- (4) Debt of a business association or financial organization, other than a bearer bond or an original issue discount bond, five years after the date of the most recent interest payment unclaimed by the apparent owner;
- (5) A demand, savings, or time deposit, including a deposit that is automatically renewable, five years after the earlier of maturity or the date of the last

indication by the owner of interest in the property; provided that a deposit that is automatically renewable is deemed matured for purposes of this section upon its initial date of maturity, unless the owner has consented to a renewal at or about the time of the renewal and the consent is in writing or is evidenced by a memorandum or other record on file with the holder;

- (6) Money or credits owed to a customer as a result of a retail business transaction, five years after the obligation accrued;

" **[\$523A-4] Contents of safe deposit box or other safekeeping depository.** Tangible property held in a safe deposit box or other safekeeping depository in this State in the ordinary course of the holder's business and proceeds resulting from the sale of the property permitted by other law, shall be presumed abandoned if the property remains unclaimed by the owner for more than five years after expiration of the lease or rental period on the box or other depository. [L 2008, c 55, pt of §1]

" **[\$523A-5] Rules of taking custody.** Except as otherwise provided in this part or by other statute of this State, property that is presumed abandoned, whether located in this or another state, shall be subject to the custody of this State if:

- (1) The last known address of the apparent owner, as shown on the records of the holder, is in this State;
- (2) The records of the holder do not reflect the identity of the person entitled to the property and it is established that the last known address of the person entitled to the property is in this State;
- (3) The records of the holder do not reflect the last known address of the apparent owner and it is established that:
  - (A) The last known address of the person entitled to the property is in this State; or

- (B) The holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State and has not previously paid or delivered the property to the state of the last known address of the apparent owner or other person entitled to the property;

- (5) The last known address of the apparent owner, as shown on the records of the holder, is in a foreign country and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State;

[L 2008, c 55, pt of §1]

" **[§523A-6] Dormancy charge.** A holder may deduct from property presumed abandoned a charge imposed by reason of the owner's failure to claim the property within a specified time only if there is a valid and enforceable written contract between the holder and the owner under which the holder may impose the charge and the holder regularly imposes the charge, which is not regularly reversed or otherwise canceled. The amount of the deduction shall be limited to an amount that is not unconscionable. [L 2008, c 55, pt of §1]

" **[§523A-7] Burden of proof as to property evidenced by record of check or draft.** A record of the issuance of a check,

draft, or similar instrument shall be prima facie evidence of an obligation. In claiming property from a holder who is also the issuer, the administrator's burden of proof as to the existence and amount of the property and its abandonment shall be satisfied by showing issuance of the instrument and passage of the requisite period of abandonment. Defenses of payment, satisfaction, discharge, and want of consideration are affirmative defenses that shall be established by the holder. [L 2008, c 55, pt of §1]

" **[§523A-8] Report of abandoned property.** (a) A holder of property presumed abandoned shall make a report to the administrator concerning the property.

(b) The report shall be verified and shall contain:

- (6) The date, if any, on which the property became payable, demandable, or returnable, the date of the last transaction with the apparent owner with respect to the property, and whether the property is an interest bearing account; and
- (7) Other information that the administrator by rules adopted under chapter 91 prescribes as necessary for the administration of this part.

(c) If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property, the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

(d) The report shall be filed before November 1 of each year and cover the twelve months next preceding July 1 of that

year; provided that a report with respect to a life insurance company shall be filed before November 1 of each year for the calendar year next preceding.

(e) The holder of property presumed abandoned shall send written notice to the apparent owner, not more than six months before filing the report, stating that the holder is in possession of property subject to this part, if:

(f) Before the date for filing the report, the holder of property presumed abandoned may request the administrator to extend the time for filing the report. The administrator may grant the extension for good cause. The holder, upon receipt of the extension, may make an interim payment on the amount the holder estimates will ultimately be due, which shall terminate the accrual of additional interest on the amount paid.

(g) The holder of property presumed abandoned shall file with the report an affidavit stating that the holder has complied with subsection (e). [L 2008, c 55, pt of §1]

" **§523A-9 Payment or delivery of abandoned property.** (a) Except for property held in a safe deposit box or other safekeeping depository, upon filing the report required by section 523A-8, the holder of property presumed abandoned shall pay, deliver, or cause to be paid or delivered to the administrator the property described in the report as unclaimed; provided that if the property is an automatically renewable deposit, and a penalty or forfeiture in the payment of interest would result, the time for compliance shall be extended until a penalty or forfeiture would no longer result. Tangible property held in a safe deposit box or other safekeeping depository shall not be delivered to the administrator until an additional one hundred twenty days after the time for payment or delivery to the administrator of property presumed abandoned as required by this subsection.

