and debt service, the Center can then provide the programs with the remaining funds the Center generates. Through the years, the Center has received funds through federal and State grants, private foundations, and corporate and individual donations to fund the Center's programs and activities.

Current programs of the Center include Filipino for Kids Summer Program, Banda Kawayan (Philippine musical instrument ensemble and live group), NCLEX Review (nursing examination review preparation), US Citizenship Classes, and Computer Enrichment Workshops.

Past results of a sample of the programs the Center reflect the following: NCLEX attendees in 2011, 2012, 2013 2014, 2015 and 2016: 186 total registrants. US Citizenship Classes attendees in 2012, 2013, 2014, 2015, and 2016: 92 total registrants. Computer Enrichment Workshops attendees from 2011, 2012, 2013, 2014, 2015, and 2016: 169 total registrants. Filipino for Kids Summer Program 2011, 2012, 2013, 2014, 2015, and 2016: 137 total registrants. Banda Kawayan in 2011, 2012, 2013, 2014, 2015, and 2016: 142 total registrants. The language immersion program in 2015 and 2016: 32 registrants.

Smart Seniors Program 2008 and 2009 each resulted in over 500 participants each year. In each of these years, participants would register for additional classes resulting in repeat participants.

Based upon past performance on a variety of community service programs as well as the performance from the Smart Seniors Program in 2008 and 2009 when the Center received funding, the Center has demonstrated the administrative, organizational, and accountability to continue the Smart Seniors Program. The ongoing requests for the return of the Smart Seniors Program to the Center verifies the need of the return of the program as well as the desire of the seniors and elderly to have the services that the program provides.

The volunteers and patrons of the Center are widely skilled and continue to offer and volunteer their expertise in various areas of the program on a day-to-day and for various activities throughout the year.

The volunteers and patrons of the Center are widely skilled and continue to offer and volunteer their expertise in various areas on a day-to-day and for various activities throughout the year. In January 2016, Kapariz, a Filipino youth group under the guidance of the Knights of Rizal – Hawaii Chapter, performed volunteer service by re-stripping and re-painting of the parking lot. This youth group received contributions from the community to purchase a re-stripping machine for future use of this ongoing project. Himig at Indak, one of the musical ensembles of the Center, purchased and volunteered their time to restore and replace the Center's Courtyard landscaping, including the roses.

B. Facilities

The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.

The Center was opened in June 2002 and sprawls over two acres by the old Oahu Sugar Mill in suburban Waipahu. The Center boasts a three-story building covering 50,000 square feet. It is a multi-use building with 42,000 square feet of net usable space allocated for retail, business incubation, kiosks, technology center, commercial kitchen, conference rooms, community meetings, training workshops and social functions. The Center's administrative office provides adequate private and general work areas for staff and volunteers. The Center has adequate site and street parking, is near to a bus line, and meets ADA requirements.

It is the biggest Filipino Community Center outside of the Philippines. It a building built on Filipino pride and *Bayanihan* spirit and retains enough spirit of aloha to everyone who wants to work, rent, learn, and enjoy the daily activities without regard to ethnicity. Located on the 2nd floor above the tenant spaces, guests can rent space for functions, meetings, and to celebrate special events. The Ballroom, Courtyard, Technology Center, Music Room, and conference rooms are available every day of the year. These private areas feature customizable services for the various groups and events. Our onsite catering service assists the Center in tailoring the needs of our guests. The 6,000 square foot Ballroom provides a capacity of 380. The 3,500 square foot Courtyard provides a capacity of 100. The Technology Center, Music Room, and conference rooms can accommodate between 30-60 people each.

This programming initiative draws on the present programming and physical resources of the Center to develop and expand the Center's community outreach and programming for elderly persons. The Center will continue to have patrons visit the Center for various activities, events, and programs thereby enhancing the ability to educate the public.

In August 2014, the Center obtained the on-site services of an Event Planner and Caterer known as Creations in Catering. Their ability to continue attracting patrons to the Center will further develop in reaching the public.

V. Personnel: Project Organization and Staffing

A. Proposed Staffing, Staff Qualifications, Supervision and Training

The applicant shall describe the proposed staffing pattern and proposed service capacity appropriate for the viability of the request. The applicant shall provide the qualifications and experience of personnel for the request and shall describe its ability to supervise, train and provide administrative direction relative to the request.

The Board of Directors (cf. above list of members) is responsible for overall policy and direction of the Center. The Executive Director is responsible for the operational, financial, and management of the Center and the Center's staff and reports on a monthly basis to the Board of Directors on all aspects of the Center. The Board evaluates the Executive Director's performance annually. Staff are supported and encouraged to attend appropriate training programs, seminars, and workshops (e.g. philanthropy, nonprofit entities, grant writing, time management, information technology development, etc.). Annual performance of staff includes an assessment of staff development and training needs.

