Aloha,

I am writing this letter of support on behalf of Colette “Coco” Augustiro who is seeking a seat on the MIS users advisory board as a non-homesteader.

My name is Lori-Lei Rawlins-Crivello and a Moloka’i native, born and raised living of Moloka’i for the past 48 years. My mother and I currently run our family business, Rawlins Chevron Service, which has been in operation for over 50 years. I am an active community member and have known “Coco” for over 30 years.

In my community involvement as Event Coordinator for Moloka’i Canoe Festivals Kulaia Event, I was honored to have “Coco” join our team of committee members for the past 4 years as she brings great ideas, she leads by action, she is an amazing team player, very honest, a great active contributor and a very hard worker.

“Coco” shows dedication as she have held her current job being in the field of Agriculture for 23 years strong. She is from Moloka’i and values the lifestyle and resources we have on our island while realizing the need for agriculture to sustain not on our Island but also the state.

As a community member, I have known “Coco” to be very involved in helping our community at many different capacities in her voluntary services and have seen her at community meetings sharing/testifying and being a part of the community process. It’s truly important for us to recognize these qualities in our young community members who choose to be active and involved in order to build our leaders who care for our island community and to value not only keeping Molokai, Molokai...but also realizing how do we use our resources the best way possible without damaging our natural environment.

It is my honor to support Colette “Coco” Augustiro and I’ll gladly answer any questions you may have at (808)553-3214. Mahalo for your time and consideration.

Respectfully,

Lori-Lei Rawlins-Crivello
