TO THE SENATE COMMITTEE ON JUDICIARY AND LABOR ON

SENATE BILL NO. 103

FEBRUARY 9, 2017, 9:00 A.M. Room 016

RELATING TO THE DISPOSITION OF EXCESS GENERAL FUNDS AUTHORIZED UNDER ARTICLE VII, SECTION 6, OF THE CONSTITUTION OF THE STATE OF HAWAII

Chair Keith-Agaran, Vice Chair Rhoads and Members of the Committee,

S.B. 103 establishes a statute to implement the amendment to the Constitution of the State of Hawaii resulting from S.B. 2554 which was passed during the regular session of 2016 and ratified on November 8, 2016.

S.B. 103 would expand the available uses for excess revenue to include payment of unfunded pension liabilities and/or debt service on the State's general obligation and would establish an additional pension funding source with the potential of reducing the long-term costs to taxpayers of paying for benefits which have already been earned and are protected by the State Constitution.

Maintaining the funding path progress of the Employees' Retirement System (ERS) is a strategic priority for its Board of Trustees as it seeks to reduce the financial burden to future generations of taxpayers while ensuring that its obligations are met to the more than 120,000 plan members and beneficiaries. As of June 30, 2016, the ERS has an unfunded liability of \$12.4 billion, a funded ratio of 54.7% and a 66-year funding period. The ERS Board appreciates the cooperative effort between the state administration, legislature and the citizens

of the State of Hawaii in ratifying the S.B. 2554 amendment to the State Constitution and supports this proposal.

On behalf of the Board of Trustees and staff of ERS we wish to thank you for the opportunity to testify.

RELATING TO THE DISPOSITION OF EXCESS GENERAL FUNDS AUTHORIZED UNDER ARTICLE VII, SECTION 6, OF THE CONSTITUTION OF THE STATE OF HAWAII

Chair Keith-Agaran, Vice Chair Rhoads, and Members of the Committee:

The Hawaii Employer-Union Health Benefits Trust Fund (EUTF) Board of Trustees has not had an opportunity to take a position on this bill. The EUTF Board's next meeting is February 21, 2017.

EUTF staff would like to suggest a change in the wording of the bill. In accordance with Chapter 87A-42, Hawaii Revised Statutes (HRS), beginning in fiscal year 2018-2019, the State and counties are required to contribute 100% of the annual required contribution (ARC) related to the other post-employment benefits. As noted in Chapter 87A-42, HRS, the ARC is comprised of the normal cost and an amortization payment to pay down the unfunded actuarial accrued liability over thirty years, which is projected by the EUTF's actuary through June 30, 2044. Therefore, any additional

payments to pay down the unfunded actuarial accrued liability will not reduce the amortization period but will reduce the future ARC amounts. We request an amendment to Section 2, page 3, lines 18-20 as follows:

"...in order to reduce future annual required contributions to amortize the unfunded other post-employment liability of the State earlier than scheduled at the time of the appropriation."

Thank you for the opportunity to testify.
