Comments: I am a resident of Kahana and as a board member of Hoala Aina Kupono, I am active in community building work on the ground in Kahana. I strongly support Shauna Kahiapo as a member of the Kahana Planning Council as she brings legal knowledge of property law and traditional land tenure. She also has experience on the ground in Kahana as she helped found the Kahana Kilo Kai Program, a community based ocean monitoring and educational outreach program.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
