

GLEN KANESHIGE

President

Glen Kaneshige is President of Nordic PCL Construction, Inc. Glen was President and CEO of Nordic Construction, Ltd. from [REDACTED] until it became part of the PCL family of companies April 2008. As President of Nordic PCL Construction, Glen sets the strategic direction for the company in Hawaii while remaining involved in the company's operations. He started with Nordic as a project engineer upon his return to Hawaii from college on the mainland and subsequently held the positions of project manager, vice president of operations, and executive vice president. Glen had the opportunity to work on noteworthy projects such as the Kaiser Honolulu Clinic, the Alii Place, and the James Campbell Building in Kapolei. He has served as President of the General Contractors Association (GCA) of Hawaii in 2006 and is currently one of four Associated General Contractors Governors for Hawaii. Glen is a management trustee of the Hawaii Carpenters Union Health & Welfare Fund, the Hawaii Masons & Plasterers Training Fund and Vacation/Holiday Fund, and serves as chair of the General Contractors Labor Association (GCLA) Labor Negotiations Committee. He is also a board member for the American Heart Association and Child & Family Service.

In March 2011, Glen was awarded "Outstanding Builder of the Year" by the Hawaii Regional Council of Carpenters for his exceptional contributions to union construction and labor-management relations.

Glen is a graduate of Iolani School. He holds a Bachelor of Science degree in civil engineering from the University of California at Berkeley and Master of Science degree in civil engineering from Born and raised in Honolulu
