I am writing this testimony regarding HCR 197 I highly **support** this Resolution due to that I live on the Wai'anae coast for 10 years and I know that we need a second access road due to that whenever there is an accident or even a major disaster Farrington Highway will be closed down and we need another in and out of the Wai'anae Coast.

Let me give some examples of how traffic can so bad. During the past month there was four to five accidents that the Wai'anae residents had to go through and the traffic was horrendous because from Ko Olina I stayed in traffic for three hours by the time I got home it was almost 9am at night. I left downtown Honolulu at 3:30pm. So I would like to support the access road for very good reasons.

Terri L. Torres
