"Nonprofit entity" means any charitable organization operating pursuant to Title 26 United States Code section 501(c)(3), (4), (8), (9), (26), or 501(e), and whose primary purpose is to provide accident and health or sickness insurance coverage or any type of accident and health or sickness insurance benefits to its members or the public. (c) After reviewing the report and plan for conversion of the nonprofit entity, if the commissioner finds any discrepancy in the valuation of the assets of the nonprofit entity, the commissioner may obtain an independent party to provide a valuation of the assets. The commissioner shall have the discretion of making a final determination of the valuation of the assets of the nonprofit entity; provided that any issues arising from valuation are brought forth during the public hearing.
