# A BILL FOR AN ACT

RELATING TO THE UNIVERSITY OF HAWAII PROMISE PROGRAM.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that an educated labor  
2 force and engaged citizenry are essential in today's global,  
3 knowledge-based economy. Across the nation, states have set  
4 ambitious goals to boost college completion rates. The  
5 University of Hawaii's Hawaii graduation initiative is a  
6 systemwide strategic initiative endorsed by the University of  
7 Hawaii board of regents with a goal to increase the educational  
8 capital of the State by increasing participation in and  
9 completion of college by students, particularly native  
10 Hawaiians, low-income students, and those from underserved  
11 regions and populations, and preparing them for success in the  
12 workforce and their communities.

13           Furthermore, Hawaii's own 55 by '25 campaign goal focuses  
14 on increasing the percentage of working-age adults with two- or  
15 four-year degrees to fifty-five per cent by 2025. According to  
16 the most recent data available, forty-four per cent of Hawaii's  
17 working-age adults have a postsecondary degree. As the State's

1 sole public higher education system, the University of Hawaii is  
2 committed to doing its part to close the State's projected  
3 educational attainment gap.

4 In April 2016, the Institute for Research on Higher  
5 Education at the University of Pennsylvania Graduate School of  
6 Education issued a study that analyzed college costs in relation  
7 to family income level. The study revealed how higher education  
8 has gone from expensive to unaffordable for most low- and  
9 middle-income families. According to this same study, Hawaii  
10 ranked third in the nation for overall college affordability and  
11 noted that the University of Hawaii community colleges are the  
12 most affordable public two-year institutions in the nation.

13 The report further acknowledged that despite Hawaii's  
14 overall high affordability ranking, attending college was a big  
15 expense for families earning less than \$30,000 annually; that  
16 Hawaii's financial aid policies did little to alleviate costs  
17 for these families; and that the State provided minimal need-  
18 based aid to students attending public institutions.

19 Although the State does not budget for scholarships,  
20 University of Hawaii policy requires that a minimum percentage  
21 of tuition revenue be set aside for need-based scholarships,

1 including 8.8 per cent at the community colleges. The  
2 University of Hawaii provided \$46,700,000 in tuition-funded  
3 financial aid during 2014-2015, including \$6,300,000 at the  
4 community colleges. Even though financial aid through Pell  
5 grants, University of Hawaii and private scholarships, the GI  
6 Bill for service members and veterans, and employers cover much  
7 of the cost for need-based students, cost is still a barrier for  
8 certain need-based students.

9 The purpose of this Act is to establish the Hawaii promise  
10 program to provide scholarships for the unmet direct cost needs  
11 of qualified students enrolled at any University of Hawaii  
12 campus and to appropriate funds to establish and implement the  
13 program.

14 SECTION 2. Chapter 304A, Hawaii Revised Statutes, is  
15 amended by adding a new section to part IV, subpart A,  
16 subdivision 1 to be appropriately designated and to read as  
17 follows:

18 "§304A- Hawaii promise program; established. (a)  
19 Notwithstanding section 304A-502, there is established the  
20 Hawaii promise program to be administered by the board of  
21 regents. The program shall provide scholarships for the unmet

1 direct cost needs of qualified students enrolled at any campus  
2 of the University of Hawaii.

3 (b) A student enrolled in an undergraduate degree or non-  
4 graduate certificate program at a University of Hawaii campus is

8 (2) Completes and submits the FAFSA for each academic  
9 year, and accepts all federal and state aid, grants,  
10 scholarships, and other funding sources that do not  
11 require repayment;

12 (3) Is enrolled in the degree or certificate program with  
13 twelve or more credits per semester;

14 (4) Maintains satisfactory academic progress, as defined  
15 by federal requirements established pursuant to Title  
16 IV of the Higher Education Act of 1965, as amended,  
17 and determined by the campus where the student is  
18 enrolled; and

19 (5) Has been determined by the campus to have unmet direct  
20 cost needs.

21 (c) Scholarships shall be awarded:

- 1        (1) On a first-come, first-served basis;
- 2        (2) In an amount equal to the student's unmet direct cost  
3        need based on the FAFSA calculation of need minus what  
4        is available from Pell grants and other scholarships;  
5        and
- 6        (3) To the extent funds are available to support the  
7        scholarship award.
- 8        (d) To maintain a scholarship under this section, a

11       scale of 4.0 or its equivalent;
- 12       (2) Earn a minimum of twenty-four credits in each academic  
13       year; and
- 14       (3) Comply with any other conditions placed on the  
15       scholarship by the University of Hawaii.
- 16       (e) A student who fails to comply with the requirements of  
17       this section shall be placed on scholarship probation. Social,  
18       economic, and other factors, or other extenuating circumstances  
19       as determined by the University of Hawaii shall be considered in  
20       determining probation. During the probation period, the student  
21       shall demonstrate satisfactory progress toward meeting degree

1 completion and satisfying the requirements of the scholarship.  
 2 Failure to meet the probationary period requirements in this  
 3 section shall result in revocation of the student's scholarship,  
 4 with the student responsible for reimbursing the University of  
 5 Hawaii for up to two semesters of scholarship amounts received  
 6 under the program. A student may be placed on scholarship  
 7 probation for no more than one semester during an eight-semester  
 8 period at a University of Hawaii campus.

9 (f) As used in this section:

10 "Direct cost" includes tuition, fees, books, supplies, and  
 11 transportation.

12 "FAFSA" means the Free Application for Federal Student  
 13 Aid."

14 SECTION 3. There is appropriated out of the general  
 15 revenues of the State of Hawaii the sum of \$                    or so much  
 16 thereof as may be necessary for fiscal year 2017-2018 and the  
 17 same sum or so much thereof as may be necessary for fiscal year  
 18 2018-2019 to establish and implement the Hawaii promise program,  
 19 including the provision of the program's scholarships.

20 The sums appropriated shall be expended by the University  
 21 of Hawaii for the purposes of this Act.

2 SECTION 5. This Act shall take effect on July 1, 2050.
