Re: GM590, Relating to Gubernatorial Nominee Michael Hayashi

My name is Dr. Devin Puapong, MD, Director of Hawai'i's Pediatric Trauma Resource Center at Kapi'olani Medical Center. Kapi'olani Medical Center for Women & Children is Hawai'i's only maternity, newborn and pediatric specialty hospital. It is well recognized as Hawai'i's leader in the care of women, infants and children. With 243 beds, the not-for-profit hospital delivers 6,000 babies a year, and is also a medical teaching and research facility. Specialty services for patients throughout Hawai'i and the Pacific Region include intensive care for infants and children, 24-hour emergency pediatric and adult care, critical care air transport and high-risk perinatal care. Over 1,500 employees and more than 630 physicians provide specialty care at Kapi'olani. The hospital is home to the Kapi'olani Women's Center and the Women's Cancer Center, and offers numerous community programs and services, such as specialty pediatric clinics, the Kapi'olani Child Protection Center and the Sex Abuse Treatment Center. Kapi'olani is an affiliate of Hawai'i Pacific Health, one of the state's largest health care providers and a not-for-profit health care system with over 70 locations statewide including medical centers, clinics, physicians and other caregivers serving Hawai'i and the Pacific Region with high quality, compassionate care.

I write in support of Gubernatorial Nominee, Michael Hayashi, MD FACS, for consideration and confirmation to the Emergency Medical Services Advisory Committee, for a term to expire 06-30-2020.

I have the pleasure of working with Dr. Michael Hayashi as a member of the Hawai'i Trauma Advisory Council (HTAC). I have witnessed the insight and expertise he brings to the table.
