WORK HISTORY/EXPERIENCE

Pig Hunters' Association of O'ahu], January 2016 – Present

Vice President

Actively engaged in organizing and facilitating the Pig Hunters' Association of O'ahu (PHAO) in an effort to promote goodwill, companionship and interest in the sport of hunting in the state of Hawaii. Works together with a board to help address hunter issues regarding access, safety, cultural practices and all other hunter related concerns.

Ko'olau Mountains Watershed Partnership, September 2014 - Present

Ungulate Management Lead

Plans and addresses landscape level watershed threats from feral ungulates. Coordinates and leads field activities to identify and implement site-appropriate methods for ungulate control. Acts as a liaison on hunting issues for ungulate management with other managing entities and landowners in the Ko'olau Range. Manages volunteer hunting program.

O'ahu Army and Natural Resources Program, March 2008 - August 2014

Field Construction/Maintenance Worker

Construct and maintain ungulate exclosures. Clear vegetation for fencelines, scout fence routes, assist in operations to move supplies into remote areas using a helicopter, and assist in developing ungulate management plans. Remove ungulates from fenced in areas to preserve native Hawaiian ecosystems. Coordinate outreach to community to inform stakeholder groups of the program's goals and responsibilities.

Boys & Girls Club of Hawai'i, June 2006 - December 2007

Youth Development Specialist/Outreach Worker

Plan and implement after-school sports activities for youth 7-17 years old. Coordinate community activities that promote healthy living for youth. Work in partnership with community organizations and schools to develop public relations and further the mission of the Boys & Girls Club organization.
