Comments: I am writing as a concerned citizen in support of the Judiciary funding bill to include DWI Court. WI Court has been nationally recognized, being the recipient of the National Highway Traffic Safety Administration Public Service Award in March 2015 in recognition of the collaborative efforts to reduce traffic fatalities due to alcohol impaired driving. Securing state funding is essential to keeping Hawaii's roads safe and an effective investment for our communities, especially as policy that anyone regardless of political beliefs would support. Thank you!
