**OBJECTIVE:**

To participate on the Advisory Committee on Pesticides Board

**EXPERIENCE:**

I have been in the termite and pest control industry for over 15 years and have become familiar in the use, application and regulation of many pesticide products throughout those years.

Our company has been a member of the Hawaii Pest Control Association since opening our doors back in 1999. I have served on the board for many years and am currently on my 2<sup>nd</sup> term as the Association President.
