

## Gerald Wright

From [REDACTED] to the present I have been a full-time medic in the Maui County EMS system, beginning as an EMT. In [REDACTED] I was part of the first Maui County MICT program and have been a full-time MICT since the spring of [REDACTED]. For the past [REDACTED] years I have been the Operations Team Leader at the Hana ambulance station, a unique ambulance station in Maui EMS in that we also staff the Hana Medical Center after hours and on weekends. During those [REDACTED] years as a paramedic I have also worked the following:

- Five years in two separate stints with Hawaii Air Ambulance as a flight medic
- Two years as President of the Maui County Paramedics Association
- Seven years as American Medical Response county Safety Officer
- Continue to be Maui County Driver-Trainer
- Published two articles in JEMS magazine

Prior to my EMS career I was a newspaper reporter on a daily newspaper, the Helena Independent Record in Helena Montana where I covered local government and the environment. After moving to Maui in [REDACTED] and before beginning my career in EMS I worked as crew on a dive boat, lead horseback tours in Haleakala Crater and worked construction.
