RE: Letter of Recommendation  
Christopher 'Paul' Sibley  
Health Planning Council, Windward O'ahu Subarea  
GM # 640

Dear Senator Baker:

I am writing to recommend Paul Sibley as a member of the Health Planning Council, Windward O'ahu Subarea with a term to expire on June 30, 2020. Paul has demonstrated a willingness to serve the Hawaii community over the last several years through his career with HMSA, management of several eye clinics focused on diabetes and volunteerism with many non-profits and charities.

Sincerely,

Michael J. Meagher, MD, FACR  
Professor and Director  
Division of Radiology  
John A. Burns of Medicine
