
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the modern economy
2 requires colleges to react quickly to meet the changing
3 technical workforce demands of the public and private sectors,
4 both to fill emerging job opportunities and upgrade the skills
5 of existing workers to meet changing requirements of their
6 positions as technology advances. Examples include entry level
7 informational technology positions, security service positions,
8 health and home care positions, and, particularly since the
9 closure of the last sugar plantation, agricultural workers. To
10 be responsive to workforce needs, the training must be developed
11 and delivered rapidly, often in a format other than a formal
12 degree program.

13 The purpose of this Act is to make explicit the
14 responsibility of the University of Hawaii community colleges to
15 provide short-term and rapid response occupational training and
16 certification programs designed to qualify individuals to fill
17 new and hard-to-fill positions of the State, counties, and
18 private sector that require technical training.

1 SECTION 2. Section 304A-1101, Hawaii Revised Statutes, is
2 amended by amending subsection (b) to read as follows:

3 "(b) The purposes of community colleges shall be to
4 provide:

- 5 (1) Two-year college transfer and general education
6 programs;
- 7 (2) Two- and four-year career and technical education
8 programs;
- 9 (3) Semiprofessional, career and technical, and continuing
10 education programs [+], including occupational training
11 and certification programs designed to rapidly qualify
12 persons to fill new and hard-to-fill classes of
13 positions of the State, counties, and private sector
14 that require technical skills; and
- 15 (4) [~~Sueh~~] Any other educational programs and services as
16 may be appropriate to [~~sueh~~] those institutions."

17 SECTION 3. There is appropriated out of the general
18 revenues of the State of Hawaii the sum of \$250,000 or so much
19 thereof as may be necessary for fiscal year 2017-2018 and the
20 same sum or so much thereof as may be necessary for fiscal year
21 2018-2019 for occupational training and certification programs

1 designed to rapidly qualify persons to fill new and hard-to-fill
2 classes of non-professional positions of the State, counties,
3 and private sector that require technical skills.

4 The sums appropriated shall be expended by the University
5 of Hawaii for the purposes of this Act.

6 SECTION 4. Statutory material to be repealed is bracketed
7 and stricken. New statutory material is underscored.

8 SECTION 5. This Act shall take effect on May 12, 2059.