(b) If the property reported to the administrator is a security or security entitlement under article 8 of the Uniform Commercial Code - Investment Securities, the administrator shall be an appropriate person to make an indorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer or its transfer agent or the securities intermediary to transfer or dispose of the security or the

security entitlement in accordance with article 8 of the Uniform Commercial Code - Investment Securities.

(c) If the holder of property reported to the administrator is the issuer of a certificated security, the administrator shall have the right to obtain a replacement certificate pursuant to section 490:8-405; provided that an indemnity bond shall not be required.

(d) An issuer, the holder, and any transfer agent or other person acting pursuant to the instructions of and on behalf of the issuer or holder in accordance with this section shall not be liable to the apparent owner and shall be indemnified against claims of any person in accordance with section 523A-11. [L 2008, c 55, pt of §1; am L 2012, c 229, §1]

" **[§523A-10] Notice and publication of lists of abandoned property.** (a) The administrator shall publish a notice not later than March 1 of the year next following the report required by section 523A-8 at least once statewide. The notice shall be in a form that, in the judgment of the administrator, is likely to attract the attention of the apparent owner of the unclaimed property. The form shall contain:

- (1) The name of each person appearing to be the owner of the property, as set forth in the report filed by the holder;
- (2) The last known address or location of each person appearing to be the owner of the property, if an address or location is set forth in the report filed by the holder;
- (3) A statement explaining that property of the owner is presumed to be abandoned and has been taken into the protective custody of the administrator; and
- (4) A statement that information about the property and its return to the owner is available to a person having a legal or beneficial interest in the property, upon request to the administrator.

(b) The notice shall be given by using one or more of the following methods:

- (1) Posting on the State of Hawaii, department of budget and finance internet website;
- (2) Publication in a daily or weekly publication of statewide circulation; or
- (3) Any other method the administrator deems effective for publicizing the notice.

(c) The administrator shall not be required to advertise the name and address or location of an owner of property having a total value less than \$100, or information concerning a

" **[§523A-11] Custody by State; recovery by holder; defense of holder.** (a) In this section, payment or delivery is made in "good faith" if:

- (1) Payment or delivery was made in a reasonable attempt to comply with this part;
- (2) The holder was not then in breach of a fiduciary obligation with respect to the property and had a reasonable basis for believing, based on the facts then known, that the property was presumed abandoned; and
- (3) There is no showing that the records under which the payment or delivery was made did not meet reasonable commercial standards of practice.

(b) Upon payment or delivery of property to the administrator, the State shall assume custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the administrator in good faith shall be relieved of all liability arising thereafter with respect to the property.

(c) A holder who has paid money to the administrator pursuant to this part may subsequently make payment to a person reasonably appearing to the holder to be entitled to payment. Upon a filing by the holder of proof of payment and proof that the payee was entitled to the payment, the administrator shall promptly reimburse the holder for the payment without imposing a fee or other charge. If reimbursement is sought for a payment made on a negotiable instrument, including a traveler's check or money order, the holder shall be reimbursed upon filing proof that the instrument was duly presented and that payment was made to a person who reasonably appeared to be entitled to payment. The holder shall be reimbursed for payment made even if the payment was made to a person whose claim was barred under section 523A-19(a).

(d) A holder who has delivered property other than money to the administrator pursuant to this part may reclaim the property if it is still in the possession of the administrator, without paying any fee or other charge, upon filing proof that the apparent owner has claimed the property from the holder.

(e) The administrator may accept a holder's affidavit as sufficient proof of the holder's right to recover money and property under this section.

(f) If a holder pays or delivers property to the administrator in good faith and thereafter another person claims the property from the holder or another state claims the money

or property under its laws relating to escheat or abandoned or unclaimed property, the administrator, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim resulting from payment or delivery of the property to the administrator.

