

DAVID Y. IGE
GOVERNOR OF HAWAII

**STATE OF HAWAII
DEPARTMENT OF LAND AND NATURAL RESOURCES**

POST OFFICE BOX 621
HONOLULU, HAWAII 96809

**Testimony of
SUZANNE CASE
Chairperson**

**Before the Senate Committee on
WATER AND LAND**

**Wednesday, April 12, 2017
2:45 PM
State Capitol, Conference Room 224**

**In consideration of
GOVERNOR'S MESSAGE 663
SUBMITTING FOR CONSIDERATION AND CONFIRMATION TO THE BOARD OF
LAND AND NATURAL RESOURCES GUBERNATORIAL NOMINEE, SAMUEL GON III,
FOR A TERM TO EXPIRE JUNE 30, 2017.**

Governor's Message 663 submits the Governor's nomination of Samuel Gon III for the O'ahu seat on the Board of Land and Natural Resources (Board). This nomination is to fill the vacancy caused by the resignation of Ms. Ulalia Woodside. Dr. Gon's training and background also meet the requirements for the expert in natural resources and Hawaiian traditional and customary practices. **The Department of Land and Natural Resources (Department) strongly supports this nomination.**

Dr. Gon was first nominated to the Board in 2006 and served two four-year terms. He stepped down in 2014 and is therefore eligible to serve two more four-year terms. The Department is pleased to welcome Dr. Gon back so that we may benefit from his broad knowledge of natural and cultural resources in Hawai'i.

Dr. Gon is the Senior Scientist and Cultural Advisor for The Nature Conservancy in Hawai'i. He has over 35 years of experience in Hawaiian ecology, including biological inventory and research, field ecology, ecological modeling and biological database management. Dr. Gon is also a Kumu Hula and is proficient in the Hawaiian language. He is able to combine the two to provide a cultural lens to the Department's mission to:

Enhance, protect, conserve and manage Hawaii's unique and limited natural, cultural and historic resources held in public trust for current and future generations of the people of

CARTY S. CHANG
INTERIM CHAIRPERSON
BOARD OF LAND AND NATURAL RESOURCES

Testimony of The Nature Conservancy of Hawai'i
Supporting Governor's Messages 663 and 664 for the Confirmation of Samuel M. Gon III
to the Board of Land and Natural Resources
Senate Committee on Water and Land
Wednesday, April 12, 2017, 2:45PM, Room 224

The Nature Conservancy of Hawai'i is a private non-profit conservation organization dedicated to the preservation of the lands and waters upon which life depends. The Conservancy has helped to protect nearly 200,000 acres of natural lands in Hawai'i. We manage 40,000 acres in 14 preserves and work in 19 coastal communities to help protect the near-shore reefs and waters of the main Hawaiian Islands. We forge partnerships with government, private parties and communities to protect Hawai'i's important watershed forests and coral reefs.

The Nature Conservancy of Hawai'i strongly supports the appointment of Dr. Samuel M. Gon III to the Board of Land and Natural Resources.

Sam has worked at The Nature Conservancy for more than three decades and currently serves as our Senior Scientist and Cultural Advisor. In this capacity, he oversees and guides the science behind our terrestrial conservation operations in Hawai'i. His expertise is critical in directing the vision and goals of our organization. Sam's long history in and broad knowledge of Hawaiian ecology makes him a valuable resource to others in the conservation community as well. He is often called upon by colleagues at the state, federal, and local levels for guidance, and his interactions have earned him the reputation of being intelligent, fair, and completely dedicated to the wise use and management of Hawaii's natural resources. Sam's extensive volunteer and professional associations further demonstrate his commitment to the protection of Hawai'i's natural heritage.

In addition, Sam's knowledge of Hawaiian history, culture, and language allows a broad perspective to ensure the best protection of Hawaii's unique natural and cultural heritage.

Sam is a leader in the conservation community whose expertise in Hawaiian ecology and culture will serve the Board well. We respectfully encourage your favorable consideration of Samuel Gon's appointment to the Board of Land and Natural Resources.

**TESTIMONY OF THE OCEAN TOURISM COALITION IN SUPPORT OF GM 663
SAMUEL M. GON III TO SERVE ON THE BLNR**

Chair Senator Rhoads, Vice Chair Senator Gabbard, and Members of WTL

My name is James E. Coon. I am the President of the Ocean Tourism Coalition (OTC), speaking in Support of GM 663 appointing Mr. Samuel M. Gon III to the Board of Land and Natural Resources.

The OTC represents over 300 Ocean Tourism businesses across the State, mostly operating out of DLNR/DOBOR Small Boat Harbors. Most of these companies are family owned and operated, have been in business for decades, are passionate stewards of our coastal and marine environment and are very involved in their respective communities.

I have known Mr. Gon and observed firsthand the dedication, diligence and thoughtfulness with which he served as a Land Board Member for several years. He brings a unique perspective to the Board as both a respected scientist as well as a Hawaiian Cultural Practitioner.

We in the Ocean Tourism community believe Samuel Gon will make decisions that are thoughtful and fair while continuing to do what is best for the environment, stakeholders, and the Hawaiian Culture and Community.

