Mike Moran	Kihei Community Association (KCA)	Support	No

Comments: Slowing motor vehicles in school zones is vital to protecting our children. Money talks- present fine is not sufficient as we DAILY see drivers exceeding posted limits regardless of measures used to alert them. Human crossing guards are ignored- warning signs showing speed are as well. Let us try heavier fines. The KCA is in strong support. Mahalo. Mike Moran for KCA

RE: Support for the Intent of SB663, Relating to Highway Safety

Dear Chair Tokuda, Vice Chair Dela Cruz, and members:

The Hawai'i Construction Alliance is comprised of the Hawai'i Regional Council of Carpenters; the Laborers' International Union of North America, Local 368; the Operative Plasterers' and Cement Masons' Union, Local 630; International Union of Bricklayers & Allied Craftworkers, Local 1; and the Operating Engineers, Local Union No. 3. Together, the member unions of the Hawai'i Construction Alliance represent 15,000 working men and women in the basic crafts of Hawai'i's construction industry.

We **support the intent of SB663**, relating to highway safety, which increases the fines for speeding violations occurring in a school zone or construction area.

Our unions' top priority is the health and safety of our members. During the past several legislative sessions, we have been active in pursuing legislation to protect the health and safety of construction workers at their job sites. We are pleased to see that SB663 adds to this very important conversation.

We encourage your committee to advance this measure to continue discussion on to ensure that our members are not endangered by reckless drivers and others who would harm their health and safety.

Mahalo,

Tyler Dos Santos-Tam
Executive Director
Hawai'i Construction Alliance