(g) Property removed from a safe deposit box or other safekeeping depository shall be received by the administrator subject to the holder's right to be reimbursed for the cost of the opening and to any valid lien or contract providing for the holder to be reimbursed for unpaid rent or storage charges. The administrator shall reimburse the holder out of the proceeds remaining after deducting the expense incurred by the administrator in selling the property. [L 2008, c 55, pt of §1]

" **[§523A-12] Crediting of dividends, interest, and increments to owner's account.** If property other than money is delivered to the administrator under this part, the owner shall be entitled to receive from the administrator any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money. If the property was an interest-bearing demand, savings, or time deposit, including a deposit that is automatically renewable, the administrator shall pay simple interest at the legal rate of interest established in section 478-2, or any lesser rate the property earned while in the possession of the administrator. Interest shall begin to accrue when the property is delivered to the administrator and ceases on the earlier of the expiration of ten years after delivery or the date on which payment is made to the owner. Interest on interest-bearing property shall not be payable for any property delivered to the administrator before July 1, 2009. [L 2008, c 55, pt of §1]

The administrator may decline the highest bid and reoffer the property for sale if the administrator considers the bid to be insufficient. The administrator need not offer the property for sale if the

administrator considers that the probable cost of sale will exceed the proceeds of the sale. A sale held under this section shall be preceded by a single publication of notice, at least three weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold.

(b) Securities listed on an established stock exchange shall be sold at prices prevailing on the exchange at the time of sale. Other securities may be sold over-the-counter at prices prevailing at the time of sale or by any reasonable method selected by the administrator. If securities are sold by the administrator before the expiration of three years after their delivery to the administrator, a person making a valid claim under this part before the end of the three-year period shall be entitled to the proceeds of the sale of the securities or the market value of the securities at the time the valid claim is made, whichever is greater, plus dividends, interest, and other increments thereon up to the time the valid claim is made, less any deduction for expenses of sale. A person making a valid claim under this part after the expiration of the three-year period shall be entitled to receive the securities delivered to the administrator by the holder, if they still remain in the custody of the administrator, or the net proceeds received from sale, and shall not be entitled to receive any appreciation in the value of the property occurring after delivery to the administrator, except in a case of intentional misconduct or malfeasance by the administrator.

(c) A purchaser of property at a sale conducted by the administrator pursuant to this part shall take the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The administrator shall execute all documents necessary to complete the transfer of ownership.  
[L 2008, c 55, pt of §1]

" **§523A-14 Claim of another state to recover property.** (a) Subject to the period of limitation set forth in section 523A-19(c), after property has been paid or delivered to the administrator under this part, another state may recover the property if:

- (1) The property was paid or delivered to the custody of this State because the records of the holder did not reflect a last known location of the apparent owner within the borders of the other state and the other state establishes that the apparent owner or other person entitled to the property was last known to be located within the borders of that state and under the laws of that state the property has escheated or

become subject to a claim of abandonment by that state;

- (2) The property was paid or delivered to the custody of this State because the laws of the other state did not provide for the escheat or custodial taking of the property, and under the laws of that state subsequently enacted the property has escheated or become subject to a claim of abandonment by that state;
- (3) The records of the holder were erroneous in that they did not accurately identify the owner of the property and the last known location of the owner within the borders of another state and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;
- (4) The property was subjected to custody by this State under section 523A-5(6) and under the laws of the state of domicile of the holder the property has escheated or become subject to a claim of abandonment by that state; or
- (5) The property is a sum payable on a traveler's check, money order, or similar instrument that was purchased in the other state and delivered into the custody of this State under section 523A-5(7), and under the laws of the other state the property has escheated or become subject to a claim of abandonment by that state.

(b) A claim of another state to recover escheated or abandoned property shall be presented in a form prescribed by the administrator, who shall decide the claim within ninety days after it is presented. The administrator shall allow the claim upon determining that the other state is entitled to the abandoned property under subsection (a).

(c) The administrator shall require another state, before recovering property under this section, to agree to indemnify this State and its officers and employees against any liability on a claim to the property. [L 2008, c 55, pt of §1; am L 2014, c 184, §1]

" **§523A-15 Filing claim with administrator; handling of claims by administrator.** (a) Subject to the period of limitation set forth in section 523A-19(c), a person, excluding another state, claiming property paid or delivered to the administrator may file a claim on a form prescribed by the administrator and verified by the claimant.

(b) Within one hundred twenty days after a claim is filed, the administrator shall allow or deny the claim and give written

notice of the decision to the claimant. If the claim is denied, the administrator shall inform the claimant of the reasons for the denial and specify what additional evidence is required before the claim will be allowed. The claimant may then file a new claim with the administrator or maintain an action under section 523A-16.

(c) Within thirty days after a claim is allowed, the property or the net proceeds of a sale of the property shall be delivered or paid by the administrator to the claimant, together with any dividend, interest, or other increment to which the claimant is entitled under sections 523A-12 and 523A-13.

(d) A holder who pays the owner for property that has been delivered to the State and which, if claimed from the administrator by the owner would be subject to an increment under sections 523A-12 and 523A-13, may recover from the administrator the amount of the increment. [L 2008, c 55, pt of §1; am L 2014, c 184, §2]

" **[§523A-16] Action to establish claim.** A person, excluding another state, aggrieved by a decision of the administrator or whose claim has not been acted upon within one hundred twenty days after its filing may maintain an original action to establish the claim in the circuit court, naming the administrator as a defendant. If the aggrieved person establishes the claim in an action against the administrator, the court may award the claimant reasonable attorney's fees. [L 2008, c 55, pt of §1]

" **[§523A-17] Election to take payment or delivery.** (a) The administrator may decline to receive property reported under this part that the administrator considers to have a value less than the expenses of notice and sale.

(b) A holder, with the written consent of the administrator and upon conditions and terms prescribed by the administrator, may report and deliver property before the property is presumed abandoned. Property so delivered shall be held by the administrator and shall not be presumed abandoned until it otherwise would be presumed abandoned under this part. [L 2008, c 55, pt of §1]

" **[§523A-18] Destruction or disposition of property having no substantial commercial value; immunity from liability.** If the administrator determines after investigation that property delivered under this part has no substantial commercial value, the administrator may destroy or otherwise dispose of the property at any time. An action or proceeding shall not be maintained against the State or any officer or against the

holder for or on account of an act of the administrator under this section, except for intentional misconduct or malfeasance. [L 2008, c 55, pt of §1]

" **§523A-19 Periods of limitation.** (a) The expiration, before or after July 1, 2009, of a period of limitation on the owner's right to receive or recover property, whether specified by contract, statute, or court order, shall not preclude the property from being presumed abandoned or affect a duty to file a report or to pay or deliver or transfer property to the administrator as required by this part.

(b) An action or proceeding may not be maintained by the administrator to enforce this part in regard to the reporting, delivery, or payment of property more than ten years after the holder specifically identified the property in a report filed with the administrator or gave express notice to the administrator of a dispute regarding the property. In the absence of such a report or other express notice, the period of limitation shall be tolled. The period of limitation shall also be tolled by the filing of a report that is fraudulent.

(c) Beginning on July 1, 2014, any claim made under this part for funds in the unclaimed property trust fund shall be void if the claim is:

- (1) For funds totaling less than \$100; and
- (2) Filed more than ten years after the date that the full amount of the claim was deposited into the unclaimed property trust fund;

provided that for funds totaling less than \$100 that were deposited into the unclaimed property trust fund on or prior to June 30, 2014, the ten-year time limitation on claiming the funds shall commence on July 1, 2014. Unclaimed funds subject to this subsection, upon the expiration of the ten-year time limitation, shall escheat to the State and be transferred to the general fund. [L 2008, c 55, pt of §1; am L 2014, c 184, §3]

" **[§523A-20] Requests for reports and examination of records.** (a) The administrator may require a person who has not filed a report, or a person who the administrator believes has filed an inaccurate, incomplete, or false report, to file a verified report in a form specified by the administrator. The report shall state whether the person is holding property reportable under this part, describe property not previously reported or as to which the administrator has made inquiry, and specifically identify and state the amounts of property that may be in issue.

(b) The administrator, at reasonable times and upon reasonable notice, may examine the records of any person to

determine whether the person has complied with this part. The administrator may conduct the examination even if the person believes it is not in possession of any property that must be reported, paid, or delivered under this part. The administrator may contract with any other person to conduct the examination on behalf of the administrator.

(c) The administrator at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association or financial [organization] that is the holder of property presumed abandoned if the administrator has given the notice required by subsection (b) to both the association or organization and the agent at least ninety days before the examination.

(d) Documents and working papers obtained or compiled by the administrator, or the administrator's agents, employees, or designated representatives, in the course of conducting an examination are confidential and are not public records; provided that the documents and papers may be:

- (1) Used by the administrator in the course of an action to collect unclaimed property or otherwise enforce this part;
- (2) Used in joint examinations conducted with or pursuant to an agreement with another state, the federal government, or any other governmental subdivision, agency, or instrumentality;
- (3) Produced pursuant to subpoena or court order; or
- (4) Disclosed to the abandoned property office of another state for that state's use in circumstances equivalent to those described in this subsection, if the other state is bound to keep the documents and papers confidential.

(e) If an examination of the records of a person results in the disclosure of property reportable under this part, the administrator may assess the cost of the examination against the holder at the rate of \$200 a day for each examiner, or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. The cost of an examination made pursuant to subsection (c) may be assessed only against the business association or financial organization.

(f) If, after July 1, 2009, a holder does not maintain the records required by section 523A-21 and the records of the holder available for the periods subject to this part are insufficient to permit the preparation of a report, the administrator may require the holder to report and pay to the administrator the amount the administrator reasonably estimates, on the basis of any available records of the holder or by any

other reasonable method of estimation, should have been but was not reported. [L 2008, c 55, pt of §1]

" **[§523A-21] Retention of records.** (a) Except as otherwise provided in subsection (b), a holder required to file a report under section 523A-8 shall maintain the records containing the information required to be included in the report for ten years after the holder files the report, unless a shorter period is provided by rule of the administrator.

(b) A business association or financial organization that sells, issues, or provides to others for sale or issue in this State, traveler's checks, money orders, or similar instruments other than third-party bank checks, on which the business association or financial organization is directly liable, shall maintain a record of the instruments while they remain outstanding, indicating the state and date of issue, for three years after the holder files the report. [L 2008, c 55, pt of §1]

" **[§523A-22] Enforcement.** The administrator may maintain an action in this or another state to enforce this part. The court may award reasonable attorney's fees to the prevailing party. [L 2008, c 55, pt of §1]

" **[§523A-23] Interstate agreements and cooperation; joint and reciprocal actions with other states.** (a) The administrator may enter into an agreement with another state to exchange information relating to abandoned property or its possible existence. The agreement may permit the other state, or another person acting on behalf of a state, to examine records as authorized in section 523A-20. The administrator by rule may require the reporting of information needed to enable compliance with an agreement made under this section and prescribe the form.

(b) The administrator may join with another state to seek enforcement of this part against any person who is or may be holding property reportable under this part.

(c) At the request of another state, the attorney general of this State may maintain an action on behalf of the other state to enforce, in this State, the unclaimed property laws of the other state against a holder of property subject to escheat or a claim of abandonment by the other state, if the other state

has agreed to pay expenses incurred by the attorney general in maintaining the action.

(d) The administrator may request that the attorney general of another state or another attorney commence an action in the other state on behalf of the administrator. With the approval of the attorney general of this State, the administrator may retain any other attorney to commence an action in this State on behalf of the administrator. This State shall pay all expenses, including attorney's fees, in maintaining an action under this subsection. With the administrator's approval, the expenses and attorney's fees may be paid from money received under this part. The administrator may agree to pay expenses and attorney's fees based in whole or in part on a percentage of the value of any property recovered in the action. Any expenses or attorney's fees paid under this subsection may not be deducted from the amount that is subject to the claim by the owner under this part. [L 2008, c 55, pt of §1]

" **§523A-23.5 Unclaimed property trust fund.** (a) There is established in the state treasury the unclaimed property trust fund, which shall be administered by the director. - (7) Any other charges, costs, or expenses incurred in the operation, administration, and enforcement of this chapter.

(c) Moneys in the unclaimed property trust fund shall be invested by the director, and all investment earnings shall be deposited to the credit of the general fund.

(d) All unencumbered and unexpended moneys in excess of \$1,300,000 remaining on balance in the unclaimed property trust fund on June 30 of each year shall lapse to the credit of the state general fund. [L 2000, c 172, §1; am L 2003, c 115, §1]

" **[\$523A-24] Interest and penalties.** (a) A holder who fails to report, pay, or deliver property within the time prescribed by this part shall pay to the administrator interest at the annual rate of two percentage points above the annual rate of discount in effect on the date the property should have been paid or delivered for the most recent issue of fifty-two-week United States Treasury bills on the property or value thereof from the date the property should have been reported, paid, or delivered.

(b) Except as otherwise provided in subsection (c), a holder who fails to report, pay, or deliver property within the time prescribed by this part, or fails to perform other duties imposed by this part, shall pay to the administrator, in addition to interest as provided in subsection (a), a civil penalty of \$200 for each day the report, payment, or delivery is withheld, or the duty is not performed, up to a maximum of \$5,000.

(c) A holder who wilfully fails to report, pay, or deliver property within the time prescribed by this part, or wilfully fails to perform other duties imposed by this part, shall pay to the administrator, in addition to interest as provided in subsection (a), a civil penalty of \$1,000 for each day the report, payment, or delivery is withheld, or the duty is not performed, up to a maximum of \$25,000, plus twenty-five per cent of the value of any property that should have been but was not reported.

(e) The administrator for good cause may waive, in whole or in part, interest under subsection (a) and penalties under subsections (b) and (c), and shall waive penalties if the holder acted in good faith and without negligence. [L 2008, c 55, pt of §1]

" **§523A-25 Agreement to locate property.** (a) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property that is presumed abandoned shall be void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is twenty-four months after the date the property is paid or delivered to the administrator.

(b) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property shall be enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by the apparent owner, and states the value of the property before and after the fee or other compensation has been deducted.

(d) An agreement covered by this section that provides for compensation that exceeds twenty-five per cent of the total value of the property shall be unenforceable except by the owner. An owner who has agreed to pay compensation that exceeds twenty-five per cent of the total value of the property, or the administrator on behalf of the owner, may maintain an action to reduce the compensation to an amount not to exceed twenty-five per cent of the total value of the property. The court may award reasonable attorney's fees to an owner who prevails in the action.

(e) This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than excessive or unjust compensation. The court may award reasonable attorney's fees to an owner who prevails in the action.

(f) This section does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the administrator's denial of a claim; provided that:

- (1) An owner's agreement with an attorney covered by this subsection that provides for compensation shall not exceed twenty-five per cent of the total value of the property, except as provided in paragraph (2); and
- (2) An owner's agreement with an attorney to maintain an action in circuit court under section 523A-16 may provide for compensation that exceeds twenty-five per cent of the total value of the property only upon

(d) All unencumbered and unexpended moneys in excess of \$1,300,000 remaining on balance in the unclaimed property trust fund on June 30 of each year shall lapse to the credit of the state general fund. [L 2008, c 55, pt of §1]

(b) This part does not relieve a holder of a duty that arose before July 1, 2009 to report, pay, or deliver property. Except as otherwise provided in section 523A-19(b), a holder who did not comply with the law in effect before July 1, 2009 shall be subject to the applicable provisions for enforcement and penalties which then existed, which are continued in effect for the purpose of this section. The director by rule may require the reporting of information needed to enable compliance with agreements made pursuant to this section and prescribe the form.

(b) To avoid conflicts between the director's procedures and the procedures of administrators in other jurisdictions that enact the Uniform Unclaimed Property Act, the director, so far as is consistent with the purposes, policies, and provisions of this part, before adopting, amending, or repealing rules, shall advise and consult with administrators in other jurisdictions that enact substantially the Uniform Unclaimed Property Act and take into consideration the rules of administrators in other jurisdictions that enact the Uniform Unclaimed Property Act.

If the records of any officer, department, or agency of the United States do not disclose the address of any owner of unclaimed property, such address shall be presumed to be within this State if the federal agency having custody of the unclaimed property initially acquired possession in this State or is a corporation domiciled in this State. All addresses presumed to be within this State are presumed to be within the city and county of Honolulu. For the purpose of this part, it shall be presumed that the situs of intangible unclaimed property is in this State if the last known or presumed address of the owner is in this State.

(b) All tangible unclaimed property is subject to delivery in this State if the federal agency having custody of the unclaimed property initially acquired possession in this State. [L 1988, c 93, pt of §2]

" **[\$523A-54] Request by director of finance for report of previously unreported information.** On the thirtieth day of June of each year, the director shall request the Comptroller General or other proper officer of the United States to report all previously unreported information relating to unclaimed property as determined by that officer pursuant to federal law. [L 1988, c 93, pt of §2]

" **[\$523A-55] Agreement for State's payment of share of costs.** The director is authorized to enter into agreements establishing the time and manner for paying the State's proportionate share of any actual and necessary cost incurred by the United States in examining its records and reporting information to the State. Said agreements may provide for

single payments at stated times over a period of years. The director shall make all payments at the time and in the manner provided in said agreements. [L 1988, c 93, pt of §2]

" **§523A-56 Posting copy of report; notice of interest and intention to claim; determination of asserted interest.** (a) When a report is received from the Comptroller General or other proper officer of the United States, the director shall give the notice described in subsection (b) not later than May 1 of the year immediately following the report required by section 523A-54, at least once statewide.

(b) The public notice shall contain:

- (1) The names in alphabetical order and last known address, if any, of any person listed in the report with property valued greater than \$100;
- (2) A statement identifying the location of a list of names and last known addresses, if any, of persons appearing to be owners of abandoned property; and stating that this list shall be made available as a government record; and
- (3) A statement that information concerning the property and the name and last known address of the holder may be obtained by any person possessing an interest in the property by addressing an inquiry to the director.

