
A BILL FOR AN ACT

RELATING TO VOTING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that automatic voter
2 registration, also known as "motor voter", provides eligible
3 voters an opportunity to register to vote when applying for or
4 renewing a driver's license unless the eligible voter
5 affirmatively declines to be registered. As of May 2016, five
6 states have authorized automatic voter registration, including
7 California, Connecticut, Oregon, Vermont, and West Virginia.

8 Proponents believe that automatic voter registration
9 assists in removing barriers to registration for eligible
10 voters, which is the first step to voter participation. Voter
11 registration through a routine and necessary transaction, such
12 as driver's licensing, increases voter registration efficiency
13 and effectiveness and voter turnout.

14 The purpose of this Act is to establish an automatic voter
15 registration system to allow any person who is eligible to vote
16 but not already registered to vote and applies for a new or
17 renewed motor vehicle driver's license, provisional license, or
18 instruction permit, or a new, renewed, or duplicate

1 identification card to be automatically registered to vote
2 unless the applicant affirmatively declines to be registered to
3 vote.

4 SECTION 2. Chapter 11, Hawaii Revised Statutes, is amended
5 by adding a new section to part II to be appropriately
6 designated and to read as follows:

7 "§11- Automatic registration. (a) Notwithstanding any
8 law to the contrary, an affidavit on an application for voter
9 registration shall be a part of the application associated with
10 the issuance of an identification card under section 286-301 and
11 a driver's license under section 286-109. Each application
12 shall include a space to request a permanent absentee ballot.

13 (b) Applications for an identification card or driver's
14 license shall not be processed until the applicant clearly
15 indicates on the application that the applicant declines to
16 register to vote or completes the portion of the application
17 related to voter registration. Unless an applicant
18 affirmatively declines to be registered to vote, the submission
19 of the application shall be deemed to authorize the examiner of
20 drivers to collect and transmit the information necessary to
21 register the applicant as a voter, and the examiner of drivers

1 shall electronically transmit the necessary information to the
2 clerk of the county in which the applicant resides and election
3 officials and the statewide voter registration system pursuant
4 to subsection (d). The examiner of drivers shall not transmit
5 any information necessary to register an applicant as a voter if
6 that applicant affirmatively declines to be registered to vote.

7 (c) Upon receipt of the completed voter registration
8 application transmitted from the examiner of drivers, the clerk
9 shall review and approve or reject the voter registration
10 application in accordance with this part; provided that approved
11 voter registration applications received from the examiner of
12 drivers pursuant to this section shall be treated as having a
13 valid signature for purposes of section 11-15(c) whether by
14 electronic or facsimile transmission. Upon approval of the
15 voter registration application, the clerk shall proceed to
16 number the application and register the name of the voter in the
17 general county register as provided in section 11-14.

18 (d) Databases maintained or operated by the counties or
19 the department of transportation containing driver's license or
20 identification card information, including any documents or
21 images, shall be directly accessible and provided electronically

1 to election officials and the statewide voter registration
2 system to allow for the timely processing of voter applications,
3 ensure the integrity of the voter registration polls, and for
4 any other government purpose, as determined by the director of
5 transportation; provided that the chief election officer makes a
6 request to the director of transportation for the electronic
7 transmission of such information.

8 (e) For purposes of this section, "applicant" means a
9 person who is eligible to vote but is not registered to vote."

10 SECTION 3. Chapter 286, Hawaii Revised Statutes, is
11 amended by adding a new section to part VI to be appropriately
12 designated and to read as follows:

13 "§286-A Voter registration. (a) An applicant for a new
14 or renewed motor vehicle driver's license, provisional license,
15 or instruction permit shall automatically be registered to vote
16 with the clerk of the appropriate county upon completion of the
17 license or permit application as required in section 11-
18 unless the applicant affirmatively declines, on the application
19 form, to be registered to vote.

20 (b) Unless an applicant affirmatively declines to be
21 registered to vote, the submission of the application shall be

1 deemed to authorize the examiner of drivers to collect and
2 transmit the information necessary to register the applicant as
3 a voter, and the examiner of drivers shall electronically
4 transmit the necessary information to the clerk of the county in
5 which the applicant resides and election officials and the
6 statewide voter registration system pursuant to section
7 11- (d). The examiner of drivers shall not transmit any
8 information necessary to register an applicant as a voter if
9 that applicant affirmatively declines to vote.

10 (c) For the purposes of this section, "applicant" means a
11 person who is eligible to vote but is not registered to vote."

12 SECTION 4. Chapter 286, Hawaii Revised Statutes, is
13 amended by adding a new section to part XVI to be appropriately
14 designated and to read as follows:

15 "§286-B Voter registration. (a) An applicant for a new,
16 renewed, or duplicate identification card shall automatically be
17 registered to vote with the clerk of the appropriate county upon
18 completion of an application for identification card as required
19 by section 11- unless the applicant affirmatively declines, on
20 the application form, to be registered to vote.

1 (b) Unless an applicant affirmatively declines to be
 2 registered to vote, the submission of the application shall be
 3 deemed to authorize the examiner of drivers to collect and
 4 transmit the information necessary to register the applicant as
 5 a voter, and the examiner of drivers shall electronically
 6 transmit the necessary information to the clerk of the county in
 7 which the applicant resides and election officials and the
 8 statewide voter registration system pursuant to section

9 11- (d). The examiner of drivers shall not transmit any
 10 information necessary to register an applicant as a voter if
 11 that applicant affirmatively declines to vote.

12 (c) For the purposes of this section, "applicant" means a
 13 person who is eligible to vote but is not registered to vote."

14 SECTION 5. Section 286-108, Hawaii Revised Statutes, is
 15 amended by amending subsection (a) to read as follows:
