Dear Senior Baker,

This is a letter of recommendation for Bill Lawson who is seeking a position as a member of the Maui Mental Health and Substance Abuse Area Board.

Bill has been active as a teacher of the Family to Family classes with NAMI, and has been involved with care for his daughter who has bi-polar disorder, and he and his wife Judy are foster parents for their daughter's child, who is epileptic and is diagnosed with DDMR as well. Bill and Judy are living with this mentally and physically challenged child 24-7 for the last 12 years. They have been amazing advocates for her treatment.

We highly recommend Bill for this two year position and trust him as a person of great compassion for others and a person of high

integrity.
Sincerely,

Robert and Harriet Collopy