(c) The director shall not be required to list in the notice any items of less than \$50 unless the director considers the notice to be in the public interest. Any person asserting an interest in property described in the report may elect to claim against the United States, under the laws of the United States, in which event and within ninety days following the date of initial public notice the person shall notify the director of the person's asserted interest and intention to so claim. The director shall omit the property from any claim by the State until the asserted interest may be finally determined against the claimant. The interest shall not thereafter be asserted against the State. [L 1988, c 93, pt of §2; am L 1996, c 214, §8; am L 1998, c 2, §109]

" **[§523A-57] State's right unaffected by expiration of time for proceeding.** The expiration of any period of time specified by statute or court order, during which an action or proceeding may be commenced or enforced to obtain payment of a claim for funds or delivery of property shall not affect the right of this State to acquire possession of unclaimed property in accordance with the provisions of this part. [L 1988, c 93, pt of §2]

" **[§523A-58] Petition for determination of State's right to custody of unclaimed property; venue; service not required.** (a) Within one hundred twenty days following the date of publication by the director, or whenever it appears, after investigation by the director or otherwise, that there exists or may exist property subject to this part, the attorney general may take action to recover such property. Any proceeding by the attorney general shall be commenced by filing a petition to determine the State's right to custody of all property mentioned in the report and unclaimed within the time and in the manner provided by section 523A-56. The petition shall name as respondents all persons known to have been interested and "all persons unknown claiming any title or interest" in or to the property described or referred to in the petition. Known owners may be described as a class when: (i) they own or claim property of the same nature and the value of such property as shown on the account of each such owner or claimant in the records of the United States does not exceed \$500 in value, or (ii) the records of the United States show more than ten such owners or claimants for a particular fund, item, or category of property, or (iii) the records of the United States fail to disclose the number of owners or claimants for a particular fund, item, or category of property with a reasonable degree of certainty. If the records of the United States fail to disclose with reasonable certainty the identity or number of owners or claimants of particular funds or other personal property, or the extent of their interests therein, such persons may be designated and described as a class of "all unknown owners or claimants to the funds or property mentioned in or affected by" the proceeding, and, as the case may be, the petition shall identify and set forth the court actions or proceedings to the credit of which such funds or other property are held, or the accounts or other identifying references under which they are carried upon the records of the United States. The petition shall describe or refer to the property, and may include one or more items, as the attorney general may be advised, without prejudice to the right of the attorney general to commence subsequent proceedings relating to other items not included. The petition shall also state the name of the owner and the last address of the owner as known or as presumed under this part, and shall set forth the facts and circumstances by virtue of which it is claimed that such funds or property are subject to custody by the State. When known owners or claimants are described as a class, the requirements of section 523A-59 must be met. Any number of respondents may be joined whether they reside in the same or different counties; and any number of causes of action may be joined and need not be separately stated.

(b) The proceeding shall be commenced and heard in the circuit court of the first circuit of the State and venue shall not be affected by the provisions of any other statute.

(c) No summons or other process shall issue to direct the appearance and answer of a respondent. [L 1988, c 93, pt of §2]

" **[§523A-59] Notice of proceedings.** (a) Commencing within five days after the filing of the petition, notice of the proceeding shall be published once each week for three consecutive weeks in a newspaper of general circulation published within the city and county of Honolulu. At the time the notice is first published, a copy of the petition and notice shall be posted at the courthouse in the county where each respondent was last known or presumed to have had an address. Such petition and such notice shall remain posted for forty-five days.

(b) The notice of proceeding shall advise that the State seeks custody of unclaimed property held by the United States. The names but not the addresses of the respondents shall be contained in the notice with a statement that such persons are believed to live or to have lived within the State and are believed to be or to have been owners of the unclaimed property. The notice shall not contain a description of the unclaimed property but shall advise that such description together with the last known or presumed addresses of owners may be determined by examining the petition filed in the proceeding. The petition and its place of filing shall be sufficiently identified and described. The notice shall specify when answers to the petition must be filed and advise that persons claiming an interest must answer the petition within the time prescribed by law if they elect to pursue their claims against the United States, otherwise their rights to property shall not be preserved, subject to delayed delivery as provided by law. The notice shall advise that section 523A-60 should be consulted for the time, form, and costs of any answer.

(c) The notice shall be deemed completed forty-five days after the date of first publication, whereupon the court shall have full and complete jurisdiction over the property described in the petition and not claimed within the time or in the manner provided in section 523A-61, and shall have full and complete jurisdiction to determine the right of the State to custody and to render an appropriate judgment therefor.