These projects will be headed by the Executive Director and the Facilities Committee. The Facilities Committee is chaired by a Board of Director, Manuel S. Lanuevo, who is a licensed engineer, as well as a Vice Chair on the Executive Committee of the Board. Mr. Lanuevo will provide the administrative project oversight while the accounting and bookkeeping will be provided by the Center's staff.

The following qualifications and responsibilities of paid staff, consultants, and non-paid support professionals demonstrate the Center's organizational capacity to meets its objectives.

Staff Positions:

1. Executive Director

This position supervises the overall day-to-day operations of the Center's organization and property. The position works in association with the Board of Directors and committees in the areas of fundraising, community outreach, program design, implementation and assessment, special events, marketing, public relations, and property management. This position requires at least five years of high level administrative and community experience.

The current Executive Director since August 2014, Franz D. Juan, is a licensed attorney and Certified Public Accountant in the State of Hawaii. He received his Bachelors of Science in Accounting in Rhode Island in 1995, Cum Laude, and his Doctor of Jurisprudence from Indiana in 2004. He operated his own law and CPA

practices from 2004 until his appointment as Executive Director in 2014. His work experience includes accounting firms KPMG LLP, KMH LLP, and Alerding & Co. LLC.

2. Director of Programs

This position coordinates community functions, special events, and programs using the Center's facilities. Each of the functions, special events, and program developed and implemented focus on the Center's mission statement which include social, economic, and cultural factors for the community at large. This position reports to the Executive Director and is responsible for the operational success of the Center ensuring seamless team management, development, program delivery, quality control, and evaluation. Oversees the planning, directing, and coordinating of programs and events to ensure that program goals are met within approved parameters or grant requirements. Supervises and coordinates with volunteers and community partners to ensure consistent and objective program performance standards of accountability and attainment of established goals.

The current Director of Programs is Arceli G. Rebolledo. She received her Bachelors of Science in Computer Engineering. She has been with the Center since July 2005 and been directly involved with many of the programs and events conducted at the Center in various capacities such as a committee member, event organizer, and community liaison. Ms. Rebolledo has progressed from the office assistant, technology administrator, event/banquet event manager, and project manager. Prior to working at the Center, Ms. Rebolledo was a supervisor with Mister Donut. This position requires distinctive organizational, communication, marketing, and time management skills.

3. Administrative Assistant

This position performs administrative and office support activities for the Director of Programs and Executive Director. Duties include fielding and screening telephone calls, receiving visitors, word processing, creating spreadsheets and presentations, and filing. This position also provides technical assistance to the website, social media, networking, marketing, and office administration.

The current assistant is Marlyn Acosta. Ms. Acosta started to work part-time at the Center in September 6, 2016 and became full-time in November 21, 2016.

4. Custodian

This position is held by Daniel Langbayan and is responsible for the overall maintenance and upkeep of the Center and the Center's grounds for daily operations as well as for public and private functions, events, and activities. This position provides gap-fill maintenance where the commercial property manager

does not provide (e.g. pressure wash facilities, minor painting, courtyard fountain maintenance, etc.). This position requires experience working in facilities maintenance. Mr. Langbayan started to work at the Center in November 29, 2016.

Third Party Positions:

1. Event Manager/Rental Facility Manager

This position, as an independent contractor, is held by Epic Catering LLC dba Creations in Catering (“CIC”) through an exclusive service contract with the Center to reserve and book events at the Center. This agreement allows CIC the exclusive use of the Center’s kitchen facilities for the purposes of providing catering services to patrons and clients of CIC at the Center and elsewhere. This position is responsible for the overall operation of functions utilizing the Center’s meeting, courtyard, banquet, ballroom, technology, and kitchen spaces. CIC coordinates community functions, special events, and private events along with full-service catering using the Center’s facilities as well as outside venue events. CIC is responsible for ensuring quality and proper equipment and facilities use. CIC has experience in special events planning, business operations, and catering services. In addition, CIC assists the Center in the development and implementation of the Special Events Management and Production Training (“SEMPT”) Program to help fulfill the Center’s mission of providing social, economic and education services.

