

**Scot Sterenberg**

Senior Vice President

Responsibilities As Head of Office for the Hawaii office of Marsh Management Services, Scot is responsible for leading the analysis, accounting, operations, and compliance services provided to all managed accounts. He maintains close contact with service teams to ensure quality is maintained and that your team is comprehensively trained and performs to your requirements.

Scot also provides advice to prospects, clients and risk advisor colleagues about Captive Solutions' scope of services. He assists with feasibility and organization of captives, participates in strategic reviews and provides advice surrounding various captive issues such as capitalization, coverage, investments and utilization.

Experience Scot has been with Marsh for over ■ years, serving in the Captive Solutions group in Honolulu for the past ■ years. Prior to joining Marsh, Scot had four years experience as an account executive for a privately held financial services company.

Education Scot holds a BS in Accounting from Calvin College in Grand Rapids, Michigan.

Affiliations He is the Chair of the Marketing Committee for the Hawaii Captive Insurance Council (HCIC) and contributes to the annual Educational Forum seminars of the HCIC, CICA and other industry associations.
