

STAND. COM. REP. NO.

1538

Honolulu, Hawaii

March 29, 2017

RE: H.R. No. 137
H.D. 1

Honorable Joseph M. Souki
Speaker, House of Representatives
Twenty-Ninth State Legislature
Regular Session of 2017
State of Hawaii

Sir:

Your Committee on Ocean, Marine Resources, & Hawaiian Affairs, to which was referred H.R. No. 137 entitled:

"HOUSE RESOLUTION URGING SUPPORT FOR THE GOAL OF EFFECTIVELY
MANAGING THIRTY PERCENT OF NEARSHORE WATERS BY 2030,"

begs leave to report as follows:

The purpose of this measure is to urge the Department of Land and Natural Resources to support the goal of effectively managing 30 per cent of nearshore waters by 2030.

The Department of Land and Natural Resources and a concerned individual testified in support of this measure.

Your Committee has amended this measure by requesting the Department of Land and Natural Resources, by 2019, to establish benchmarks for the effective management of 30 per cent of nearshore waters by 2030, and to provide an annual report to the Legislature each year, rather than only next year. Technical, nonsubstantive amendments were also made for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Ocean, Marine Resources, & Hawaiian Affairs that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 137, as amended herein, and recommends

HR137 HD1 HSCR OMH HMS 2017-3357

that it be referred to your Committee on Finance in the form
attached hereto as H.R. No. 137, H.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Ocean, Marine
Resources, & Hawaiian Affairs,

KANIELA ING, Chair
