OUR MISSION

HCIA is a Hawaii-based non-profit organization that promotes modern agriculture to help farmers and communities succeed. Through education, collaboration and advocacy, we work to ensure a safe and sustainable food supply, support responsible farming practices and build a healthy economy.

TESTIMONY FROM BENNETTE MISALUCHA, EXECUTIVE DIRECTOR

**IN SUPPORT OF ROBERT CREMER'S NOMINATION TO
THE GAME MANAGEMENT ADVISORY COMMISSION**

SENATE COMMITTEE ON WATER AND LAND
April 19, 2017, 1:30 p.m.
Conference Room 224

Chair Rhoads and members of the committee:

The Hawaii Crop Improvement Association (HCIA) is a Hawaii-based non-profit organization that promotes modern agriculture to help farmers and communities succeed. Through education, collaboration, and advocacy, we work to ensure a safe and sustainable food supply, support responsible farming practices, and build a healthy state economy.

HCIA strongly supports the appointment of Robert Cremer to the Game Management Advisory Commission. Robert worked to establish this Commission. As an active member of Hawaii's gaming community, he will be able to bring forward ideas to balanced wild life management and facilitate dialogue between the Department of Land and Natural Resources and the outdoor communities.

It is for these reasons we support Robert's appointment to the Game Management Advisory Commission.

Mahalo for your kind consideration.

Respectfully submitted,

Bennette Misalucha
Executive Director
