**Responsibilities and Qualifications**

Mr. Chung has acquired a diverse background in landscape architecture with more than 35 years of experience. Mr. Chung's philosophy on design is to always strive for creativity beyond adequacy and ensure that all solutions necessitate environmental stewardship.

Along with firm management responsibilities, Mr. Chung remains directly involved with projects from initiating design concepts, assuring successful implementation and completion and client satisfaction.

**Responsibilities and  
Qualifications**

Mr. Chung works on various types of landscape architectural projects ranging in scale and complexity including landscape hardscape and planting design to large scale physical site planning. His breadth of experience also includes completing projects in California, Okinawa, Japan, South Korea and Guam.

Mr. Chung has received numerous awards for his works in Resort, Commercial, Residential Communities, Parks and Educational Institutions from the American Society of Landscape Architects, Hawaii Chapter, American Planning Association, Hawaii Chapter, National Association of Industrial and Office Properties (NAIOP), Scenic Hawaii and the Building Industry of Hawaii.