(d) The notice shall be served by first class mail, together with a copy of the petition, on the clerk, registrar, or other person in charge of the federal agency, department, instrumentality, or corporation having possession, custody, or control of such property, together with a statement that no

personal claim is made against such clerk, registrar, or other person. [L 1988, c 93, pt of §2]

" **[\$523A-60] Answer; disposition of funds on deposit; dismissal without prejudice.** Any person, whether or not named in the petition, may within fifteen days but not more than sixty days after the date of the first publication of the notice respond to the petition by answer describing the property, asserting an interest as owner or successor, and declaring an intention to claim the same from the United States under the laws of the United States. Such answer shall not be filed unless accompanied by the sum of \$50, and no other answer or response shall be filed by or on behalf of a claimant. The court shall strike from the petition and dismiss from the proceeding all property described in an answer. Such dismissal shall be without prejudice to a subsequent petition should it appear that the claimant is not entitled to the property, and the interest asserted in said answer shall not thereafter be asserted against the State. The funds deposited with any answer shall be transmitted by the court to the director and shall be received for deposit in the general fund as total reimbursement for costs and services expended on behalf of the claimant. [L 1988, c 93, pt of §2]

" **[\$523A-61] Application for judgment relating to property not claimed by answer, and finding and declaration thereon.** Within twenty days following expiration of time for filing an answer under section 523A-60, the attorney general shall apply to the court for a judgment relating to all property set forth in the petition and not claimed by answer. The court shall find that such property appears to be or to have been owned by persons residing within this State and remains unclaimed by such persons. The court shall declare that the property, which shall be described, is subject to custody of the State and shall be delivered to and received by the State to be retained until such time as it may be claimed pursuant to law. [L 1988, c 93, pt of §2]

" **[\$523A-62] Request for delivery or payment of unclaimed property described in judgment; receipts.** The director of finance shall request delivery or payment of all unclaimed property described in the judgment declaring the right of the State to receive custody of such property. The request shall be accompanied by a certified copy of said judgment and shall be directed to such officer, agency, or department of the United States as may have custody, possession or control of such

property. The director shall furnish receipts for all property delivered or paid. [L 1988, c 93, pt of §2]

" **[§523A-63] Disposition of property received.** Property received under this part shall be deposited or sold by the director as though received under part I of this chapter. Property received under this part shall not be subject to claim within two years following the date upon which it is paid to or received by the State. Thereafter, persons claiming an interest in the unclaimed property delivered to the State pursuant to this part shall make their claims in the manner provided in part I of this chapter. [L 1988, c 93, pt of §2]

#### **Note**

The amendment made by L 2008, c 55, §2 is not included in this section.

" **[§523A-64] Undertaking to hold the United States harmless; intervention by state attorney general.** (a) Upon the payment and delivery of property to the director, the State assumes custody and responsibility for the safekeeping of the property. An officer, department or agency of the United States who pays or delivers property to the director in good faith is relieved of all liability to the extent of the value of the property paid or delivered for any claim then existing or which thereafter may arise or be made in respect to such property.

(b) The State hereby undertakes to hold the United States harmless against any claim concerning property delivered to the custody of the State in accordance with the provisions of this part. In the event an action or proceeding on such claim is brought against the United States the attorney general shall intervene therein upon receipt of actual notice thereof. The State consents to suit by such claimant in such event and any defense in favor of the United States shall be available to and urged by the State.

(c) If an officer, department, or agency of the United States pays or delivers property to the director in good faith and thereafter another person claims the property from such officer, department, or agency, or another state claims the property under its laws relating to escheat or abandoned or unclaimed property, the director, upon written notice of the claim, shall defend such officer, department, or agency against the claim and indemnify such officer, department, or agency against any liability on the claim.

(d) For the purposes of this section "good faith" means that:

- (1) Payment or delivery was made in a reasonable attempt to comply with this part; and
- (2) The person paying or delivering the property had a reasonable basis for believing, based on the facts then known to the person, that the property was abandoned or unclaimed for the purposes of this part.

(e) If, and as often as may be, required by federal statute, the governor shall certify to the Comptroller General or other proper officer of the United States that the law of this State provides effective means whereby the United States shall be held harmless in the event of claim for property delivered to this State in accordance with the provisions of this part. [L 1988, c 93, pt of §2]

" **§523A-65 State rights not affected.** (a) Notwithstanding any other provision of law, the right of the State to maintain an action and to recover presumptively abandoned property and the obligation of the federal government, or any federal agency, entity, officer, or appointee thereof, to comply with the requirements contained in [part I of this chapter] and sections 523A-51 to 523A-64 shall not be affected by any state failure to adhere to sections 523A-54 to 523A-64.

(b) Subsection (a) shall apply to all property held at the time of enactment, or at any time thereafter, regardless of when the property became or becomes presumptively abandoned. [L 1990, c 31, §2; am L 2008, c 55, §3]
