**In consideration of
GOVERNOR'S MESSAGE 669
SUBMITTING FOR CONSIDERATION AND CONFIRMATION TO THE
LEGACY LAND CONSERVATION COMMISSION, GUBERNATORIAL NOMINEE,
WILLIAM HAASE, FOR A TERM TO EXPIRE 06-30-2020**

The Department of Land and Natural Resources (Department) strongly supports Governor's Message (GM) 669, nominating Mr. William Haase to the Legacy Land Conservation Commission (Commission) for a term to expire June 30, 2020.

Mr. William "Butch" Haase resides on Moloka'i and possesses membership in a land conservation organization organized in the State, thus fulfilling the Commission membership requirements of Sections 173A-2.4(a) and -2.4(a)(3), Hawai'i Revised Statutes.

Mr. Haase is currently serving an interim appointment that began in fall 2016, and he was an attentive and insightful participant in the Commission's review and recommendation process for Fiscal Year 17 applications to acquire land for public benefit. As a professional who manages lands for conservation purposes; directs the operations of a local land trust; and leads successful applications and acquisitions through the Legacy Land Conservation Program (LLCP) process, Mr. Haase is well-aware of the challenges faced by the LLCP and constituent nonprofit land conservation organizations. Most importantly, he thinks creatively and strategically about alternatives for overcoming these challenges, as demonstrated by the recent allocations to a Moloka'i Land Trust venture from the New Market Tax Credits program.

Mr. Haase's experience with land trust operations and financing is a welcomed strength. He engages deeply and directly with the issues raised by applicants, Commissioners, and staff.

The Department strongly supports GM 669 and recommends that the Senate confirm the appointment of Mr. William Haase for a two-year term on the Legacy Land Conservation Commission.

The Trust For Public Land's Testimony In Support of GM663 Relating The Nomination of William Haase To The Legacy Land Conservation Commission

Senate Committee on Water & Land, Conf. Room 224
Monday, April 17, 2017, 2:45 p.m.

Aloha Chair Rhoads, Vice Chair Gabbard, and Committee Members:

The Trust for Public Land strongly supports the Governor's nomination of William Haase to the Legacy Land Conservation Commission. We have worked with Mr. Haase for almost 10 years in his capacity as Executive Director of the Moloka'i Land Trust. Mr. Haase provides representation from the Neighbor Islands, and has extensive background in and knowledge in native plant and forest restoration. He is respectful of Native Hawaiian culture and concerns, and works well with local communities. He is also well versed in land conservation financing programs and best practices with regard to land management and land conservation. We give him our highest recommendation and strong support.

Mahalo for this opportunity to testify. I regret that I cannot make attend the hearing in person due to a prior commitment.

Me ke aloha,

Lea Hong
Hawaiian Islands State Director
Edmund C. Olson Trust Fellow

Comments: In every experience I have had with the gift of volunteering to help preserve the native Hawaiian plants and lands on Molokai, "Butch" (William) Haase was a critical player in the entire system. He is dedicated to this cause and will serve Hawaii STRONGLY. Please Confirm "Butch" (William) Haase to the Legacy Land Conservation Commission - he will not disappoint.

Comments: Any one who has seen the work of mr. Hasse would be astounded at the collective accomplishment . He has contributed to the conservation and general well being of Molokai in a way that very few could match. His knowledge of native plants and his ability to work with other people and organizations has a long history of success . I could not imagine someone more suited for the position. Comments: I strongly support Butch Haase for this position. A quick look to the history of his successful campaigns will show just how well suited for the position he is. His lifelong passion for native plants and his knowledge of same, as well as his dedication to the birds and animals that are so important to the glory of the Hawaiian ecosystem will always energize and inspire those around him. His ability to forge connections and his personable ways will enhance the makeup of this committee. His appointment to this position will greatly benefit Hawaii coastlines and he is sure to be an asset to the future success of the committee.

Butch Haase has always been one of the most industrious, level headed, ethically minded people I know. He's a man that can move mountains.

Comments: I strong support GM669 which appoints Butch Haase to the Legacy Lands Conservation Commission. Mr. Haase is well qualified to review the merit of projects proposed for the Legacy Lands program. His experiences managing the Molokai Land Trust and native restoration projects across the island make him ideally suited to the commission. I urge you to approve the appointment of Butch Haase to the Legacy Land Conservation Commission.

Comments: I can't imagine there is a more qualified or dedicated person. Mr Haase gives his blood sweat and tears, with every ounce of his heart and soul back to those lands to help ensure the success of many restoration projects. His work is making a huge difference in the rehabilitation of the Islands and oceans alike. He is the most honorable, passionate, knowledgeable, and dedicated person for the job. Hands down.

Comments: Having known Mr. Haase for many years, I have seen first hand his dedication and commitment to the environment and conservation issues. His deep knowledge of the Hawaiian plant ecosystem and his proven record of restoration should highly recommend him to this committee. I cannot imagine a better advocate and voice for the Legacy Land Conservation Commission. His ability to bring together disparate parties for the common good is also a distinct advantage. Thank you.
