
A BILL FOR AN ACT

RELATING TO INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that section 431:13-108,
2 Hawaii Revised Statutes, also known as the clean claims statute,
3 requires health plans to pay providers on a timely basis when
4 uncontested claims are submitted. Under this law, insurers are
5 required to reimburse providers for clean claims payments within
6 thirty days for clean claims submitted in writing, and within
7 fifteen days for clean claims submitted electronically. There
8 were amendments made to section 431:13-108, Hawaii Revised
9 Statutes, in the 2015 legislative session on a separate, but
10 related, insurance matter that created some ambiguity as to
11 whether acute care hospitals were covered.

12 The purpose of this Act is to ensure that acute care
13 hospitals are covered under the clean claims statute by removing
14 the exclusion of acute care hospitals in the definition of
15 health care facility.

16 SECTION 2. Section 431:13-108, Hawaii Revised Statutes, is
17 amended by amending subsection (1) to read as follows:

7 all or any portion of health care services provided by a health
8 care provider of services submitted by an individual or pursuant
9 to a contract or agreement with an entity, using the entity's
10 standard claim form with all required fields completed with
11 correct and complete information.

12 "Clean claim" means a claim in which the information in the
13 possession of an entity adequately indicates that:

- 14 (1) The claim is for a covered health care service
15 provided by an eligible health care provider to a
16 covered person under the contract;
- 17 (2) The claim has no material defect or impropriety;
- 18 (3) There is no dispute regarding the amount claimed; and
- 19 (4) The payer has no reason to believe that the claim was
20 submitted fraudulently.

21 The term does not include:

- 1 (1) Claims for payment of expenses incurred during a
2 period of time when premiums were delinquent;
- 3 (2) Claims that are submitted fraudulently or that are
4 based upon material misrepresentations;
- 5 (3) Claims for self-insured employer groups; claims for
6 services rendered to individuals associated with a
7 health care entity through a national participating
8 provider network; or claims for medicaid, medicare,
9 medigap, or other federally financed plan; and
- 10 (4) Claims that require a coordination of benefits,
11 subrogation, or preexisting condition investigations,
12 or that involve third-party liability.

13 "Contest", "contesting", or "contested" means the
14 circumstances under which an entity was not provided with, or
15 did not have reasonable access to, sufficient information needed
16 to determine payment liability or basis for payment of the
17 claim.

18 "Deny", "denying", or "denied" means the assertion by an
19 entity that it has no liability to pay a claim based upon
20 eligibility of the patient, coverage of a service, medical

5 benefit societies under article 1 of chapter 432, dental service
6 corporations under chapter 423, and health maintenance
7 organizations under chapter 432D.

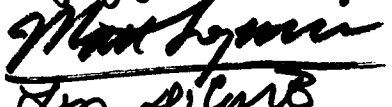

8 "Fraud" shall have the same meaning as in section
9 431:2-403.

10 "Health care facility" shall have the same meaning as in
11 section 323D-2 [~~provided that health care facility shall not~~
12 ~~include an acute care hospital~~].

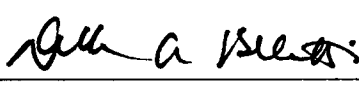

13 "Health care provider" means a Hawaii health care facility,
14 physician, nurse, or any other provider of health care services
15 covered by an entity."

17 and stricken.
