# A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF LABOR AND INDUSTRIAL RELATIONS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The department of labor and industrial  
2 relations, disability compensation division (the "division"),  
3 plans, directs, and coordinates statewide activities relating to  
4 the interpretation, implementation, and administration of  
5 workers' compensation, temporary disability insurance, and  
6 prepaid health care laws, rules, regulations, policies, and  
7 procedures. The division's mission is to provide economic  
8 security and stability for Hawaii's workforce through education,  
9 enforcement, and adjudication of the workers' compensation,  
10 temporary disability insurance, and prepaid health care laws.

11           The division's primary objectives include ensuring the  
12 efficient processing of claims; the timely provision of medical  
13 services and payment of benefits to injured workers; employer  
14 compliance with workers' compensation, temporary disability  
15 insurance, and prepaid health care insurance coverage  
16 requirements; and monitoring health plans to ensure employees

1 are provided with the benefits that are required under the  
2 prepaid health care law.

3       According to the State of Hawaii Department of Labor and  
4 Industrial Relations Annual Report 2012, the division lost  
5 thirty-two per cent of its staff between 2009 and 2012, which  
6 adversely affected the division's ability to effectively protect  
7 the economic and medical security of the working public for whom  
8 workers' compensation, temporary disability insurance, and  
9 prepaid health care laws were intended to provide. For  
10 instance, monitoring of employer compliance with workers'  
11 compensation, temporary disability insurance, and prepaid health  
12 care laws dropped as a result of the loss of two investigator  
13 positions; therefore, more employees lost the economic and  
14 health care protections afforded to them by these laws.

15       The reinstatement of and funding for investigator positions  
16 in the division are essential to investigate the large number of  
17 delinquent employers failing to secure and provide workers'  
18 compensation, temporary disability insurance, and prepaid health  
19 care. These delinquent employers expose the workers'  
20 compensation special compensation fund, temporary disability  
21 insurance special fund, and the prepaid health care premium

1 supplemental fund to greater risks of having to pay workers'  
2 compensation, temporary disability insurance, and prepaid health  
3 care to employees who are not covered by their delinquent  
4 employers. Inadequate funding for these funds will drive up the  
5 costs of workers' compensation and temporary disability  
6 insurance for Hawaii's employers. Moreover, shortfalls in the  
7 prepaid health care premium supplemental fund would require the  
8 appropriation of general fund moneys to sustain the prepaid  
9 health care premium supplemental fund.

10 The purpose of this Act is to appropriate funds for two  
11 full-time equivalent (2.0 FTE) enforcement specialist IV  
12 positions to be primarily responsible for the enforcement of  
13 Hawaii's workers' compensation, temporary disability insurance,  
14 and prepaid health care laws.

15 SECTION 2. There is appropriated out of the general  
16 revenues of the State of Hawaii the sum of \$112,078 or so much  
17 thereof as may be necessary for fiscal year 2017-2018 and the  
18 same sum or so much thereof as may be necessary for fiscal year  
19 2018-2019 to establish two full-time equivalent (2.0 FTE)  
20 enforcement specialist IV permanent positions in the department  
21 of labor and industrial relations, disability compensation

1 division, to assist with the enforcement of Hawaii's workers'  
2 compensation, temporary disability insurance, and prepaid health  
3 care laws, including current expenses and equipment.

4 The sums appropriated shall be expended by the department  
5 of labor and industrial relations for the purposes of this Act.

6 SECTION 3. This Act shall take effect on July 1, 2050.

**Report Title:**

Compensation Division; Appropriation
