Testimony for PSM/GVO on Feb 14, 2017 13:45PM in Conference Room 229

Submitted By	Organization	Testifier Position	Present at Hearing
Kathleen Elliott	Individual	Support	Yes

Comments: My name is Kathleen Elliott and I live in Honolulu. I support SB 1037. I am a health care provider and I care about the safety of our people. We have been relatively lucky in Hawai'i to have minimal gun violence and I hope we can keep it that way. If a person has been deemed "dangerous" and not allowed to own a firearm, there should be some way to track if they are attempting to purchase a firearm. Please pass this bill to keep Hawai'i safer from gun violence! Thank you.

Comments: My name is Erica Yamauchi and I reside in Kaimuki/Wilhelmina Rise. I strongly urge you to support and vote in favor of SB 1037. When dangerous people in Hawaii who are prohibited from buying guns – like felons, domestic abusers and people with severe mental illness – try to buy a gun and are denied a permit to purchase, that’s a red flag. It’s also illegal. State background check systems should alert appropriate law enforcement that these “denied and dangerous” people are trying to buy a gun and walking free in their community. Moms Demand Action for Gun Sense in America is working around the country with state legislators and executives from both parties to give law enforcement the tools they need to investigate these dangerous people when they try to buy guns. I am one of these moms and gun sense is a key issue for me. Enforcing existing gun laws is critical for public safety. Please support SB 1037.
