Comments: A Resolution to make Hawaiian 'awa beverage the official beverage of Hawai'i is an excellent first step to recognize both the historical importance of the beverage and its many health benefits. To so many throughout the Pacific- kava beverage is a wonderful, relaxing drink at the end of the work day. In Hawai'i kava is 'awa and there are unique cultivars of the plant found no where else. What a fitting tribute and re-introduction of a once highly valued and essential part of early Hawaiian life.