2. Commercial Property Manager

This position, as an independent contractor, is held by Avalon Commercial (“Avalon”) through a service contract with the Center. This independent contractor is granted the exclusive license for the day-to-day management, maintenance, and operation of the Center as it relates to the leased tenants of the Center. Avalon is responsible for the management, maintenance, and operation of the Center in a first-class manner consistent with the management, maintenance, and operation of comparable properties. Avalon shall advise the Center to all major or extraordinary matters and decisions affecting the Center and to manage the Center in accordance with approved budgets. Avalon’s services include maintaining business-like relations with the tenants of the Center, collecting all tenant rents, report security and safety related issues, and obtain all entitlements, licenses, permits and certificates as governed by law for the operation, maintenance, and business of the Center.

3. Accounting

This position, as an independent contractor, is held by Sterling Leong, CPA of Harold D. Sasaki, Ltd., who handles the day-to-day accounting of the Center.

D. Future Sustainability Plan

The applicant shall provide a plan for sustaining after fiscal year 2017-18 the activity funded by the grant if the grant of this application is:

- (1) Received by the applicant for fiscal year 2017-18, but

The Center is undergoing several initiatives to provide direct funding from the Center's own operations. Currently, revenue from the Center is derived from tenant revenue, ballroom revenues, and other facility revenue. After covering operational expenses and debt service, the Center has modest income to cover capital projects of this magnitude.

The Center executed an agreement in August 2014 to utilize the services of a third-party event manager and caterer by an agreement with Epic Catering LLC dba Creations in Catering ("CIC"). This endeavor maximizes the potential of the facility with the use of an exclusive caterer dedicated to marketing the Center's facility and the full service catering ability.

In 2015, the Center is underwent a five-year debt service plan to retire the \$3.0 million long term note payable. Since 2013, the Center has focused on further enhancements to our annual Bayanihan fundraising gala which have been implemented thereby increasing the net revenues for operations received each year from the Center's primary fundraiser.

Furthermore, the Center has implemented a strategic plan to have each of the smaller, yet effective, programs held at the Center such as the language immersion program, Pasko sa FilCom, FilCom Sundays, and Sakada Day. This 2015 endeavor has proven successful as each program has become self-sustaining and self-funded without the direct use of any of the Center's operational income.

A larger strategic plan was developed in late 2015 which addresses and benchmarks the Center's activities and goals for repayment of the long term note of the Center. As of December 31, 2016, the five-year debt service plan has raised over \$250,000.

Furthermore, relationships with individuals and community organizations have been fostered and nurtured to encourage additional commitment to the Center in terms of ongoing maintenance of the facility (i.e. volunteer cleanup, maintenance, and upkeep projects). Also, the Center identified areas in the community where collaborative projects are undertaken on similar events and projects. For example, the Center worked with the Congress of Visayan Organizations, United Filipino Council of Hawaii, the Filipino Chamber of Commerce, and the Philippine Consulate of Hawaii to work on a single Pasko sa FilCom for 2015 and 2016 and worked together to create one celebratory event for the Inaugural Sakada Day Celebration in 2015 and 2016. In 2016, the "One Filipino" event was planned in coordinating with other community organizations to raise awareness in the community on the purpose of not only registering to vote but actually voting on the necessary days including both the general and primary elections.

(2) Not received by the applicant thereafter.

Without funding of this grant, the Center will not have the funds available for the capital projects. The Center will attempt to make minor repairs to the property however such minor repairs will only be temporary and not long lasting.

E. Certificate of Good Standing (If the Applicant is an Organization)

If the applicant is an organization, the applicant shall submit one (1) copy of a certificate of good standing from the Director of Commerce and Consumer Affairs that is dated no earlier than December 1, 2016.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. For guidance in determining whether your gross receipts are "normally" more than \$25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

Letter 1050 (DO/CG)

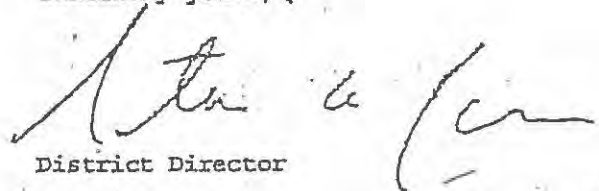

FILIPINO COMMUNITY CENTER INC

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours, .

A handwritten signature in cursive script, appearing to read "Ata de Juan", is written over the typed name "District Director".

District Director

FILIPINO COMMUNITY CENTER INC

We have determined that you are a publicly supported organization of the type described in Sections 509(a)(1) and 170(b)(1)(A)(vi) as opposed to Section 509(a)(2) of the Code. This change does not affect your exempt status as an organization described in section 501(c)(3) of the Code, your non-private foundation status, or your filing requirements.

Our letter dated June 4, 1997, is hereby reissued to reflect the correct employer identification number for your organization. Please use this number on all returns you file and in all correspondence with the Internal Revenue Service.
