SENATE RESOLUTION

DECLARING HAWAII TO BE A HO'OKIPA (WELCOMING) STATE AND
REQUESTING THE GOVERNOR TO APPOINT A HO'OKIPA COMMISSION.

1 WHEREAS, the motto of the State of Hawaii "Ua Mau ke ea o
2 ka 'āina i ka Pono" or "The life of the land is perpetuated
3 through righteousness" reminds us that our deepest community
4 values call us to welcome visitors and care for wanderers in our
5 midst; and
6

7 WHEREAS, the traditional Hawaiian value of Ho'okipa, or
8 open-hearted hospitality, calls us to welcome visitors and
9 strangers alike and to unselfishly extend to others the best
10 that we have to give; and
11

12 WHEREAS, Hawaii is justifiably proud of its rich immigrant
13 heritage, which has woven our many people into a rich tapestry
14 of races, ancestral groups, religions, cultures, and languages
15 from many parts of the world; and
16

17 WHEREAS, Hawaii's unique spirit of inclusiveness allows its
18 diverse people to live in relative harmony because of our
19 respect and aloha for each other and our commitment to peace and
20 justice; and
21

22 WHEREAS, our state and county governments cultivate a
23 culture of inclusion when they ensure that all people in our
24 communities receive equal protection of the laws and respectful
25 treatment without regard to race, national origin, ancestry, or
26 citizenship status; and
27

28 WHEREAS, Hawaii's inclusionary and peaceful culture is now
29 threatened by inflammatory rhetoric and harsh federal policies
30 that vilify immigrants, divide communities and families, and
31 create fear and suspicion among different racial, ethnic, and
32 ancestral groups; and
33

34 WHEREAS, the federal Executive has recently revived a
35 program under section 287(g) of the Immigration and Nationality

1 Act (8 U.S.C. 1357) that authorizes state and local governments
2 to enter into agreements with the Immigration Control and
3 Enforcement Agency of the Department of Homeland Security that
4 deputize these state and local law enforcement officers to
5 participate in the enforcement of federal immigration laws; and
6

7 WHEREAS, the enforcement of federal immigration laws is a
8 function that is constitutionally reserved to the federal
9 government; and
10

11 WHEREAS, this body recognizes the numerous contributions of
12 individuals of various immigration statuses who have sought a
13 better life by immigrating to the United States, and while this
14 body does not condone immigration without legal authorization,
15 it finds that the effects of trying to deport all undocumented
16 immigrants greatly outweigh any negative consequences their
17 presence in our country and State might have; and
18

19 WHEREAS, the State of Hawaii receives limited financial
20 support from the federal government to provide health care,
21 housing, education, and other social services to migrants from
22 various Pacific Island communities who have left their ancestral
23 homelands because of above-ground testing of nuclear weapons;
24 and
25

26 WHEREAS, the involvement of state and local law enforcement
27 officers in federal deportation programs and activities would
28 alienate members of our many communities from Hawaii's law
29 enforcement agencies and undermine the relationships with law
30 enforcement that are necessary to secure the peace and
31 successfully resolve criminal investigations; and
32

33 WHEREAS, to preserve peace in their communities, many state
34 and city governments throughout the United States have acted to
35 protect their residents who are undocumented immigrants by
36 preventing local law enforcement agents from asking people about
37 their immigration status or from serving as federal agents
38 performing the duties reserved for federal agents, and by
39 ensuring that all residents have access to state and local
40 services, regardless of immigration status; now, therefore,
41

S.R. NO. 48

1 BE IT RESOLVED by the Senate of the Twenty-ninth
 2 Legislature of the State of Hawaii, Regular Session of 2017,
 3 that the State of Hawaii is declared a Ho'okipa State; and
 4

5 BE IT FURTHER RESOLVED that Hawaii and its various
 6 jurisdictions and agencies recognize that immigration
 7 enforcement is a federal function; and
 8

9 BE IT FURTHER RESOLVED that neither Hawaii nor any of its
 10 subdivisions expend state funds by entering into an agreement
 11 pursuant to section 287(g) of the Immigration and Nationality
 12 Act (8 U.S.C. 1357) or similar agreement with the Immigration
 13 Control and Enforcement Agency; and
 14

15 BE IT FURTHER RESOLVED that the Governor appoint a Ho'okipa
 16 Commission to ensure a safe, secure, and welcoming community for
 17 everyone, including immigrants of every status, to promote
 18 respectful relations and collaboration between community members
 19 and agencies providing public safety services; and
 20

21 BE IT FURTHER RESOLVED that certified copies of this
 22 Resolution be transmitted to the Governor; Chief Justice of the
 23 Hawaii Supreme Court; each mayor of the several counties; each
 24 chair of the several county councils; and police chiefs of the
 25 Counties of Kauai, Maui, and Hawaii and City and County of
 26 Honolulu.
