

GOV. MSG. NO. 022

Hi my name is Jeffery DeRego I live here on Maui. I am a Volunteer for DL&R with their hunting program here for at least 10 plus years. I want to get on the Hunter Advisory Board. I feel that I have the knowledge and expertise to be a good candidate to represent the hunting Community. I work for the County Of Maui as a Supervisor. I have been the President of the Maui hunters And Sportsman Club for about 30 Years. The club has been in existence since 1956 and promote hunting for future generations. I know that I have lots to offer if I had a chance to be on the board. I am a valid hunter my hunting license # is 2017 – 134261-H. I help so many hunting and shooting organizations. I feel that I am very qualified and have so much to offer and would like to have a chance to serve on the Advisory Commission. I help all hunters here with their needs and concerns. I was also on a hunting Advisory council in the past and it was a great thing to have with the sharing of the concerns and needs of the public hunting community. I am a very respectful person open minded and like to help others and conservation and game management is very important to me.

Thanks Jeffery DeRego.