Please confirm Mr. Samuel M. Gon III to serve on the BLNR.

Sincerely,

James E. Coon, President, OTC

Aloha Kakou,

I'm writing in support of the nomination of Dr. Sam Ohu Gon to serve on the Board of Land and Natural Resources through 2021.

Dr. Gon has demonstrated his capacity and willingness to work tirelessly to malama these islands. He has a deep and broad understanding of the science underlying conservation.

Hawaii is profoundly blessed by Dr. Gon's dedication to the land and ecosystems. Thank you for choosing him to serve on the BLNR.

Aloha,
Laurie Baron

Testimony in favor of Governor's Message 663 and Governor's Message 664
Samuel Gon III
Board of Land and Natural Resources

Senator Karl Rhoads, Chair
Senator Mike Gabbard, Vice Chair
Senate Committee on Water and Land

Aloha Senator Rhoads and Members of the Committee on Water and Land:

My name is Annette Kaohelaulii and I live in Kailua. I am pleased to be submitting testimony in favor of the appointment of Samuel Gon III to the Board of Land and Natural Resources to complete the term ending 6/30/2017 and a new term ending 6/30/2021.

I have known Sam Gon since he was a Sierra Club High School Hiker from McKinley High School in the 1970's. I have watched his career over all these years and am very proud to have been an adult leader in the High School Hikers program when he and my son and many other fine young people were in that program. Sam is a exemplary example of the modern Hawaiian man. His knowledge of the natural history of our islands and his ever expanding cultural expertise is amazing.

His background and previous term on the Board make him the perfect nominee for 19 a position on the Board of Land and Natural Resources.

Thank you for the opportunity to provide my personal testimony for this nomination.

Comments: Aloha mai kākou! I STRONGLY SUPPORT the appointment and confirmation of Dr. Samuel M. 'Ohukani'ōhi'a Gon, III to serve on the Board of Land and Natural Resources. Dr. Gon is a senior scientist and cultural advisor at the Hawai'i Nature Conservancy of Hawai'i, a leading expert on Hawaiian ecology and a 'Living Treasure' of Hawai'i. Dr. Gon protects Hawaiian species, ecosystems, and culture as well as shares his vast knowledge of them. I had the good fortune to be on a nature walk with Dr. Gon a few years ago and learned so much, especially about the value of our watersheds and sustainability. He is exactly what is needed for Board of Land and Natural Resources and heartedly ask for your support.

Comments: Aloha Chair Rhoads, Vice Chair Gabbard, and Committee Members, I support the Governor's nomination of Dr. Samuel 'Ohu Gon III to the Board of Land and Natural Resources (BLNR). As a former BLNR Member, Dr. Gon has provided an invaluable and holistic perspective on natural and cultural resource management and has the experience and knowledge to act in the best interest of the public trust. I ask that you confirm Dr. Gon as a member of the BLNR. Mahalo nui.

Comments: Honorable Chair Sen. Karl Rhoads, Vice Chair Sen. Mike Gabbard, and members of the Senate Committee on Water and Land, aloha! I would like to express my enthusiastic support for the appointment of Sam Gon to serve on the Board of Land and Natural Resources. Sam is an immensely knowledgeable cultural practitioner, a natural ambassador and educator, and a wise and insightful visionary who is a perfect bridge between Hawaii's rich history and its promising future. Any policy making body would benefit greatly from his participation, but I can think of no better match than with the BLNR. Mahalo for your consideration.

Ke Kōmike no ka Wai a me ka `Āina,

Re: nomination of Dr. Sam Gon III to the Board of Land and Natural Resources

Aloha Senators Rhoads and Gabbard,

It is my pleasure to support the nomination of Dr. Sam Gon III to the Board of Land and Natural Resources (GM 663 and GM 664). I have known Sam for almost 40(!) years, ever since we were both undergraduates at the University. During every school break Sam and I and a group of like-minded folks went on volunteer service projects in the Hawaiian backcountry for the Hawai`i Service Trip Program. We built fences to keep goats and pigs out of sensitive ecosystems, built trails to improve public access to scenic areas, and eradicated invasive plants. Over the years, Sam participated in, or led, probably a few 10s of these trips. They require physical and mental fortitude to deal with challenging terrain and vegetation, and to live in sometimes primitive backcountry campsites. Why this is relevant to Sam's appointment to the BLNR is that most of all these trips require strong dedication to the Hawaiian environment because the work is difficult and all volunteer!

Sam is one of those rare people on which one can confer the title of genius. He is skillful at anything he tries – science, music, `ōlelo Hawai`i, the intricacies of land policy, and most importantly, how these and many other aspects of Hawai`i nei are inter-related. Because he is so smart, clever, and fair-minded, Sam will be a very valuable asset to the Board, especially when they need to make difficult or contentious decisions. Sam is one of very few people who combine deep knowledge of both the western and Hawaiian viewpoints of our ecosystem, and the BLNR will be fortunate to have Sam's expertise.

Sincerely,

Scott Rowland

41-028 Mānana St.

Waimānalo, 96795
