

DONALD G. WOOD

**OBJECTIVE**

December 21, 2016:

Reapply to Serve and Represent Radiologic Technology on the State of Hawaii Radiologic Technology Board.

**QUALIFICATIONS**

Thirty-four contiguous and progressive years of experience as a credentialed ARRT Certified Radiologic Technologist specializing in the field of medical imaging, medical education, clinical and healthcare systems management. I possess the experience, knowledge, scope of expertise in terms of management of operations of a single and multi site diagnostic imaging healthcare enterprise. I have extensive experience as a director of all in house imaging modalities, cost centers, including two separate remote out patient imaging businesses. I have extensive experience with image acquisition, archive, and communication (PACS) processing operations. I also possess necessary communication or people skills - enhanced with an inherent desire to collaborate with empathy, compassion, and with good business specificity and sensitivity to achieve growth through harmonious support to ancillary healthcare services and all important physician contributors.

**EDUCATION**

- B.S. [Redacted] Bachelors of Science - Radiologic Sciences
- A.S. [Redacted] Associate of Science - Radiologic Sciences
- H.S. [Redacted] Progress Preparatory High School
